## IIC Self Driven Activity – Research Week Celebration 2024

### Institution's Innovation Council

**Title: Research area for STS Projects in Microbiology**

**Date:** 04.12.2024 (Wednesday)

**Organising Department:** Microbiology

**Coordinator:** HOD community Medicine

**Time:** 8.30 am to 9.30 am

### Objectives:

- To inculcate interest in Research among student
- To share the topics of interest for Research in Microbiology
- To educate on ethics in research

**Guest Speaker: Dr. R. Udhaya Sankar**

### Participant Details:

The Department of Microbiology, Sri Manakula Vinayagar Medical College & Hospital, Puducherry conducted a lecture on **Research area for STS Projects in Microbiology** for students of II MBBS on 04.12.2024 as a part of **Research Week Celebration 2024**. A total of 204 students participated in the lecture. Dr. R. Udhaya sankar, Associate Professor of Microbiology, SMVMCH delivered the interactive session. This session was planned along with the Department of Community Medicine. Earlier in the session, faculties from CM department briefed the students regarding the road map to ICMR STS projects. The session was well received by the students.

**Outcomes:**

The lecture was well received. Students evinced been interest.

**Way Forward/Conclusion:**

Short term funded student research projects will be of immense benefit to inoculate aptitude for research among students
