To,
The Dean

KT Kuppam.

Dear Sir/Madam,

Thank you for nominating Dr.Shivayogappa Teli to attend the PSG-FAIMER Regional Institute and for enabling him to attend Session One of the Fellowship Program from 9th to 15th June, 2019 at PSG Institute of Medical Sciences & Research, Coimbatore.

Dr.Shivayogappa was one of 16 middle and senior level Academicians selected from over 50 applicants from all over India and neighboring countries for this highly competitive fellowship program. He actively participated in Session One and has returned to your institution to complete Session Two, which entails a year-long workplace based learning on his proposed project for your institution. He will subsequently return to Coimbatore next June to attend Session Three, and then again return to your institution to complete the project during final Session Four.

During the program, Dr.Shivayogappa learned about several aspects of Health Professions Education, including the development of education methods, leadership and management skills, and professional networks. We believe that upon completion of the program, Dr.Shivayogappa will have the capacity to design, implement and evaluate curriculum change as well as to organize workshops and symposia on Health Professions Education for faculty in your institution.

Attached is an outline of "Requirements for Certification for FAIMER Fellowship" which reflects responsibilities to be fulfilled during the FAIMER fellowship by Dr.Shivayogappa, which he can complete with your support at your medical school.

FAIMER is committed to promoting international medical education and building a South Asia regional community of medical educators with the aim of improving healthcare delivery worldwide.

We look forward to Dr.Shivayogappa's continued participation in the program and expect your continuing support to the project directed towards improving students learning.
