

Parent Teachers Meeting: Consolidated report for the academic year 2022-23

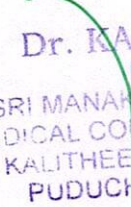

- ✦ During foundation course of the I MBBS (2022-23) batch, a common addressing of parents' gathering was done by the Dean to orient the parents to the proceedings of the student support system and the orientation to curriculum and assessment.
- ✦ The parents were clearly informed about the eligibility for appearance in University exams, pass percentage and updated the maximum number of attempts allowed for a student as instructed by NMC
- ✦ A biannual parent meet was planned for all the students from Phase I to Phase III Part II
- ✦ During parent – teacher's meet, the parents were updated about the attendance and performance of their wards in the one-to-one interaction with the respective mentors. Their strengths and area for improvement were discussed.
- ✦ Parents were made aware of the slow and advanced learner strategies.

Action Taken

- ✦ Feedback was also obtained from the parents and was analysed and action taken for the suggestions as follows:
- ✦ Teleconference was suggested with the parents of the slow learners, who failed to attend the parent teacher's meeting
- ✦ Slow learners special training given after 4:30-5:30pm
- ✦ Parents were informed about the separate domain for parent login created in the college website
- ✦ The screen size in lecture hall 1 was made bigger after the suggestions from the students and parents and faculty were requested to use greater font size in their powerpoint presentations to increase visibility.
- ✦ Parents concern on non-delivery of messages due to change in email ID/Contact numbers was addressed and rectified by updating the same in the student software through EDP department
