### **IIC CELEBRATION ACTIVITY**

**Title:** World Entrepreneurship Day 2025-Quiz.

**Date:** 19-08-2025.

### **Objectives:**

- **Raise Awareness**  
Increase participants' understanding of entrepreneurship, its importance in economic development, and the impact of entrepreneurs globally.
- **Celebrate Entrepreneurs**  
Highlight the achievements and stories of successful entrepreneurs to inspire participants.
- **Encourage Innovation and Creativity**  
Motivate participants to think creatively and consider entrepreneurship as a viable career path.
- **Educate on Entrepreneurial Skills**  
Test and improve knowledge on essential entrepreneurial skills such as business planning, marketing, finance, and leadership.
- **Promote Networking**  
Provide a platform for participants to connect, share ideas, and possibly collaborate on future entrepreneurial ventures.

### **Participant Details:**

A total of 150 MBBS students actively participated in the World Entrepreneurship Day 2025 Quiz. The participants, representing various years of the medical program, demonstrated strong enthusiasm and

engagement throughout the event. The quiz provided a unique opportunity for these future healthcare professionals to explore entrepreneurial concepts and broaden their perspectives beyond traditional medical studies. Overall, the participation highlighted a growing interest among medical students in innovation and entrepreneurship.

### **Programme Overview:**

The World Entrepreneurship Day 2025 Quiz was organized to celebrate and promote entrepreneurial spirit among students, specifically targeting 150 MBBS participants. The event aimed to raise awareness about entrepreneurship, encourage innovative thinking, and inspire future leaders to explore opportunities beyond their core academic fields. The quiz consisted of multiple rounds covering key topics such as business fundamentals, innovation, leadership, and global entrepreneurial trends. Conducted in an interactive format, the programme fostered active participation, critical thinking, and healthy competition.

### **Outcomes:**

1. **Increased Awareness:** Participants gained a better understanding of entrepreneurship and its significance in today's economy.
2. **Enhanced Knowledge:** Students improved their knowledge of key entrepreneurial concepts, including innovation, business strategy, and leadership.
3. **Inspiration to Innovate:** The quiz inspired many MBBS students to think creatively about their future careers and consider entrepreneurial opportunities within healthcare.
4. **Skill Development:** Participants developed critical thinking, problem-solving, and decision-making skills through quiz activities.
5. **Engagement and Collaboration:** The event fostered a spirit of healthy competition and collaboration among students from different academic years.
6. **Positive Feedback:** Participants expressed increased motivation to explore further entrepreneurial education and activities.

### **Way Forward:**

Building on the success of the World Entrepreneurship Day 2025 Quiz, future initiatives will focus on deepening entrepreneurial learning and engagement among MBBS students. Plans include organizing workshops, mentorship programs, and incubation support to help students translate innovative ideas into

viable ventures, particularly in the healthcare sector. Collaboration with industry experts and successful entrepreneurs will be strengthened to provide practical insights and guidance. Additionally, integrating entrepreneurship modules into the medical curriculum can further nurture an entrepreneurial mindset. Continued efforts will aim to create a vibrant ecosystem where future healthcare professionals are empowered to become innovators and change-makers.

The poster is for an event titled "World Entrepreneurship Day 2025 Quiz". It is presented by SMVMCH - IIC. The event is an "IIC Celebration Activity" held on 19/08/2025 at Lecture Hall 2, from 2:00pm to 4:00pm. The convener is Dr. Sanjay.P (Dean Research) and the president is Dr. R. N. Kagne (Director).
