Module 2.4-Working in a health care team-1

Schedule

SRI MANAKULA VINAYAGAR MEDICAL COLLEGE AND HOSPITAL

KALITHEERTHALKUPPAM, PUDUCHERRY - 605 107.

Department of Microbiology

SESSION PLAN

TOPIC: AETCOM Module 2.4- Working in a health care team

Date: 07.09.2022 to 09.09.2022

TIME: 9.30 am to 4.30 pm

Duration: 6 hours

Audience: Phase-2 MBBS students

Venue: Demo Hall -A (Department of Microbiology), Lecture Hall-2

Module: 2.4 working in a health care team

COMPETENCIES ADDRESSED:

1. Demonstrate ability to work in a team of peers and superiors
2. Demonstrate respect in relationship with patients, fellow team members, superiors and other health care workers

SESSION OVERVIEW: The students (150) will be divided in to six groups with each group comprising of 25 members. Each group will go to wards of respective clinical postings as per schedule. The group of 25 will be further sub- divided in to 5 sub groups with each group comprising 5 members. Each member of the sub-group will be assigned specific roles like leader, interviewer, scribe, time keeper and presenter.

The students of each sub group will be asked to 'tag along' a specific health care group (Doctor, staff nurse, intern, lab technician, clerk and attendant).

Students should observe their health care team's daily routines in patient care and how each member of a team contributes to patient care. Students can conduct interviews with the HCW wherever possible.

Schedule / Lesson plan

What does it mean to be a family member of a sick patient?-Schedule

AETCOM competencies for MBBS

Module 2.8: What does it mean to be family member of a sick patient?

Background

Doctors deal with human suffering throughout their professional careers. A balanced approach to the patient care experience requires an understanding of support systems of patients, priorities coping and emotions of families, the role of the doctor, an exploration of empathy vs equanimity and the difference between healing and curing and support.

Competency addressed

The student should be able to:	Level
Demonstrate empathy in patient encounters	SH

Learning Experience

Year of study: Professional year 2

Hours: 6 (includes 2 hours of SDL)

- Hospital visit & interviews - 2 hours
 - Large Group Discussions with patients' relatives - 1 hour
 - Self-directed Learning - 2 hours
 - Discussion and closure - 1 hour
- Students are assigned to patients in the hospital, interview their family about their illnesses, experience, reactions, emotions, outlook and expectations (or can be done in a controlled environment with standardised patients).
 - Family members of patients with different illnesses may be brought to a large group discussion with permission and an interactive discussion (based on the items outlined in option A. Can use standardised patients)
 - Self-directed learning where students write a report from reflection based on sessions 1 & 2 and on other readings, TV series, movies etc.
 - A closure session with students to share their reflections based on 1, 2 and 3 so that it includes how they intend to incorporate the lessons learnt in patient care.

Dr. KAGNE, R.N
DEAN

SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
KALITHEERTHAKUPPAM,
PUDUCHERRY-605107.

Assessment

1. **Formative:** The student may be assessed based on their active participation in the sessions and submission of the written narrative.
2. **Summative:** Short questions on the role of doctors in the community and expectations of society from doctors.

e.g. 1. What is empathy? What is the role of empathy in the care of patients?

ANNUAL MEETING-Minutes of meeting

An annual meeting on Student Support System MBBS Phase I-Batch 2022-23 was conducted 12.10.23 from 9.00 AM to 11.15 AM in the College Council Hall. All HODs and mentors of students Phase I MBBS attended the meeting.

S. No.	Agenda	Discussion	Action plan
1	Feedback regarding Student Support System MBBS Phase I Batch 2022-23	1. Parents are not adequately sensitized on the syllabus and curriculum 2. Parents of slow-achievers yet to meet respective HODs	1. During the orientation program for the upcoming batch, an exclusive session for parents is to be conducted to sensitize the syllabus and curriculum. 2. The consolidated list of slow-achievers to be made and their parents to be instructed to meet concerned HODs before the collection of hall tickets for the university exam.
2	Selection of mentors and number of mentees for the MBBS Phase I Batch 2023-24	1. To include the newly-joined faculty to support the system 2. To include vertical mentoring	1. Sixteen mentors were chosen, 15-16 mentees each. 2. In addition to horizontal mentoring, vertical mentoring is to be implemented.
3	To decide the number of meetings- Date and Time	Number of meetings decided based on the available time during Phase I	A total of 4 meetings- 2 involving mentor-mentee 2 involving parents-mentor-mentee
4	Need for student/peer mentoring	To help the students, especially the slow-achievers, peer mentoring was suggested	Peer mentoring within Phase I may be advised with the consent of the mentee.

Dr. KAGNE, R.N

DEAN

SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
KALITHEERTHALKUPPAM,
PUDUCHERRY-605107.

5	Any training course on SSS for faculty	Sessions for fresh mentors and an interpersonal relationship session for the mentors already existing are necessary	Experts/Counsellors to be invited for both groups.
6	To create a mentor diary	The need for a digital mentor diary was insisted	Maintaining a mentor diary in LMS - e portfolio in digital format is recommended.
7	To create letterhead and logo	A letterhead and logo are to be created to maintain uniformity in the documents	A competition among students to create logo is to be conducted followed by rewarding the students.
8	Revision of SOP	Existing SOP to be revised considering the new amendments by the NMC	The SOP is to be revised after consulting the Dean and MEU Coordinator.
