Dear Suguna Elayaperumal

Commonwealth Distance Learning Scholarships 2018

I am writing to congratulate you on your selection for a Commonwealth Distance Learning Scholarship, which will support your studies for the degree of MSc in Palliative Medicine for Healthcare Professionals, offered by Cardiff University.

On behalf of the Commission, I am pleased to issue this Notification of Award which sets out the conditions of your scholarship and which provides other information that I hope you will find useful. To accept your scholarship please sign and return the attached acceptance form to your university contact to confirm that you accept the terms and conditions of your award.

You are now part of a community of over 27,000 people who have held a Commonwealth Scholarship or Fellowship since 1959. Commonwealth Scholarships support talented and motivated individuals who have the potential to make change. Your Commonwealth Scholarship is funded by the UK Department for International Development (DFID), with the aim of enabling you to gain the knowledge and skills required for sustainable development.

During and after your award, we will also ask you at various times for information about your progress, and what impact your award has had; we have already sent you a short survey by email as the first part of this process. Please make the most of these opportunities, and reply to such requests promptly. Please help us to publicise the scheme, too, by describing yourself as a 'Commonwealth Scholar' wherever possible. The more evidence and ambassadors that we have for the scheme, the stronger our case for ensuring that it continues to receive support.

You are a Commonwealth Scholar for life and we hope that you will stay involved with the Commonwealth Scholarships community as an active alumnus. Through our alumni network you will have the opportunity to build contacts with a diverse range of Scholars in your home country and across the Commonwealth, to support your work and development impact goals. Further details on this are available on the CSC website: <http://cscuk.dfid.gov.uk/alumni/>

I speak on behalf of the Commonwealth Scholarship Commission when I wish you every success during what we hope will prove to be an enjoyable and exciting few years.

Yours sincerely

NAIVASHA MWANJI

Disability Declaration

The CSC is committed to a policy of equal opportunity and non-discrimination. You are asked below to declare whether you have a disability and if you are likely to need any special provision during your award. You are encouraged to disclose any disabilities at this early stage. This is to provide the CSC and your university with a clear picture of your needs. Any sensitive personal data that you provide will be handled with maximum discretion.

If you tick yes, you will be sent a disability questionnaire by the CSC to complete. This is optional, but you are strongly encouraged to complete it. The information provided on this questionnaire will be used to establish if you are likely to require any additional support to complete your studies. The questionnaire will also ask your permission for the CSC to discuss your needs with your university.

Once we receive the questionnaire, the CSC will decide if any action needs to be taken. This may include, but is not limited to, liaising with your university (if you have given us permission to do so); liaising with you on any preparations you need to make before you start your studies; assessing any equipment you may need to assist your studies; discussing any support you require to attend exams or residential programmes as part of your studies.

Do you have a long-term physical, mental or sensory impairment that has a significant impact on your ability to carry out day to day tasks?

Brief Summary	<p>The current pandemic of Covid-19 has shaken the entire world. In spite of various scientific researches and technological advancements exact treatment to cure the disease is yet to be discovered. Ayurvedic medicine NOQ 19 is a polyherbal formulation that has immunomodulating and immune enhancing properties. This drug is licensed by Drug licensing authority, Department of AYUSH, Government of Karnataka. The present randomized, double blind, placebo controlled, multi-centric trial is planned to determine the therapeutic efficacy of Ayurvedic medicine NOQ19 in treatment of symptomatic COVID-19 patients along with standard allopathic treatment. Six medical institutes providing Covid 19 care will be involved in conducting this trial. From each center 60 covid positive patients admitted in the hospital in the age group 18-65 years will be recruited and randomized into treatment and control arm. Following randomization 30 of them will be given Ayurvedic medicine NOQ 19 along with standard treatment and other 30 will receive placebo plus standard treatment. The follow up period will be 7 days. Outcome measures that will be assessed are time to become SARS CoV2 RT PCR negative, reduction in symptoms and duration of hospital stay. Apart from this the blood samples will be collected on day 0, day 3, day 5 and day 7 to measure CBC, RBS, KFT, LFT, D Dimer, S Ferritin, IL6, HsCRP, LDH. Chest X ray will be done if indicated.</p>

Sub: Participation by Community Medicine Department in verification of Sub-national claims for 'TB Free' status in India

Dear Sir/Madam,

Greetings from ICMR-NIE!

Government of India has resolved to end Tuberculosis (TB free) in India by 2025. To achieve that goal, the Ministry of Health & Family Welfare, Government of India has developed a sub-national TB free certification process. An important step in the sub-national TB free certification process is validation of claims of reduction in TB incidence at District/State/UT level.

As per the decision by Central TB Division, Govt. of India, National Institute of Epidemiology (NIE), ICMR has been identified as the independent verification agency for Sub-national certification of TB elimination efforts along with Indian Association of Preventive and Social Medicine (IAPSM) and World Health Organization (WHO). This year, TB free claims have been received from 67 districts, 1 state and 2 UTs.

Department of Community Medicine of your esteemed institute has been assigned this validation exercise along with other stakeholders in the district where the Medical College is located or the allotted nearby district (list enclosed). The faculties & PG students have to train field teams, undertake supervision of field work, verify secondary data, conduct qualitative interviews and submit a report. All expenditure will be borne out of the budget provided for this purpose by CTD to IAPSM.

You are requested to kindly consider the period of their engagement in the verification process in the month February & March 2021 as 'on duty'.

Thank you and with regards,

Sincerely,

[Dr. Manoj Murhekar]

Dear Suguna Elayaperumal

Commonwealth Distance Learning Scholarships 2018

I am writing to congratulate you on your selection for a Commonwealth Distance Learning Scholarship, which will support your studies for the degree of MSc in Palliative Medicine for Healthcare Professionals, offered by Cardiff University.

On behalf of the Commission, I am pleased to issue this Notification of Award which sets out the conditions of your scholarship and which provides other information that I hope you will find useful. To accept your scholarship please sign and return the attached acceptance form to your university contact to confirm that you accept the terms and conditions of your award.

You are now part of a community of over 27,000 people who have held a Commonwealth Scholarship or Fellowship since 1959. Commonwealth Scholarships support talented and motivated individuals who have the potential to make change. Your Commonwealth Scholarship is funded by the UK Department for International Development (DFID), with the aim of enabling you to gain the knowledge and skills required for sustainable development.

During and after your award, we will also ask you at various times for information about your progress, and what impact your award has had; we have already sent you a short survey by email as the first part of this process. Please make the most of these opportunities, and reply to such requests promptly. Please help us to publicise the scheme, too, by describing yourself as a 'Commonwealth Scholar' wherever possible. The more evidence and ambassadors that we have for the scheme, the stronger our case for ensuring that it continues to receive support.

You are a Commonwealth Scholar for life and we hope that you will stay involved with the Commonwealth Scholarships community as an active alumnus. Through our alumni network you will have the opportunity to build contacts with a diverse range of Scholars in your home country and across the Commonwealth, to support your work and development impact goals. Further details on this are available on the CSC website: <http://cscuk.dfid.gov.uk/alumni/>

I speak on behalf of the Commonwealth Scholarship Commission when I wish you every success during what we hope will prove to be an enjoyable and exciting few years.

Yours sincerely

NAIVASHA MWANJI
Programme Officer

on behalf of
DR JOANNA NEWMAN MBE FRSA
Executive Secretary

A South Asia Regional Centre for Faculty Leadership Development in Medical Education

To,
The Dean
Sri Manakula Vinayagar Medical College and Hospital
Puducherry.

16.06.2018

Dear Sir/Madam,

Thank you for nominating Dr. Vinayagamoorthy Venugopal to attend the PSG-FAIMER Regional Institute and for enabling him to attend Session One of the Fellowship Program from 10th to 16th June, 2018 at PSG Institute of Medical Sciences & Research, Coimbatore.

Dr. Vinayaga was one of 16 middle and senior level Academicians selected from over 47 applicants from all over India and neighboring countries for this highly competitive fellowship program. He actively participated in Session One and has returned to your institution to complete Session Two, which entails a year-long workplace based learning on his proposed project for your institution. He will subsequently return to Coimbatore next June to attend Session Three, and then again return to your institution to complete the project during final Session Four.

During the program, Dr. Vinayaga learned about several aspects of Health Professions Education, including the development of education methods, leadership and management skills, and professional networks. We believe that upon completion of the program, Dr. Vinayaga will have the capacity to design, implement and evaluate curriculum change as well as to organize workshops and symposia on Health Professions Education for faculty in your institution.

Attached is an outline of "Requirements for Certification for FAIMER Fellowship" which reflects responsibilities to be fulfilled during the FAIMER fellowship by Dr. Vinayaga, which he can complete with your support at your medical school.

FAIMER is committed to promoting international medical education and building a South Asia regional community of medical educators with the aim of improving healthcare delivery worldwide.

We look forward to Dr. Vinayaga's continued participation in the program and expect your continuing support to the project directed towards improving students learning. If you have any further questions about Institute 2018 or FAIMER, please feel free to contact Dr. Thomas V Chacko, Director, PSG-FAIMER Regional Institute at drthomasvchacko@gmail.com & Dr. Sudha Ramalingam, Co Director, PSG FAIMER Regional Institute at drsudhapse@gmail.com.

Dear All,

With all your support, co-operation and guidance, we will be successfully completing the intervention in our Global Fund IR TB project by 15th January 2018. I have been asked by NIRT to attend the review workshop in Chennai on 24 and 25th January 2018. So it would be better to complete our third internal review meeting before that.

As per our discussion, SMVMCH will be hosting the third review meeting of our project on 12th January 2018 [Friday] between 11 am and 2 pm. I kindly request Dr. Kalaiselvan sir and his team to take care of the local venue and food arrangements. Transport facilities will be arranged to pick you from your respective places to SMVMCH and drop you back. Please give your requirements to me.

The agenda of the meeting will be as follows:

1. Presentation of the overall progress of the project by the PI
2. Presentation of the individual site performance by the field workers
3. Discussion - Strengths, limitations and way forward (All investigators, RNTCP staff & field workers)

So, we cordially invite you all to participate along with your RNTCP staff and make it a fruitful exercise.

I hope that with all your continuous support, we can surely achieve the objectives of our project.

Looking forward to meet you all.

Warm Regards

Stalin

CERTIFICATE OF ATTENDANCE

17.06.2018

To

Dean /Principal
Sri Manakula Vinayagar Medical College and Hospital,
Kalitheerthalkuppam, Madagadipet - 605107 Pondicherry - India

* Dear Sir/Madam,

Thank you for permitting Dr. Suguna E. to attend the third onsite PSG-FAIMER Regional Institute (session 5) program from 17th June 2018 at PSG Institute of Medical Sciences & Research, Coimbatore.

Dr. Suguna has now completed the two-year FAIMER Institute Fellowship Program

During the three on-site sessions at Coimbatore and two year-long inter-session at the home institution implementing the project as well as seven month-long focused discussion in Mentor-Learner Web discussions, Dr. Suguna learned about several aspects of medical education, including Good Teaching Practices, Educational Research and program evaluation, leadership and management skills, and professional networks. Dr. Suguna now has the capacity to design, implement and evaluate curriculum change, as well as to organize workshops and symposia on medical education for faculty in your institution.

Our evaluation of past FAIMER Fellow Professional Development Portfolios indicate that soon after the completion of FAIMER Institute Fellowship, their expertise has been used by their home institution by assigning them with higher academic responsibilities leading to improved student learning.

FAIMER is committed to promoting international medical education and building a South Asia regional community of medical educators with the aim of improving healthcare delivery worldwide.

We look forward to Dr. Suguna's continued participation in the program as a co-mentor for other FAIMER Fellows and expect your continuing support to the sustaining of the project directed towards improving students learning. If you have any further questions about FAIMER Institute Program or FAIMER, please feel free to contact me at drthomasvchacko@gmail.com & Dr. Sudha Ramalingam, Co Director, PSG FAIMER Regional Institute at drsudhpsg@gmail.com.

URGENT UPDATE

To: Dr Anand Muthiah

Re: Application for WFPI Observership

Dear Dr. Muthiah:

We are writing to update your status. The 1st ranked candidate for this Pediatric Radiology observership is unable to accept because of a family emergency. Since you were the next ranked candidate, we now extend the offer to you to participate in the WFPI Pediatric Radiology Observership program at the Postgraduate Institute of Medical Education and Research (PGIMER), in Chandigarh.

As stated in the original announcement, the Observership was scheduled to begin on March 1, 2020 and extend to May 31, 2020. Given the shortness of time, we are happy to work with you to adjust those dates.

Your contact to make local arrangements at PGIMER is Prof. Kushaljit Singh Sodhi, MD, PhD, MAMS, FICR, Professor, Department of Radiodiagnosis. Professor Sodhi can be reached at his email (sodhiks@gmail.com) and we have copied him on this letter. In meantime, our understanding is that he intends to reach out to you directly. Once we have confirmation, our staff will follow-up with you to make the arrangements to transfer the award funds during the first week of your Observership.

I am happy to report that due to generous support from the William Shiels Memorial Foundation at Nationwide Children's Hospital in Columbus, Ohio, US, this Observership is now named The WFPI - Shiels Pediatric Radiology Observership. To learn more about Dr. William Shiels, visit the Observership web-page which had been updated to include this information.

On behalf of the World Federation of Pediatric Imaging Executive Council, and the members of our constituent Societies, I again extend congratulations to you on your success. We look forward to hearing from you.

Sincerely,

Dear Dr Premjith R

We are pleased to inform you that your thesis title "Prevalence of scabies and its socioeconomic as well as environmental determinants among rural population of Tamil Nadu" guided by Dr K Karthikeyan been selected for PG thesis grant 2019. Kindly go through the following instructions and send the required documents for further processing.

1. Budget sanctioned is Rs. 14,250. As mentioned in the announcement, this could be used only to cover costs incurred for consumables, private laboratory investigations and contingencies as mentioned in your final revised protocol. No remittance for instruments, patient allowance, manpower requirement, shall be permitted. Please note if any change in the fund requirement under different heads is required, you will have to take approval of the Academy stating (with proof) the reasons thereof.
2. If not sent previously, please send in the ethical clearance certificate and CTRI registration proof. Please note that the funds (1st instalment) shall be disbursed only after a copy of these have been received by us.
3. The grant will be directly remitted to you with intimation to your guide.
4. Fifty percent of the sanctioned grant shall be released when we receive all documents, and 50% after completion and submission of report with copy of bills (counter-signed by guide), utilization certificate and synopsis of thesis. It is imperative that all bills have to be counter-signed by the guide.
5. Please also note that in case the completion report is not submitted, the pending amount of 50% shall not be released. And the guide will have to submit report in lieu of post graduate in case the post graduate fails to do so. If the latter is not done, the guide will not be eligible to apply for the thesis grant again.
6. Publication of the thesis as a research paper is mandatory and should be sent for publication within 1.5 years after thesis completion.
7. The grant rules mandate, that If you are unable to complete the thesis, the post graduate has to refund the 50% amount. This is the liability of the postgraduate alone.
8. If the postgraduate fails to refund the grant money in case of non-completion of thesis a penalty shall be levied when he/she applies for becoming a life member of the IADVL association.
9. If not sent, please send an undertaking signed by you, your guide and all co-guides that the proposed thesis is their original study plan and there are no conflicts of interest. State other sources for financial assistance, if any, for the same.
10. To increase the scope of the grant, the Guide will not be eligible for 3 years after receiving the grant.
11. Please send in a mail confirming your acceptance of the grant and furnish Bank details: Name of the bank, Account No, Name of account holder, Branch address, IFSC code and send them along with required documents (if any) to iadvlpgthesisgrant@gmail.com and academy@iadvl.org.

Please feel free to contact us for any clarification at iadvlpgthesisgrant@gmail.com.

Dear IDS Members,

Welcome to the 5th issue of our new IDS newsletter!

Since our last newsletter, the IDS and many of our members enjoyed each other's company and shared a lot of scientific news within the field of dermoscopy at the 28th EADV Congress, which was held in Madrid, Spain on October 9-13.

The IDS Board members who were present also held an informal meeting together with the Editorial board of our official scientific journal *Dermatology Practical and Conceptual* hosted by Editor Prof. Giuseppe Argenziano.

We would also like to take this opportunity to announce and congratulate the recipients of our first IDS Research Seed Grants:

- **Ayelet Rishpon**, Memorial Sloan Kettering Cancer Center NYC, NY, USA
- **Philipp Weber**, Medical University Vienna, Austria
- **Bibush Amatya**, Nepal Medical College, Attarkhel, Jorpati, Kathmandu, Nepal
- **V. Kaleeswaran**, Sri Manakula Vinayagar Medical College and Hospital, Pondicherry, India

On the following pages, you will also find important news including:

- Upcoming **activities & events**.
- Links to our latest **podcasts**.
- Our **active studies** that you can still be a part of.
- The highlights of the **latest issue** of our official journal *Dermatology Practical & Conceptual* (*DPC Journal*).
- Updates on **local events and courses**.

As always, don't forget to visit Dermoscopedia.org to learn more about dermoscopy and follow us on [Facebook](#) and [Twitter](#). We wish you all happy reading and hope to meet many of you in Denver, Colorado during the AAD!

DERMATOLOGY PRACTICAL & CONCEPTUAL

Latest Issue · November 2019
Highlights from the Editor-in-Chief

The double open-access DPC journal is the IDS' official journal and we have recently introduced the tradition of having our Editor-in-Chief, Prof. Giuseppe Argenziano, provide our members with a brief and critical introduction to the latest issue, which was published in October 2019.

We are happy to highlight some very interesting papers appearing in our latest issue, which contains quite a nice number of review papers, research articles and beautiful letters concerning special cases observed by our editors and IDS members.

First, we have a beautiful article written by the Bologna group which is very passionate about hair disorders. They have compiled an excellent study on alopecia areata incognita and diffuse alopecia areata showing how dermoscopy can be helpful in their differentiation, since distinguishing them clinically can be difficult.

The second paper we would like to mention is an observational study on the dermoscopic and histopathological correlation of eccrine poroma. As you already know, eccrine poroma is a great simulator of many tumors, so by getting to know more about these tumors we will become more skilled in the diagnosis of these benign tumors.

The third paper is an amazing review paper by Sidharth Sonthalia et al. with an update on the expanding indications and future prospects of dermoscopy. The paper highlights the application of dermoscopy in the fields of general dermatology, inflammatory diseases, infectious diseases and more. So, we can proudly say that the dermoscope has truly become the dermatologist's stethoscope.

Finally, we would also like to recommend another review article called "Sun exposure: beyond the risks". It speaks of the positive effects of sun exposure on a variety of health conditions. Sun exposure has proven to be beneficial for lymphomas and other cancers (e.g. pancreatic, prostatic, colorectal and breast cancer), arterial hypertension and many more other diseases. The paper concludes that moderation in terms of sun exposure should be recommended instead of strict and total avoidance.

For more information, follow us on our social media pages ([Facebook](#) and [Twitter](#)) where you will be informed on a regular basis! Until the next issue, we hope you will enjoy our latest one!

Warm regards from the DPC team,

Dear Dr. Shivayogappa Teli,

We are pleased to inform you that you have been selected for the two – year PSG-FAIMER Institute Fellowship program for the years 2019-2021. We welcome you to the FAIMER Institute first onsite session which starts at Coimbatore from 9th to 15th June 2019.

The FAIMER Fellowship will take care of your tuition, soft copies of course materials and lunch. However, kindly note that you have to bear the cost of your own travel and accommodation due to funding policy change by FAIMER Foundation towards self-sustenance from last year onwards. We could assist you in identifying a suitable accommodation depending on the extent to which you or your institution can support you. We have attached a list of available accommodation options with the cost to enable you with an informed choice. Please respond at the earliest to reserve your accommodation.

Please sign and send your acceptance (format attached) of the offer immediately by email to drsudhafaimer@gmail.com, drthomasvchacko@gmail.com and psg.faimer@gmail.com as well as by post on or before 12th, April 2019.

Please note that your acceptance letter should reach us by the stipulated date, otherwise the position will be offered to other applicants in the waiting list.

We appreciate your interest in the FAIMER Educational Leadership Fellowship program and hope that it will be a satisfying experience for both you and your home institution. In case you need any other information, you can contact Dr Sudha Ramalingam, Co-Director PSG FRI via e-mail (drsudhafaimer@gmail.com) or PSG FRI Secretariat at +91 422 4345815
Hoping to meet you on 9th June, 2019 morning at 8.15 am since sessions start at 8.30 am sharp.

Yours Sincerely,

Dr. Thomas V Chacko, Director.
