

ALUMNI ASSOCIATION ACTIVITIES – 2020

The EC meeting took place on 06th February 2020, the members suggested to create more awareness in enrolling all past students into the alumni and came up with an idea to actually ask the interns to join the association once they complete their course. By creating awareness among interns and outgoing postgraduates we can increase the member base. It was also planned to organize a Reunion for the Batch of 2007, tentatively in the month of September 2020. Next EC meeting will be along with the program in September.
