IIC CELEBRATION ACTIVITY

Institution's Innovation Council

Title: "Institution's Innovation Day"

Date: 13.11.2024

Organising Secretary: Dr.P.Sanjay

IIC - Student Coordinator: Adithya B

Time: 10.30 AM Onwards.

Objectives:

- To foster a culture of innovation and entrepreneurship among students and faculty.
- To provide insights into the latest trends in innovation and their applications in healthcare and other fields.
- To inspire students and faculty to engage actively in innovation-driven activities and projects.

Guest Speaker: Mr.Jeyakumar

Participant Details:

The session had a total participation of 300 Delegates of MBBS and MD/MS.

Programme Overview:

Welcome Address: Delivered by Dr. P. Sanjay, Organizing Secretary, highlighting the significance of innovation in education and healthcare.

Keynote Speech: Mr.Jeyakumar discussed about Innovation, shedding light on real-world examples and innovation success stories.

Interactive Session: Participants engaged in a Q&A session with the guest speaker, discussing challenges and opportunities in their respective fields.

Student Presentations: Select students presented their innovative projects and ideas, receiving constructive feedback from the speaker and faculty.

Closing Remarks: Adithya B, IIC Student Coordinator, summarized the day's proceedings and encouraged participants to take forward the ideas discussed.

Outcomes:

- Increased awareness about the Institution's Innovation Council and its initiatives.
- Inspiration among participants to pursue innovative projects and research.
- Strengthened collaboration between students, faculty, and innovation experts.
- Identification of potential projects for further development under the guidance of the Institution's Innovation Council.

Way Forward

- Establish regular mentorship programs to support students in developing their innovative ideas into viable projects.
- Organize follow-up workshops and training sessions focusing on practical skills for innovation and entrepreneurship.
- Plan for participation in national and international innovation contests to showcase the projects developed by students.
- Foster partnerships with industries and innovation hubs to provide real-world exposure and opportunities for students.
