## **Faculty Involvement in Academic Affairs / Improvements**

- Faculty members across all departments play an active role in planning, executing and improving the Teaching–Learning process in alignment with UGC/NMC guidelines.
- Each department, under the leadership of the HOD, designs course plans, teaching schedules and assessment strategies as per the Academic Calendar.
- Faculty actively participate in Academic Committees, Board of Studies (BOS), Academic Council (AC), Internal Quality Assurance Cell (IQAC) and Medical Education Unit (MEU) for continuous academic improvements.
- Regular utilization of ICT-enabled teaching methods, digital resources and innovative pedagogical tools enhances learning outcomes.
- Faculty are encouraged to undergo training through FDPs, workshops, conferences, CME/CPD programs for updating subject knowledge and teaching competencies.
- Departments employ diverse content-delivery methods such as lectures, tutorials, practical/clinical postings, seminars, case presentations, special clinics, group discussions and remedial classes.
- Faculty maintain detailed Attendance & Assessment Records for each course, ensuring transparency and continuous monitoring of student performance.
- Special academic support including slow-learner classes and counselling is provided under faculty guidance.
- Mentoring system is effectively implemented — each faculty member mentors approximately 20 students, monitoring their academic, personal and professional progress.
- Individual student track records are maintained in departments to identify strengths, weaknesses and provide timely guidance.

## **Mechanism / Norms and Procedure for Democratic & Good Governance**

- The institution follows a culture of participative and decentralized governance through clearly structured committees at all levels — UGC committees, NMC committees, IQAC, MEU, Academic and Administrative committees.
- Powers and responsibilities are distributed across Director, Deans, Registrar, Medical Superintendent, HODs and committee coordinators, ensuring smooth functioning.
- HODs are empowered to take decisions regarding academic activities, departmental administration, student concerns and teaching-learning processes.
- Regular meetings of HODs, committees, departments and administrative sections ensure timely decision-making and effective implementation of institutional policies.

- Administrative units such as Accounts, HR, Purchase, Transport, OSD, CLS and Quality Department work collaboratively under the Registrar and Joint Registrar to support academic and hospital activities.
- Hospital Services, under the Medical Superintendent and DMS, ensure smooth functioning of RMOs, Nursing Superintendent, AGM and Special Clinics, contributing to academic and clinical training.

#### **Student Feedback on Institutional Governance / Faculty Performance**

- A formal and transparent feedback system is implemented institution-wide to assess governance, faculty performance and the overall learning experience.
- Feedback is collected from students of all programs each semester and analysed by IQAC and relevant committees.
- Action Taken Reports (ATR) are prepared and communicated to departments, ensuring continuous institutional improvement.
- Faculty Performance Appraisal system is implemented to highlight strengths, identify areas for improvement and enhance teaching quality and accountability.

## 17. INDUSTRY LINKAGE – (2024-25)

Our institution has established strong and meaningful industry linkages through a series of Memorandums of Understanding (MoUs) with reputed healthcare organisations, diagnostic centres, engineering institutions, research bodies, and innovation-driven companies. These collaborations are designed to enhance academic quality, support interdisciplinary research, and provide hands-on exposure to students and faculty.

We have active partnerships with leading diagnostic service providers such as **Metropolis Healthcare Ltd.** and **ANDERSON Diagnostic Services Pvt. Ltd.**, facilitating training, research activities, and access to advanced laboratory facilities. In addition, our association

with **SMVMCH–PIMS**, the **National Cancer Registry Programme**, and **SIPA** further strengthens institutional research capabilities and community-oriented services.

To promote innovation and technological advancement, the institution has signed MoUs with prominent engineering and research establishments including **Spot Dot Bio Innovations Pvt. Ltd.**, **IIT Madras Research Park**, **Pondicherry Engineering College**, **SSN Engineering College**, and **JS–IP Design Solution**. These collaborations support joint research, skill development, design innovation, and knowledge exchange.

Furthermore, ongoing collaborations with national research agencies such as the **ICMR–National Institute of Epidemiology** and emerging technology-driven industries like **Elicton Innovation Pvt. Ltd.** broaden our research network and provide opportunities for advanced project work.
