From

Date: 20.01.2020

Dr. Badrinath. A.K
Member, MBBS – Board of Studies,
Faculty of Medicine,
Pondicherry University, Puducherry.

To

Dr. Nanditha Banaji
Chairman, MBBS – Board of Studies,
Faculty of Medicine,
Pondicherry University, Puducherry.

Dear Madam,

Thank for sending the minutes of meeting for consideration and approval.

I have gone through chapter 6 (Assessment) draft in detail. I would like to bring to your kind notice that, in the para of Appointment of Examiner – Section – B, last sentence it is mention that “If required number of internal examiners are not available for practical examination, university would postpone the practical examination of that college”. Sometimes in unavoidable circumstances internal examiner may not be available, then instead of postponement of the practical examination of the college, another internal examiner of other college affiliated to Pondicherry University can be appointed as internal examiner and examination should be conducted.

Again, in Appointment of Examiner para clause no “I” (ii) under the heading Grace – Marks, it is mentioned, grace marks are not for supplementary examination, has to be deleted, as the grace marks are given to the candidate as a mercy for clearing the subject, and it doesn't matter whether it is main (or) supplementary examination as per the judgement of supreme court.

Thanking you,

Yours Faithfully,

A.K. Badrinath

Research (Deemed to be University)
Porur, Chennai – 600 116.

Leave of absence was recorded in respect of Prof. K.Mohanan, Prof. Henry Prakash, Dr.Babu Palatty.

The Chairman, Dr. S. Anandan, Dean, Medical College welcomed the members and thanked the external experts for their presence. He stated that the meeting of the PG Board has been convened to consider the MCI "Guidelines for Competency Based Postgraduate Training Program" hosted at the MCI website. The MCI has also hosted in its website the "Competency Based UG Curricula", mentioning that this UG curricula will come into effect from the academic year 2019-20. However, the MCI has not mentioned the same with respect to the Competency Based PG curricula. The communication has been sent to MCI regarding this matter.

Agenda No.1: To consider and recommend the draft regulations and syllabus for the following Postgraduate M.D. programs in Medicine (Clinical) as per MCI 'Guidelines for Competency Based Postgraduate training program':-

- | | |
|--|--------------------------------|
| i. M.D. General Medicine | vi. M.D. Psychiatry |
| ii. M.D. Paediatrics | vii. M.D. Respiratory Medicine |
| iii. M.D. Anaesthesiology | viii. M.D. Sports Medicine |
| iv. M.D. Radio-Diagnosis | ix. M.D. Emergency Medicine |
| v. M.D. Dermatology, Venereology & Leprosy | |

Dr.S.Anandan stated though the MCI is yet to specify the academic year from which the Competency Based Postgraduate Curricula would come into effect, it is thought ideal to be in a state of preparedness for launching the curricula for the Postgraduates. Hence the meeting of the Board of Studies was convened to get the valuable inputs from the members. He then invited the Vice-Chancellor to offer his remarks.

Dr. P.V. Vijayaraghavan, Vice-Chancellor, stated that the MCI has framed the Guidelines for Competency Based Curricula, which is practiced in all advanced countries. He informed the Board that several faculty members from Sri Ramachandra, including himself, were involved in framing the competency based PG curricula, with well defined goals and objectives, program and course outcomes and the competencies that PGs would be able to acquire at the end of the course/program. There are also well defined formative and summative assessment guidelines for the medical colleges to follow. He suggested that as preparatory work has already been done by SRIHER (DU) regarding developing new competency based curriculum (as adapted from the MCI Competency Based PG curricula), this should be implemented for students admitted in the academic year 2019-20 and thereafter. When the Board of Governors of MCI notifies the Competency Based PG Curricula, SRIHER (DU) will review and adopt as necessary.

The Chairman then invited the members to offer their valuable suggestions. He invited the HoDs of each department to present the Regulations and Competency Based PG Curricula:-

i. M.D. General Medicine

The Chairman invited Dr.Preetam Arthur, Professor & Head, Dept. of General Medicine to present the Regulations and Competency Based Curricula for **M.D. General Medicine**. He presented the draft curriculum and training program. The Chairman then invited the external member Dr.K.N.Viswanathan, Senior Professor, Dept. of General Medicine, P K Das Institute of Medical Sciences for his opinion and comments on the competency based curriculum.

3

DEAN
SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE AND HOSPITAL
KALDHEERTHUR, CHENNAI
MADAGADIPET, PUDUCHERRY-605 007.

During suggestions Dr.S.Anandan pointed out that as per the guidelines for the competency based curricula available on the MCI website the examination for Paper-I will be held at the end of first year and for other three theory papers examinations will be held at the end third year. In the curricula proposed at this meeting it has been recommended that all postgraduates will appear for the final exam for all the four theory papers only at the end of third year. This is in uniformity with the pattern followed by all other postgraduate MD / MS programs. After due notification of the postgraduate competency based curricula by the Board of Governors of MCI, any changes will be made, if required.

The following suggestions were given by the members:-

1. To include posting in departments of Hepatology and Rheumatology for 15 days each in the second year of the training.
2. To introduce 4 semi long cases instead of 1 long case and 3 short cases in the practical examination.

The Board members recommended approval of the curriculum presented.

ii. M.D. Paediatrics

The Chairman invited Dr.L.N. Padmasani, Professor, Dept. of Paediatrics to present the Regulations and Competency Based Curricula for **M.D. Paediatrics**. She presented the draft curricula and the training program. The Chairman then invited the external member Dr. Niranjan Biswal, Professor & Head, Dept. of Paediatrics, JIPMER, Puducherry for his opinion and comments on the competency based curriculum. Dr. Niranjan Biswal suggested to consider the possibility of elective in the second year of the training program.

He also suggested that the following books also be included in the recommended book list.

1. O.P. Ghai Textbook of Paediatrics
2. Meharban Singh Clinical methods in Paediatrics
3. Dr.A.Parthasarathy IAP Text book of Paediatrics

The Board members recommended approval of the curriculum presented.

iii. M.D. Anaesthesiology

The Chairman invited Dr. Aruna Parameswari, Professor & Head, Dept. of Anaesthesiology to present the Regulations and Competency Based Curricula for **M.D. Anaesthesiology**. She presented the draft curriculum and training program. The Chairman then invited the external member Dr. Pankaj Kundra, Professor & Head, Dept. of Anaesthesiology and Critical Care, JIPMER, Puducherry for his opinion and comments on the competency based curriculum. It was suggested to include simulators in the teaching learning methods. Dr.Aruna Parameswari agreed to consider the same.

After discussion the Board members recommended approval of the curriculum presented.

iv. **M.D. Radio-Diagnosis**

The Chairman invited Dr.P.M.Venkata Sai, Professor & Head, Dept. of Radiology to present the Regulations and Competency Based Curricula for **M.D. Radio-Diagnosis**. He presented the draft curriculum and training program. He also highlighted the needs of adequate knowledge in physics relating to radio-diagnosis and reiterated that it was necessary for these students to be evaluated in physics relating to radio-diagnosis in the first year itself.

After discussion, it was suggested that a thorough knowledge is required for the postgraduate students '**Physics of Radiological and Imaging equipment, Radiographic Anatomy and procedures**' may be conducted and assessed internally by the department at the end of the first year.

The Board recommended for the subject, 'Physics of Radiological and imaging equipment, Radiographic Anatomy and procedures', written/practical/oral examinations can be conducted and assessed internally by the department at the end of the first year of the Program for the batch of students to be admitted to the M.D. Radio-Diagnosis from the academic year 2019-20 onwards.

The Board members recommended approval of the curriculum presented.

v. **M.D. Dermatology, Venereology & Leprosy**

The Chairman invited Dr.S.Murugan, Professor & Head, Dept. of Dermatology, Venereology & Leprosy to present the Regulations and Competency Based Curricula for **M.D. Dermatology, Venereology & Leprosy**. He presented the draft curriculum and training program. The Chairman then invited the external member Dr. Raghurama Rao, (Former Professor & Head, Dept. of Dermatology, Andhra Medical College) for his opinion and comments on the competency based curriculum. He suggested to include 15 days postings each in the departments of Rheumatology and Plastic Surgery in the second year of the training program.

Dr.S.Murugan, Dr.Raghurama Rao agreed with Dr.S.Anandan suggestion that the examination on 'General Medicine' at the end of the first year was required. It was agreed that this could be an internal examination conducted and assessed by the department.

The Board recommended for the subject, 'General Medicine' written/practical/oral examinations can be conducted and assessed internally by the department at the end of the first year of the Program for the batch of students to be admitted to the M.D. Dermatology, Venereology & Leprosy from the academic year 2019-20 onwards.

The Board members recommended approval of the curriculum presented.

5. DEAN
SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE AND HOSPITAL
KALITHEERTHOL KUPPAM,
MADAGADIPET, PUDUCHERRY-605 107.

vi. M.D. Psychiatry

The Chairman invited Dr. R. Sathianathan, Professor & Head, Dept. of Psychiatry to present the Regulations and Competency Based Curricula for **M.D. Psychiatry**. He presented the draft curriculum and training program. The Chairman then invited the external member Dr.M.Malaiappan, Professor & Head, Dept. of Psychiatry, Kilpauk Medical College for his opinion and comments on the competency based curriculum. Dr.M.Malaiappan suggested to revise the practical examination and Dr.Sathianathan agreed the same.

The Board members recommended approval of the curriculum presented.

vii. M.D. Respiratory Medicine

The Chairman invited Dr. C. Chandrasekar, Professor & Head, Dept. of Respiratory Medicine to present the Regulations and Competency Based Curricula for **M.D. Respiratory Medicine**. He presented the draft curriculum and training program. The Chairman then invited the external member Dr. R. Sridhar, Professor & Head, Dept. of Respiratory Medicine, Stanley Medical College for his opinion and comments on the competency based curriculum. Dr.R.Sridhar concurred the curriculum presented. After discussion the Board members recommended approval of the curriculum presented.

viii. M.D. Sports Medicine

The Chairman invited Dr.K.A.Thiagarajan, Assoc. Professor, Dept. of Arthroscopy & Sports Medicine to present the Regulations and Competency Based Curricula for **M.D. Sports Medicine**. He presented the draft curriculum and training program.

The Board members recommended approval of the curriculum presented.

ix. M.D. Emergency Medicine

The Chairman invited Dr. T.V.Ramakrishnan, Professor & Head, Dept. of Emergency Medicine to present the Regulations and Competency Based Curricula for **M.D. Emergency Medicine**. He presented the draft curriculum and training program.

The Board members recommended approval of the curriculum presented.

After all the HODs presented their respective Regulations and syllabi and after hearing the views of the external experts, the board unanimously resolved that :-

1. All Postgraduates should be sensitized about the PG Competency Based Curricula, Program Outcomes (POs) and Course Outcomes (COs) during orientation.

- The suggestions made by the members of the Board during the meeting and received by email be incorporated in the regulations and syllabus before placing to the Academic Council for approval.

The BOARD RESOLVED to recommend approval of the Competency Based Curricula for all Postgraduate MD programs (Clinical) to take effect for students to be admitted in the academic year 2019-20 onwards with the proviso that any changes/ modifications that may be notified by the Board of Governors of MCI, be suitably incorporated / adopted in the regulations and syllabus.

Any Other Matter with permission of the Chair:

1. Question Paper Pattern for Postgraduate MD programs in Medicine (Clinical)

The Board unanimously considered the Question Paper Pattern for theory papers as indicated below:

Paper	QUESTION PAPER PATTERN FOR THEORY EXAMINATIONS	MARKS
1.	10 Short Essays 10x10 = 100 marks	100
2.	10 Short Essays 10x10 = 100 marks	100
3.	10 Short Essays 10x10 = 100 marks	100
4.	10 Short Essays 10x10 = 100 marks	100
	TOTAL	400

The BOARD RESOLVED to recommend the revised Question Paper Pattern to take effect from the University examinations to be held in April, 2020 session onwards (i.e., for the batch of students admitted in the academic year 2017-18 and thereafter).

2. M.D. General Medicine:

Revised PRACTICAL/CLINICAL EXAMINATIONS

CLINICAL				VIVO - VOCE			
Semi Long Case 1 including investigation & management	Semi Long Case 2 including investigation & management	Semi Long Case 3 including investigation & management	Semi Long Case 4 including investigation & management	Pedagogy	ECG & Imaging	Log Book	Chart
40	40	40	40	10	10	10	10
TOTAL = 160 marks				Total = 40 marks			
GRAND TOTAL = 200 MARKS							

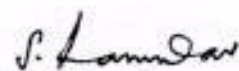

Out of the 40 marks allotted to each semi long case, 30 marks will be for case presentation (history and examination) and 10 marks for investigation and management pertaining to the case.

The BOARD RESOLVED to recommend the practical examination Pattern to take effect from the University examinations to be held in April, 2020 session onwards (i.e., for the batch of students admitted in the academic year 2017-18 and thereafter).

3. Panel of Examiners:

The Controller of Examinations brought to the attention of the Board that the panel of examiners has to be approved by the Academic Council. She therefore, requested that all HODs to submit to the Controller of Examinations an updated list of examiners (who are holding the position not below the rank of Associate Professors) in the prescribed proforma. The members agreed to send the same.

Dear Sir,

Sub: Pondicherry University – Nomination as member to the Academic Council – Reg.

I am glad to inform that the Vice Chancellor of Pondicherry University has been pleased to nominate you in the capacity as the Director, Sri Manakula Vinayagar Medical College and Hospital, Puducherry (under Statute 13 (1) (v) of Pondicherry University) as a member of the Academic Council of the Pondicherry University for a term of three years from 11.03.2021 or until the date of holding the post of Director or until the date of attaining superannuation whichever is earlier.

I have great pleasure in welcoming you to our Academic Council as its member.

A formal letter of acceptance may kindly be sent at the earliest.

With regards,

Yours faithfully,

B. Chithra
