Dear delegates,

Bienvenue!! Greetings from SMVMCH!!

It's a pleasure inviting you to the French city of Pondicherry for an academic feast. Autoimmune disease is an easily overlooked diagnosis and its current prevalence represents only tip of an iceberg. This CME intends to offer you insights on autoimmune diagnostics and the interactive workshop will give hands on experience in IFA technique, appreciation of various IF patterns and its clinical interpretation.

Wish you all happy learning!

Dr. R. Gopal
