Institution's Innovation Council

IIC Celebration Activity

INSTITUTION'S INNOVATION COUNCIL (Ministry of HRD Initiative)

Title: Poster Making Competition for National Technology Day

Theme: Technology Transforming Healthcare

Organizing Secretary: Dr. P. Sanjay, Dean Research, IIC-Convener

IIC Student Coordinator: Deepak V

Date & Time: 12.05.2025 (9.00 AM - 4.30 PM)

Venue: Digital Lab

Objectives:

1. To celebrate National Technology Day by engaging students in a creative digital competition.
2. To encourage innovative thinking and digital designing among students.
3. To provide a platform for expressing technological ideas through art and creativity.
4. To foster collaboration, competitive spirit, and technological awareness among budding medical professionals.

Participant Details:

The competition had 33 (17 teams) participants from all the phases of MBBS. The submissions were judged by a distinguished judge in technology and innovation.

Programme Overview:

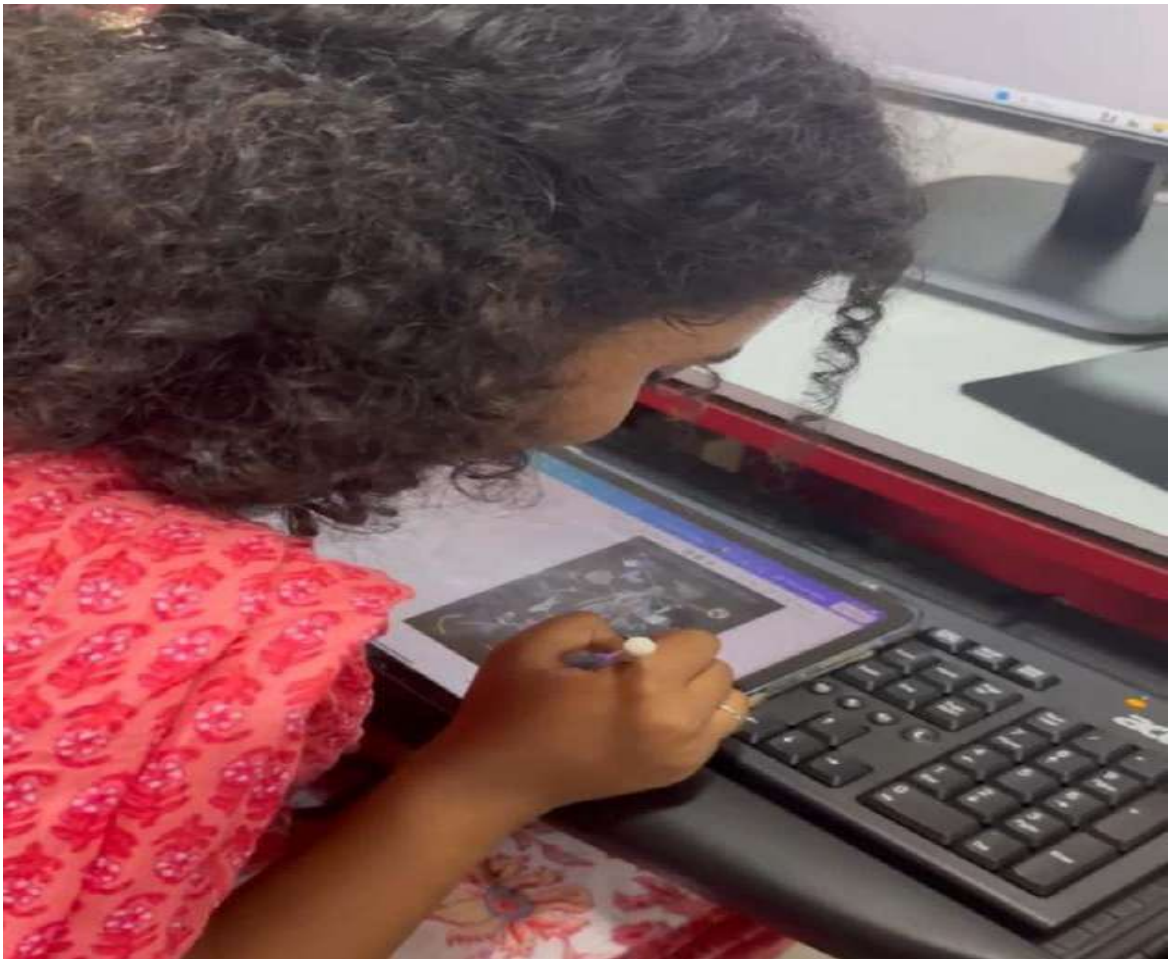
The National Technology Day was celebrated on 12.05.2025 with a poster making competition from 9 am to 4 pm at the Digital ab. The theme was announced on the spot, and participants were given 120 minutes to design and submit their digital posters using any tool of their choice. A total of 33 students from all phases of MBBS took part in the competition. Entries were judged on the based on relevance to the theme, creativity, innovation, presentation, and description. The winners and runners were honored by the college management, recognizing their outstanding performance and creative contribution.

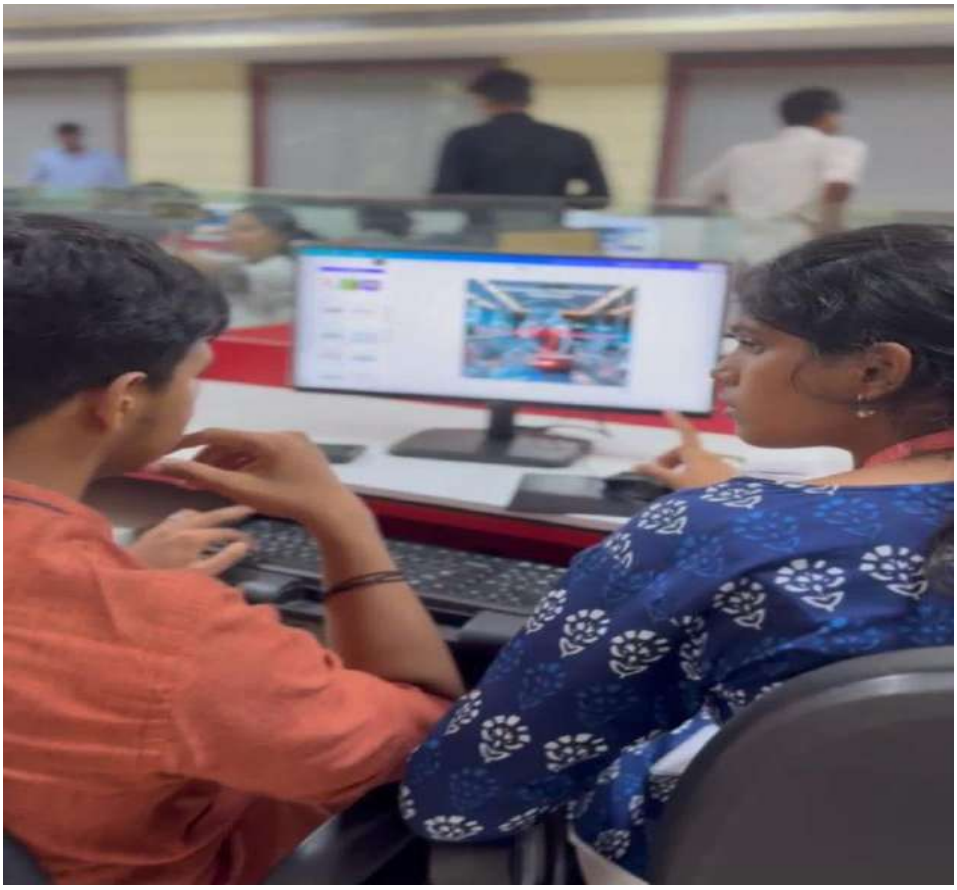
Outcome:

1. Participants gained hands-on experience in translating technological ideas into visual formats.
2. The event stimulated interest in technology-based thinking among medical students.
3. Enhanced digital literacy and team collaboration among the participants.
4. Provided a fun yet educational break from routine academics, fostering enthusiasm for technology integration in medicine.

Way Forward:

Moving forward, the Institute Innovation Council will continue to conduct various IIC Calendar Activities aimed to promote iinnovations, research, technology and eentrepreneurship.





TECHNOLOGIY TRANSFORMING HEALTH CARE

REVOLUTIONIZING PATIENT CARE

- Remote monitoring via wearable tech
- AI-assisted diagnostics
- Personalized treatment through genomics

IMPROVING ACCESSSBILITY

- Telemedicine for remote areas
- Health apps & virtual consultations
- 24/7 AI-powered health assistants

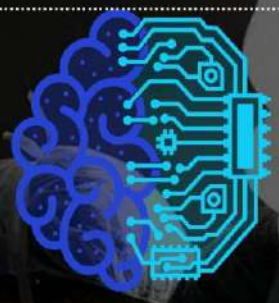
EMPOWERING HEALTHCARE PROVIDERS

- Electronic Health Records (EHRs)
- Eleat-time data access
- Robotic-assisted surgery

"The future of health care isn't in the future—it's happening now."

TECHNOLOGY TRANSFORMING HEALTHCARE

Innovation that saves lives and shapes future



AI & MACHINE LEARNING

Enhancing diagnostics and personalized treatment

TELEMEDICINE

Access care from anywhere at anytime

ROBOTIC SURGERY

Precision, safety and faster recovery

WEARABLE TECH

Real-time health monitoring and early alerts

SMARTER TECHNOLOGY

HEALTHIER LIVES
