WEBINAR: WORLD LUPUS DAY

On 11.05.2022, Sri Manakula Vinayagar Medical College and Hospital orchestrated a webinar, led by the Department of Dermatology, Venereology & Leprosy. Prof. Dr. K. Karthikeyan, HOD & Professor of the Department, delivered the inaugural speech. Dr. M. Hema, Assistant Prof. at Madras Medical College, provided a comprehensive lecture on the Management of Lupus Erythematosus. The insightful discourse was succeeded by a lively discussion on the subject. Attended by postgraduate students and faculty from SMVMCH, Madras Medical College, RMMCH, PIMS and other esteemed medical institutions, the webinar successfully fostered knowledge exchange on Lupus Erythematosus management.

Guest Lecture on Adolescent Contraception at SMVMCH

On 21.05.2022, the Department of Obstetrics and Gynecology at Sri Manakula Vinayagar Medical College & Hospital hosted a successful Guest Lecture on "Adolescent Contraception" at the college basement Auditorium. Dr. Sampathkumari. S, Professor & HOD from Sri Muthukumaran Medical College, Chennai and Vice President (South Zone) FOGSI was the esteemed Guest Speaker. The event was attended by final year MBBS students, included a Quiz for UG & PG students with prizes awarded to the winners.

INTENSIFIED DIARRHOEA CONTROL FORTNIGHT (IDCF) 2022

During the Intensified Diarrhoea Control Fortnight (IDCF) at SMVMCH from 15.06.2022 to 27.06.2022, a series of impactful programs were conducted to address and raise awareness about diarrhoea. The event, spearheaded by Dr. Bharath Kumar, HOD of the Department of Paediatrics, featured diverse activities.

Dr. Arul Kumaran initiated the fortnight with a Health Talk on Wednesday, followed by Dr. Kanimozhi's Poster Presentation for PG students on Thursday. The official Inauguration and Pamphlet Distribution were led by Dr. T. Bharath Kumar on Friday. Subsequent days included programs like Emergency Medicine PGs' Awareness Session by Dr. Hemanth, Interns Quiz by Dr. Rishika J.P, and sessions for Nursing and Allied Health Science students led by Dr. Arul Kumaran and Dr. Vinothini, respectively.

On Thursday, a Camp was organized by Dr. Nithiya, while Dr. T. Preethi conducted an awareness program for the community at Thiruvennainallur RHTC on Friday. The fortnight concluded with a UG Quiz on Monday by Dr. T. Preethi.

Throughout the two weeks, free distribution of ORS packets and Zinc Tablets to the public was coordinated under the guidance of Dr. Bharath Kumar. The active participation of faculty members and the diverse range of programs underscored the commitment to public health and education at SMVMCH during the IDCF.

WORLD AUTISM AWARENESS DAY 2022

The Department of Paediatrics, SMVMCH along with Villupuram and Puducherry chapter jointly organized World Autism Day on 5th April, 2022. As a part of the celebration, inauguration of exhibition with posters depicting the common symptoms of Autism Spectrum disorders, myths on Autism and various treatment modalities of ASD were displayed. Pamphlet containing facts on early diagnosis of Autism were distributed to the public.

A health awareness talk was also arranged in the hospital podium of SMVMCH. Dr.Kanimozhi, Associate Professor of Paediatrics, delivered the talk on the importance of early detection of Autism with the help of display of various charts on symptoms and signs of ASD. The talk was well appreciated. This was followed by MCQ competition conducted for parents who attended the event and prizes were distributed.

A poster presentation competition was also conducted regarding this year's theme "Inclusion in Workplace – Challenges and Opportunities in the post pandemic world". Postgraduate and undergraduate students participated in the event and prizes were distributed to the winners by the Director of SMVMCH, Dr.D.Rajagovindan.

WORLD BLOOD DONOR DAY 2022

On 11th June 2022, the Dept of Pathology, SMVMCH hosted a CME on Basics in Immunoematology & Blood Banking in celebration of World Blood Donor Day. Renowned speakers included Dr. E. Sabari Priya from MGMCRI, Dr. S. Kingsley from PIMS, and Dr. B. Abhishekh from JIPMER. The program featured workshops, quizzes and poster presentations emphasizing current trends in blood banking and culminating free blood grouping registration for blood donors.

INTERNATIONAL YOGA DAY CELEBRATION

The Department of Physiology orchestrated a rejuvenating celebration for International Yoga Day at the MIT Auditorium on June 20 and 21, 2022, from 6:30 am to 7:30 am. With an impressive turnout, over 90 individuals actively engaged in the event, embracing the holistic benefits of yoga. The session fostered a physical and mental well-being which exemplified the department's commitment to promoting a healthy lifestyle. The auditorium provided a serene backdrop for this communal gathering, emphasizing the significance of yoga in nurturing a harmonious connection between the body and mind.

WORLD AUTISM DAY – 2022

THEME: INCLUSIVE QUALITY EDUCATION FOR ALL

On 4th April, 2022, Department of Psychiatry, SMVMCH conducted “World Autism Day - Inclusive Quality Education For All”. It was a half day event held from 9.30 am to 1.00 pm at the auditorium. The event started off with a prayer song. Dr.S.Arun, Professor and HOD of Department of Psychiatry at SMVMCH delivered the welcome address and introduced the guest speaker. He also unfolded the theme. Dr.Shivanand Kattimani delivered the speech about the features of autism and how to effectively help the child and the parent. It was an informative and educational talk. The event ended with a vote of thanks by Dr.K.S. Venkatarangan, Senior Resident, Department of Psychiatry, SMVMCH, followed by National Anthem.

CME & Workshop in EBUS

The Department of Respiratory Medicine at Sri Manakula Vinayagar Medical College & Hospital, Puducherry, successfully hosted a CME & Workshop in EBUS on 08.04.2022. Notable speakers included Dr. Chun Ian Soo, Senior Lecturer and Respiratory/Internal Medicine physician from the University of Malaya Medical Centre, Kuala Lumpur, Malaysia and Dr. Hari Kishan Gonuguntla, Consultant Interventional Pulmonologist at Yasodha Hospital, Secunderabad. Their esteemed presence enriched the academic event, contributing valuable insights to the field of Interventional Pulmonology.
