IIC Self Driven Activity – Research Week Celebration 2024

Institution's Innovation Council

Title: How to Conduct a Systematic Review

Date: 5th December 2024

Organising Department: Department of Respiratory Medicine

Coordinator: Dr. Praveen .R

Time: 2.00PM to 4.00PM

Objectives: 1. To Provide a Comprehensive understanding of the Systematic review process.
2. To Enable Researchers to critically evaluate existing literature.

Guest Speaker: Dr. Kunal K Deokar

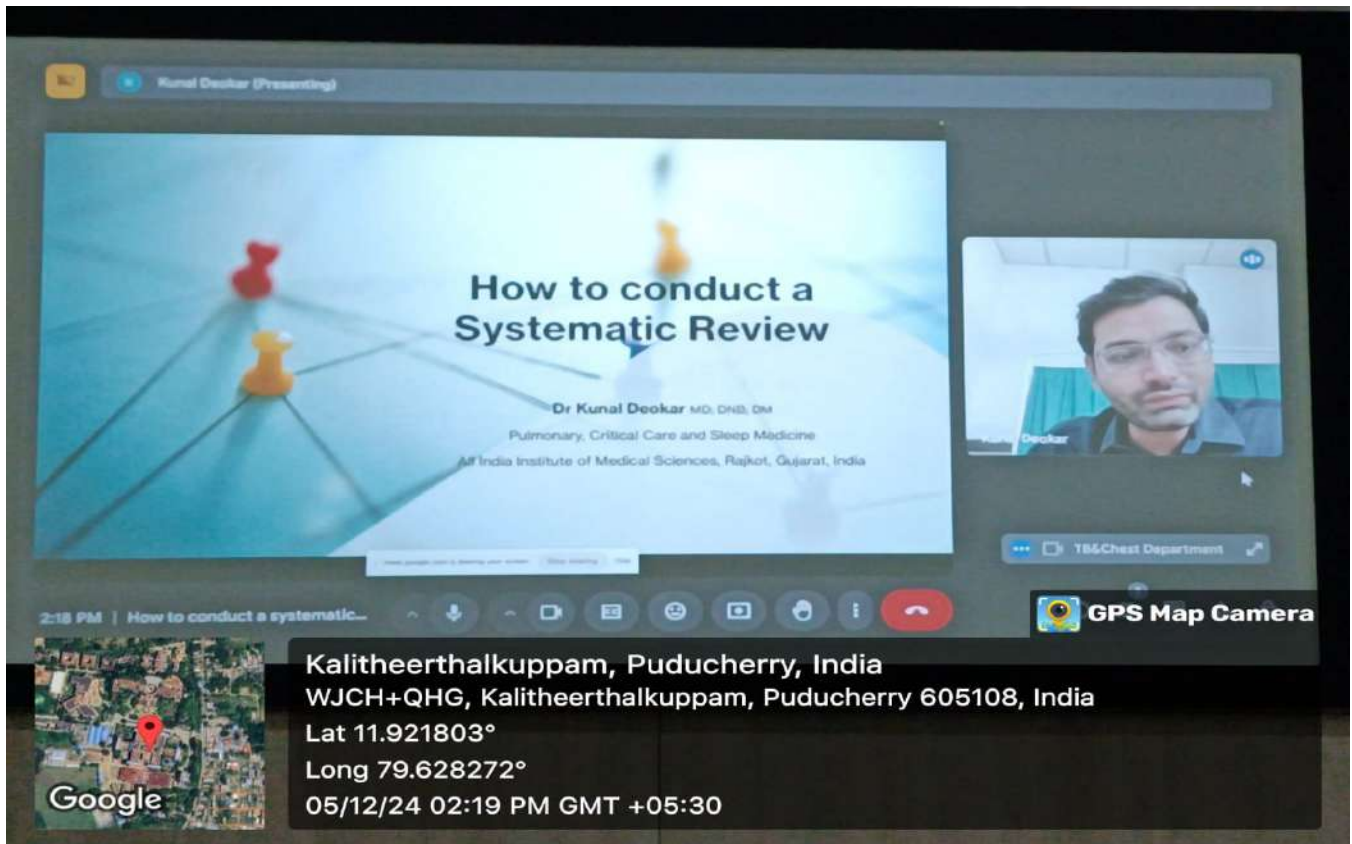

Participant Details: Post graduates form various departments & Interns

Programme Overview: Dr. Deokar began by explaining what systematic reviews are and how they differ from traditional reviews. He stressed their significance in synthesizing evidence to address specific clinical questions, providing a robust basis for decision-making and policy development.

Outcomes: 1. Increased knowledge & understanding of the systematic review process among Participants.
2. Enhanced critical thinking & Analytical skills among participants.

Way Forward/Conclusion: The webinar concluded with a vote of thanks to Dr. Deokar for his detailed and practical guidance and to the participants for their enthusiastic involvement.
