Parent Teachers Meeting: Consolidated report for the academic year 2020-21

- ✦ The parent teachers meeting was conducted for all phases of MBBS using online google meet platform for the academic year 2020-21.
- ✦ The parent teachers' meetings were planned by the Student Support System (SSS).
- ✦ All meetings were initiated with the administrators addressing the parents first, followed by mentors meeting their respective mentees and parents using WhatsApp calls or Online Zoom or Google meet platforms as per the convenience of the parents and mentors.
- ✦ Since it was an online meeting, mentors were able to meet all parents.
- ✦ All mentors met after parent teacher's meet and discussed on the action plans with the administrators.
- ✦ The major outcomes of the parent teachers meeting for the academic year 2020-21 are as follows:
 - i) An online talk "Mental health during COVID 19 Pandemic" was conducted by psychiatry department for all phase MBBS students.
 - ii) Parents were oriented about the Pondicherry University attendance and performance guidelines and updated CBME modules.
 - iii) As per the discussions carried over between parents and mentors, administrators were convinced to plan for upgraded version of Zoom/Great Learning App.
 - iv) Difficulties and errors regarding Learning Management System (LMS) were sorted out by the Electronic Data Processing (EDP) department.
 - v) Orientation program for students were organized for using LMS, Google forms and other platforms.
