IIC CELEBRATION ACTIVITY

Institution's Innovation Council

Title: National Youth Day (Youth as Catalyst for Innovation)

Theme: Elocution Competition-Youth as catalyst for Innovation

Organizing Secretaries: Dr. P.Sanjay IIC

- Student Coordinator: Deepak V

Time: 9 AM to 12.00.PM

Attendees – 250

Objectives:

1. Youth Empowerment Through Education and Technology:

Highlight how access to quality education and modern technology equips young people with the tools and skills to drive innovation in fields like technology, sustainability, and social entrepreneurship.

2. Encouraging Creativity, Problem-Solving, and Entrepreneurship:

Emphasize how the youthful mindset, characterized by creativity and a willingness to take risks, fosters a culture of innovation and entrepreneurship, allowing young people to challenge norms and create breakthrough solutions.

3. Building a Supportive Innovation Ecosystem:

Stress the importance of mentorship, funding, and platforms that support young innovators, enabling them to turn their ideas into impactful ventures and contribute to both local and global advancements.

4. **Promoting Inclusivity and Collaboration for Global Impact:**

Advocate for an inclusive approach to innovation, where youth from diverse backgrounds collaborate across borders to tackle global challenges, ensuring that innovation serves the broader community and benefits all.

Participant Details:

The competition had 9 participants from the phase-I of MBBS. The submissions were judged by distinguished judges in innovation, research and art.

Programme Overview:

The National Youth day was celebrated on 24.02.2025 with an Elocution competition. The participants were given 7 days for preparation. Nine participants from Phase-I of MBBS participated in the competition and were judged based on the Relevance to the theme, innovation, presentation and description. Two of the participants were chosen as Winner and Runner and were felicitated by the Head of the Institution.

Outcomes:

1. **Faster Technological and Social Progress:** Youth innovation accelerates solutions to global challenges like climate change and healthcare.
2. **New Job Creation and Startups:** Young innovators drive economic growth by creating new industries and job opportunities.
3. **Culture of Lifelong Learning:** Youth foster adaptability and continuous learning, preparing future generations for an evolving world.

4. **Inclusive Global Solutions:** Innovation from diverse youth brings inclusive solutions to global issues, bridging gaps in access and resources.
5. **Inspiration for Future Innovators:** Youth-driven innovation inspires future generations to think creatively and tackle global problems.

Way Forward:

Moving forward, the Institute Innovation Council will continue to conduct various day celebration activities and events for public perception of technology, and community engagement. Emphasis will be placed on fostering innovation, critical thinking, and entrepreneurship among students and faculty.
