## PREFACE

---

This surgical disposable Formulary of Sri Manakula Vinayagar Medical College and Hospital is a concise and handy book designed for quick reference of current essential surgical items in medical practice. As it is not possible to include all items, commonly used items in our hospital with their specification, the company and cost have been included. However, as the medical knowledge is vast and continuously being upgraded, changes may have occurred and may not have been reflected in the incorporated information.

**Note:** The price given is for an estimation of the cost of therapy and not the exact selling price, which may vary.
