# ISACON PUDUCHERRY

**5TH & 6TH DECEMBER 2020**

The Department of Anaesthesiology hosted the prestigious ISACON 2020 Puducherry, a landmark event held as a webinar on the 5th and 6th of December 2020. This marked the 11th Annual State Conference of the Indian Society of Anaesthesiologists (ISA) Puducherry. The conference showcased prominent experts who served as Guest Speakers, delivering enlightening talks between 9 am to 11 am.

On the first day, Dr. K. Suresh Kumar took the virtual stage to delve into the critical realm of Paediatric Anaesthesia. His expertise shone through as he shared insights on the nuanced topic of Multimodal Analgesia in Paediatrics. Participants gained valuable knowledge in the intricate field, enhancing their understanding of anaesthetic practices for pediatric patients.

**Dr. Suresh Kumar**  
Professor

**Dr. Dilip Chander**  
Associate Professor

The second day of the conference featured Dr. Dilip Chandar as the distinguished Guest Speaker. Dr. Chandar brought his expertise to the forefront with a focus on Perioperative Hypoxia Management. His presentation proved to be a cornerstone in addressing the challenges and best practices associated with maintaining optimal oxygen levels during the perioperative period.

The conference provided a platform for anaesthesiologists to deepen their understanding of these crucial topics. The dates, 5th and 6th December 2020, etched this event into the annals of medical conferences. Dr. K. Suresh Kumar and Dr. Dilip Chandar, with their profound knowledge and engaging presentations, contributed significantly to the success of ISACON 2020 Puducherry, making it a memorable and enriching experience for all participants.

# “NATIONAL NEWBORN WEEK CELEBRATIONS -2020”

16.11.2020 TO 21.11.2020

The Department of Paediatrics orchestrated a grand celebration of the "National Newborn Week" from November 16 to November 21, 2020, showcasing a diverse range of activities aimed at promoting essential newborn care. The event schedule was meticulously organized, engaging participants in various educational and interactive sessions.

## **Day 1:** November 16, 2020

The festivities commenced with an inauguration ceremony held at the Postnatal Ward and Reception Courtyard. Dr. Thambi, Dr. Lenaa, Dr. Prashanth, and Dr. Ancy, under the guidance of Dr. Arul Kumaran and Dr. Kuppusamy, orchestrated an exhibition featuring posters illustrating crucial aspects of newborn care. A health talk by Dr. A. Arul Kumaran and Dr. T. Kanimozhi added valuable insights. Dr. Jayashree, Deputy Medical Superintendent of SMVMCH, graced the occasion. Pamphlets on breastfeeding benefits and essential newborn care were distributed.

**Day 2:** November 17, 2020

A written Newborn quiz challenged postgraduates and interns, organized by Dr. Anna, Dr. Rajesh, and Dr. Tanay. Approximately 25 participants showcased their knowledge, with winners selected to further elevate the educational spirit.

**Day 3:** November 18, 2020

A Neonatal Resuscitation Workshop was conducted, featuring presentations by Dr. T. Preethi, Dr. A. Arul Kumaran, and Dr. T. Kanimozhi. The program included practical workstations and was well-organized by Dr. Kanimozhi, Dr. Preethi, Dr. Revathi, Dr. Anna, and Dr. Arul Kumaran.

**Day 4:** November 19, 2020

A poster presentation competition on "Home-based Newborn Care - Do's and Don'ts" engaged staff nurses and interns. Professor Dr. Bharath Kumar and Professor Kuppusamy served as judges, evaluating the informative displays.

**Day 5:** November 20, 2020

Competitions for postnatal and antenatal mothers, coupled with a health talk by Dr. Preethi, enriched the celebration. Dr. Yuvasri, Dr. Siva, and Dr. Reshma spearheaded the event.

**Day 6:** November 21, 2020

The week concluded with a valedictory function in the hospital courtyard. NICU Incharge staff nurse Mrs. Gopika delivered a health talk, and prizes were distributed to competition winners. Dr. Pragash, the Medical Superintendent, graced the event, marking the successful conclusion of the National Newborn Week Celebrations.

# Patenting Your Intellectual Ideas and Works! Exclusively for Medical Professionals

The event titled "Patent your Intellectual Ideas and Works! Exclusively for Medical Professionals" took place on October 19, 2020, at the Department of Physiology, SMVMCH. Organized by the Physiology department, the conference welcomed a diverse group of delegates, including both SMVMCH faculty members and postgraduate students, totaling 37 participants. The focus of the gathering was to empower medical professionals in understanding and navigating the intricacies of intellectual property rights.

The distinguished resource person for the event was Er. Rajasekaran, a highly qualified individual holding degrees in BE, MBA, and B.L. As the Founder of the IPR firm, Rajasekaran Associates, Er. Rajasekaran brought extensive expertise to the conference. His insights and guidance were particularly valuable in shedding light on the nuances of protecting intellectual ideas and works within the medical field.

The conference served as an informative platform, fostering discussions and providing attendees with a comprehensive understanding of the importance of safeguarding intellectual contributions in the medical domain. With Er. Rajasekaran's guidance, participants gained valuable insights into the world of intellectual property, making the event a significant and enriching experience for all involved.

## Radiant Insights: Commemorating Roentgen's Legacy on the International Day of Radiology at SMVMCH

The Department of Radio-Diagnosis at SMVMCH cordially extended an invitation for the celebration of Roentgen's Day, also known as the International Day of Radiology (IDoR), held on November 8, 2020. The event unfolded in the virtual realm with an online meeting conducted from 10:00 am to 11:00 am, bringing together participants in the vibrant medical community.

The significance of Roentgen's Day, commemorating the discovery of X-rays by Wilhelm Roentgen, was marked by the active participation of individuals from the field of radiology. The online meeting, hosted on Zoom, provided a platform for sharing insights, advancements, and discussions within the realm of radiology. This celebration served as an opportunity for professionals at SMVMCH to come together, fostering collaboration and knowledge exchange.

The success of the Roentgen's Day Celebration was evident in the active engagement and participation of the attendees. The online format facilitated seamless communication and networking, ensuring that the event achieved its objective of commemorating the contributions of Wilhelm Roentgen to the field of radiology.
