To,
The Dean

Dear Sir/Madam,

Thank you for nominating Dr. Vinayagamoorthy Venugopal to attend the PSG-FAIMER Regional Institute and for enabling him to attend Session One of the Fellowship Program from 10th to 16th June, 2018 at PSG Institute of Medical Sciences & Research, Coimbatore.

Dr. Vinayaga was one of 16 middle and senior level Academicians selected from over 47 applicants from all over India and neighboring countries for this highly competitive fellowship program. He actively participated in Session One and has returned to your institution to complete Session Two, which entails a year-long workplace based learning on his proposed project for your institution. He will subsequently return to Coimbatore next June to attend Session Three, and then again return to your institution to complete the project during final Session Four.

During the program, Dr. Vinayaga learned about several aspects of Health Professions Education, including the development of education methods, leadership and management skills, and professional networks.
