SIMSCON '22

Dr. KAGNE. R.N
DEAN
SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
KALITHEERTHALKUPPAM,
PUDUCHERRY-605107.

By common consent, the South Indian Medical Students' Conference, SIMSCON, is a remarkable event that brings together young minds from different parts of the country. What makes SIMSCON unique is that it is wholly organized by the students of our college. SIMSCON 2022, which happened after a hiatus of two years, was no exception. A group of 90 volunteers from the Batch of 2019 embarked on this never – can – forget journey to ensure the smooth conduct of this year's SIMSCON. This dedicated group of volunteers put in immense efforts to make SIMSCON not only an educative but also an enjoyable experience.

SIMSCON '22 was spread over two days - 4th and 5th November, 2022. The Pre-Conference Workshops were held on Day 1 and the Conference unfolded on Day 2.

The theme of this year's SIMSCON was 'Patient Safety and Team-Based Management' and all the events were centred on this theme. The delegates unanimously commended the relevance of the theme of the conference and the appropriateness of the events chosen to be included. They also recorded their appreciation of the manner in which SIMSCON '22 was organised.

CAREER GUIDANCE COUNSELLING

The session started at 04:30 p.m. in Lecture Hall 2. The event was attended by 200 delegates. The session was conducted by Dr. Murugan V, Professor of Community Medicine, MAPIMS with more than 20 years of experience in his field. He was introduced to the crowd by Dr. G Kalaiselvan, Dean (Research). The session mainly focussed on how to approach entrance exams for undergraduates. He gave us a brief idea on alternative career options after MBBS and also about USMLE and PLAB. The session was interactive with frequent Q/A sessions after each segment. The session turned out to be useful to the new budding doctors and also enhanced them to think beyond just medicine after MBBS. At the end of the session, Dr. V Murugan was felicitated by Dr. G Kalaiselvan and also participation certificates were distributed for all delegates. The session ended at 05:30 p.m. there was active coordination and participation from all volunteers.

SIMSCON'19

SIMSCON abbreviated as "South Indian Medical Students' Conference" is an annual academic event organized by SMVMCH for the welfare of its students. Though the name abbreviated to South India the event attained the status of National Level Conference where students all over the Country actively participates in this event. SIMSCON has its roots to have been founded as early as 2009. This event which was functioning under the faculty was brought under the roof of The Student Council which was warmly embraced by the Council as the major event.

The Student Council has two designated posts for SIMSCON as "Secretary for SIMSCON- Pre Conference works" who heads the Workshop day and the post "Secretary for SIMSCON- Conference" who heads the Conference days of the event.

No sponsors are sought for this event too. The entire event runs from the fund collected from the Student registration as the registration fee at the beginning of the year along with colossal contribution from the management. This gives the students the liberty to grace the event for only a minimal registration fee without compromising the quality of the event.

The Conference event for the year 2019 was ostentatiously held between the Dates of July 4, 5 & 6. A core committee was formed as the first endeavor which was guided by the Staff in charges who gave their inputs whenever and wherever necessary.

The external delegates were requested to inscribe their feedbacks through their feedback forms sent and collected by email for the benefit of improving SIMSCON in the future.

SIMSCON'18 stood out in the way in which all the events were conducted in 2 days, contrary to the previous years. Many innovative attempts by the organizing committee and diligent organization marked it as a remarkable event for the years to come.

SOCIAL SERVICE ACTIVITIES 2018

We organized social service activities. Breast Feeding Program took place on the first week of August, 2018. On the 1st of August, 2018 a Community health talk with 40 volunteers was arranged for the benefit of the breast feeding mothers. The NSS volunteers had an opportunity to have a Community level interaction and extend their basic skills on anthropometry measurements and also got awareness on exclusive breastfeeding.

On the 2nd of August 2018, we organized a rally on the importance of breast feeding with another set of NSS volunteers with the assistance of the Paediatrics department and Nursing institution. Our volunteers had opportunity to distribute the health pamphlets on breastfeeding and thereby creating awareness to the general public.

STUDENT COUNCIL 2017

Docere is the celebration of Teacher's Day on September 5th, 2017. It was a grand one day event during which several events for the teaching faculty such as Volley Ball, Throw Ball, Dumb Charades, Debate, Cooking without fire, Mehendi, etc were arranged. The day ended with prize distribution and special performances in singing and dancing by the post-graduate students and professors. All members of the faculty were given a memento engraved with their name which was funded by the students.

FIESTA (for 2017 batch)

Fiesta is the Fresher's Day celebration held every year for the new batch of aspiring medicos. Fiesta was held on 9th January, 2018 during which students of 2017 batch performed several cultural events including singing, dancing and mime. The batch was officially given the name 'Excaliburs' on this day. The event proved to be an efficient ice-breaker and was a big hit amongst the first years.

SAYONARA'17

Sayonara'17 was the Farewell Day for the batch of 2013 who were in their final year, conducted by the batch of 2014. It was conducted on the evening of 23rd September, 2017 which emerged as a stunning and emotional event for both the batches. The event saw students gracing the red carpet in their best attire, snapping a multitude pictures knowing that this would be their last day together. Several videos dedicated to the batch of 2013 were projected followed by ramp walk, games and heart-touching speeches. Several students of 2013 were given special titles after conducting a poll which was the highlight of that night. All the students of 2013 batch were given a memento as a token of our love followed by a grand banquet dinner.

STUDENTS' DISCUSSION FORUM

The Forum is a platform for students and faculty to interact and debate on several topics encompassing medical skills, interpersonal relationship, leadership skills, communication skills, research, stress management, etc.

Objectives of the Forum include

- To create awareness, interest and offer a platform for student research activities
- To stimulate scientific exploration
- To mentor social responsibility and professionalism.

The Forum convenes every fortnight to discuss topics chosen by the members. The Faculty Advisor of the Forum was Dr. Amol Dongre, Professor and Head of Department of Community Medicine. Field trips, skill workshops and debates were conducted along with some sessions by guest speakers from across India. The Forum had an attendance ranging from 30 to 40 students per session.

The session plan included

Field visit to Help Age India

It was one of the highlights of the Forum. This trip exposed students to the problems of the geriatric population and students had a chance to socialise with them. An entire day was spent with them, entertaining them with songs, games and performances. A luncheon was arranged with the money contributed by the students which was later followed by house visits.

STUDENTS' PAIN & PALLIATIVE CARE PROGRAMME

The programme was conducted in collaboration with the Department of Nephrology and Community Medicine. The programme was targeted towards the patients with chronic kidney disease on dialysis.

Objective:

1. To counsel/communicate to the patients and their caregivers
2. To act as a intermediary between patient, caregiver and the clinical staff

3. To improve basic knowledge regarding CKD condition, management, dialysis and other treatment options
4. To improve communication skills

Each visit spanned for about an hour after 4.30pm and volunteers were assigned as teams and each team visited the patients on a rotational basis. The students were put under mentors and were expected to report to them on a regular basis. All volunteers attended a training program by Dr. Suresh Kumar with Sanjeevan Pain & Palliative care.

QUIZ CLUB

Quiz classes were held for students from first year to final year every Wednesday in the evening. Questions were collected from Professors of various departments and the Secretary conducted the quiz. Questions were posted every day on the Student Council notice board and the students were encouraged to come up with answers which were discussed during the sessions. Sessions included lectures by experienced faculty. The club functioned throughout the year with several of its members winning several quiz competitions.

NATIONAL SERVICE SCHEME

The NSS organization of SMVMCH consisted of 1 unit in the year 2017, which held participation of 100 volunteers.

- NSS badges were released during the College day celebration of 2017.
- A 7 DAY CAMPAIGN was conducted involving all the NSS volunteers in the place Andayarpalayam from 20-03-2017 to 28-03-2017, which included field work of school cleaning, health screening for students at primary school and at Anganvadi, Health camp (on 28-03-17), Awareness programs regarding Tuberculosis, De-addiction, Menstrual Hygiene, Digital Banking.

Pre preparation works for the event began as early as December 18, 2017 and the preparatory works were carried out for the next two months which made the event a grand success. A core committee was formed as the first endeavor which further led to formation of other sub committees which was responsible for the success of the event.

Each work assigned to the subcommittee members were guided by the Subcommittee heads which was further overlooked by the Core committee members. The exquisiteness of the event was that all the pre final years were included in the subcommittee which gave the event a breakthrough.

SIMSCON -16

SIMSCON abbreviated as "South Indian Medical Students' Conference" is an annual academic event organized by SMVMCH for the welfare of its students. Though the event's name abbreviates to South India, the event attained the status of National level conference when students from six different states actively participated in the event. SIMSCON has its roots to have been founded as early as 2009. The event which was functioning under the faculty was brought under the roof of The Student Council which was warmly embraced by the council as the major event.

The Student Council has two designated posts for SIMSCON as "Secretary for SIMSCON - Pre Conference workshop" who heads the Workshop day and the post "Secretary for SIMSCON - Conference" who heads the Conference days of the event".

No sponsors are sought for this event too. The entire event runs from the funds collected from the student registrations as a registration fee at the beginning of the year along with a colossal contribution from the management. This gives the students the liberty to grace the event for only a minimal registration fee without compromising in the quality of the event.

The conference event for the year 2016 was ostentatiously held between the dates of July 28, 29 & 30. The management graciously accepted our proposal to transform the two day conference event into a three day event and also supported us financially for our decision. The total budget for SIMSCON 2016 was around 13 Lakhs which was completely overlooked and spent by the student council.

A core committee was formed as the first endeavor which further led to formation of other sub committees which was responsible for the success of the event. The core committee was guided by Staff co coordinator and staff advisors who gave their valuable inputs whenever and wherever necessary.

1. CONFERENCE APP

This app is for all the delegates of a conference, which can be a single source of information and interaction at the conference. The intention is to **eliminate the paperwork** and help the delegates go through their day more effectively using the smart phone alone.

1.1 Basic App Functions

1. My Profile and **secure authentication** without having to remember any password
2. **Show and plan agenda**. The user will be able to select only one even per time slot to attend. Details of all events will be seen.
3. Get **reminders** to attend agenda items selected. Reminders can be sent when event coordinator marks live status of events that are about to start in each hall or automatically based on the time.
4. **Attachments** of PDF, Poster, PowerPoints, banners etc with optional voting competition for best entry (Workshop Material, Souvenir Book etc.)
5. Youtube links to Video clips in Agenda details and Attachments
6. Push notifications (On spot **Live Notifications**)
7. Google map integration to enable one touch travel to hotel
8. **Speaker profile** with photo, write up of their profile and social coordinates (FB, LinkedIn, Twitter and google plus). System will also show all the talks by that speaker in the profile
9. E-directory (<https://www.youtube.com/watch?v=cla43nuhrFs>)
10. Process of Registration becomes Simple. **Food Coupons** can be issued via a code in the app itself

1.2 Backend

The system will have web based dashboard that can be opened from any online PC with browser. Conference admins will be able to add most of the data elements from the backend. Lightweight landing page for SMS and email marketing and QR code to put on all banners and brochures for publicity

This system enables almost all functions with intermittent internet.

2 EXPLANATION OF KEY FEATURES

2.1 Social Features

A delegate can give ratings to the talk/sessions which helps in getting overall review. He can give **his comment/post private questions to the speaker** who may choose to answer selected ones. This **increases audience participation** and enables speaker to know overall thought process. This feature will be available only to OTP authenticated members.

2.2 Speaker Scheduling System

App will have provision for entering the cell number and email of each speaker which is not visible to everyone. If the contact detail is provided, system will automatically send personalized SMS and email to the speaker giving detail, venue and time of their talk.

2.3 Secured Question Answer section

Organizers can **upload questions** and also specify the time for which the question will be active in case it is for a specific event. The apps will get the questions on next sync and they will be notified of the new question in the notification area as well. As this is a member only feature, non authenticated user will be prompted to enter his members profile and get authenticated. Organizers can start with scientific quiz, **feedback and opinions**. Only multiple choice questions will be allowed with no space to enter text.

Eventually secure Q&A section **can even be used for serious polls and elections** after everyone becomes comfortable with the usage.

Access Control

Every Quiz can have a customizable heading, start time and end time. Any number of multiple choice questions can be programmed to appear one after another in the quiz. Admin can also set the total amount of time permitted to answer the complete quiz which will be shown prominently.

A quiz can be tied to a session in the scientific agenda. If done so, it will also appear in the event detail screen as a button next to comments and ratings.

Reviewing and displaying Responses Speaker will be able to show **live bar graph of answer choices on the projector** if his laptop is connected. User will have an "Answered Questions" tab where aggregate responses will be show for only those quiz that they have attempted.

MANAKULA VINAYAGAR

Medical college and Hospital

WELCOME TO 7th South Indian Medical Students Conference (SIMSCON)

We are pleased to invite you to attend the 7th SOUTH INDIAN MEDICAL STUDENTS CONFERENCE (SIMSCON) which will be held at Sri Manakula Vinayaga Medical College and Hospital, Puducherry from June 26 to 28, 2015.

The conference theme is "Leadership for better health". The theme reflects on the need for medical students to take on the field of medical research and emphasize on their social accountability. Today's medical students can be effective change agents for social reform and a valid supplement for medical usage.

The three day conference comprises of workshop on various relevant topics and followed by two day scientific session for the undergraduate and postgraduate medical students.

The workshop topics are on-line pulmonary research, resuscitation, understanding ECG, radiology, media, essay, communication, skill development, literature search and reference management, arterial blood gas analysis. The workshops are conducted by experienced and recognized resource persons.

The conference will have sessions like keynote address, resource person speech, panel discussion, scientific paper presentations and other suitable programs like clinical-pathological conference (CPC), medical quiz, spelling bee, yoga for better health, online photography, etc.

The three day conference should give ample opportunity for networking and effective platform to develop basic skills and leadership qualities.

We kindly request your participation in the events and welcome you to our college and Puducherry.

SIMSCON-2015

Secretary's report

It is my utmost pleasure to represent a group of enthusiastic and hardworking student body who took a highly challenging task of conducting the student conference this year in a newly structured and standardized manner. The challenge was taken knowing that it is going to take lot of focus and hard working, but convinced that it is a timely need for our college especially for our students "To strive for new and positive things in life". This year the 3rd year batch took the initiative and coordinated the program with actively involving all other batches and faculty.

The core committee

The initial core committee was formed with 24 student members including the following faculty member::
Dr.R.NKagne,Dr.Karthikeyan,Dr.AmolDongre,Dr.Kalaiselvan,Dr.Pragash,Dr.Ganesh,Dr.Jeyasree,Dr.Murugan.

Dr.Murugan was appointed as the faculty in charge for SIMSCON-2015. The theme was selected as "Leadership for better health" and decided to have a 3 day conference from 26th June to 28th June 2015. The core committee met 5 times and collective decisions were taken. We especially want to thank Dr.Murugan, Dr.Pragash and all other faculty members for their guidance, time and constant encouragement and support given to us.

Prize distribution and valedictory function was presided by Dr.D.Rajagovindan, Director and in the presence of Dr.R.N.Kagne, Dean-Academic. The conference was concluded successfully and received highly favorable response feedbacks from the delegates.

COMMITTEE REPORTS:

1. Public relations committee coordinated by Shantha Kumar

Multiple marketing strategies were planned and implemented. External marketing included mailing poster and brochures for about 250 medical colleges, personally visiting about 15 strategic colleges, collecting key faculty contact numbers and reaching students through them, contacting and followups with the student leaders. This year we also used electronic media like whatsapp and facebook to spread the message.

The effort has brought in excellent response and we were able to close the registration 2 weeks prior to the conference. Altogether about 380 delegates registered and attended the conference.

This year we were fortunate to get Mr.Gunasekaran, department of Anatomy and Mr.Godwin Xavier, final year MBBS student to take the event photographs. We appreciate and thank them for their time and effort to support the cause.

2. Printing and souvenir committee coordinated by Sushmita Somesh

Posters, brochures, certificates including participation and prize winning were specifically designed and printed. First time this year 53 pages multicolored abstract souvenir was designed and published.

3. Tech committee coordinated by Aditya Ganesh

One of the unique features of SIMSCON-2015 is that a website was designed, created and maintained by our students. This allowed effective marketing through multimedia and online registrations and payments were encouraged. This helped to create and analysis real time reports.

4. Finance committee coordinated by Hemath Kumar

The total amount collected this year was Rs.10, 04,128 which includes management contribution of Rs.5, 24,778 and collected from delegates were Rs4,79,350 The total expenditure was Rs9, 99,369.

We want to specially express our deep appreciation and sincere thanks to our management especially Mr.Dhanasekaran,Chairman and our Director Dr.D.Rajagovindan for their valuable support and encouragement. We were able to do all the SIMSCON activities without external sponsorship only because of management financial support.

5. Hall arrangement and decoration committee coordinated by Anett Grace

This committee has coordinated all the workshop hall arrangements, signage, and banners and decorating the locations. We again appreciate the management for timely completing the renovation works of the college and auditorium to enable us to have a grand facilities.

6. Transport committee coordinated by Prathiksha

Transport arrangements were provided to all requested delegates, judges and resource persons. About 100 external delegates were transported with 15 trips. Pickups were also arranged for resource persons from Chennai airport and back. At this time we would like to express our sincere thanks to Mr. Sampath, transport in charge, SMVMCH for his support and coordination.

7. Prizes and awards committee coordinated by Banupriya R and Mohan Prem Kumar

The awards and mementos were designed by students and were custom made this year. Totally 32 numbers of mementoes and 18 numbers of awards were made and distributed.

8. Food committee coordinated by Pranav Prem

3 days meals were provided to all delegates and participants. The contract was given to Annai caters, Puducherry for the cost of Rs4, 21,350 including banquet dinner. We only had appreciation and positive comments from the delegates regarding the quality and timing of the food.

9. Accommodation committee coordinated by Anjali and Selva Kameshwaran

We were able to accommodate about 63 female delegates in the college PG girls' hostel and arranged accommodation for about 43 male delegates in JK hotel, Madagadipet.

We specially appreciate Director Sir for his support to arrange the inside accommodation and to JK hotel owner for discounting about 50% price discount for our conference participants.

10. Registration committee coordinated by Senthil Kishore

This year we had record registration of about 380 delegates. Our conference was approved for 6 credit hours by TNMCI. We had 45 PG delegates registered for the credit hours.

The registration comprises of 135 internal UG delegates, 48 internal PG delegates, 176 external UG delegates and 21 external PG delegates.

11. Judges arrangement committee coordinated by Ram Chandar and Vishnu Prasath

For every competitive items we had external judges from local colleges includes Dr. Loganathan, SVMCH, Dr. Kavitha, IGMC, Dr. Uthayasankar, IGMC, Dr. Kathiravan, JIPMER and Dr. Prabu, SVMCH

CONCLUSION

It was a amazing journey of team work, perseverance and learning experience for all of us. We the students thank each one of our faculty members who allowed us, guided us, encouraged us and stood by us to make SIMSCON-2015 A memorable and a grand success. I personally thank all of you to giving me this privileged opportunity to serve and to experience the unique blessing of people and Almighty. I conclude this report with lot of gratitude and wish the organizers of next SIMSCON all success.

Sincerely,
