Working in a health care team

Circular and schedule

SRI MANAKULA VINAYAGAR MEDICAL COLLEGE AND HOSPITAL

KALITHEERTHALKUPPAM, PUDUCHERRY - 605 107.

Department of Microbiology

SESSION PLAN

TOPIC: AETCOM Module 2.4- Working in a health care team

Date: 30.10.2021

TIME: 8.30 am to 1.30 pm

Duration: 6 hours

Audience: Phase 2 MBBS students

Venue: Demo Hall -A & B (Department of Microbiology), Lecture Hall-2

COMPETENCIES ADDRESSED:

1. Demonstrate ability to work in a team of peers and superiors
2. Demonstrate respect in relationship with patients, fellow team members, superiors and other health care workers

SESSION OVERVIEW: The students (150) will be divided into six groups with each group comprising of 25 members. Each group will go to wards of respective clinical postings as per schedule. The group of 25 will be further sub-divided into 5 sub groups with each group comprising 5 members. Each member of the sub-group will be assigned specific roles like leader, interviewer, scribe, time keeper and presenter.

The students of each sub group will be asked to 'tag along' a specific health care group (Doctor, staff nurse, intern, lab technician, clerk and attendant).

Students should observe their health care team's daily routines in patient care and how each member of a team contributes to patient care. Students can conduct interviews with the HCW wherever possible.

Schedule / Lesson plan

Report

The Department of Microbiology conducted an AETCOM module 2.4 "Working in a health care team" for MBBS Phase II students on 30.10.21 in the Dept of Microbiology Demo Halls & Lecture hall II. They were conducted in large and small groups of 25 each. The objectives were to demonstrate ability to work in a team of peers and superiors, demonstrate respect in relationship with patients, fellow team members, superiors and other health care workers. The group of 25 were further sub- divided in to 5 sub groups with each group comprising 5 members. Each member of the sub-group was assigned specific roles like leader, interviewer, scribe, time keeper and presenter.

The students of each sub group were asked to 'tag along' a specific health care group (Doctor, staff nurse, intern, lab technician, clerk and attender).

Students observed their health care team's daily routines in patient care and how each member of a team contributed to patient care. Students conducted interviews with the HCW wherever possible. The resource faculty were Dr. R. Gopal, Dr. T. Mangaiyarkarasi, Dr. Sunil Shivekar, Dr.R. Udhaya sankar, Dept of Microbiology, SMVMCH, Pondicherry.
