Most of the students suggested to have such frequent CME & full day sessions.

# OBESITY DAY CELEBRATION

The Department of Paediatrics at Sri Manakula Vinayagar Medical College & Hospital, in collaboration with the IAP Villupuram Puducherry chapter, organized a grand "WORLD OBESITY DAY" celebration on March 4, 2022.

The inauguration took place in the hospital OPD premises, led by Dr. Kalaiselvan, Dean (Research), HOD of the Department of Community Medicine, and Dr. Girija, Deputy Medical Superintendent (SMVMCH). The exhibition featured posters depicting obesity identification with IAP BMI charts, the causes attributed to increased junk food consumption, and the importance of reducing screen time. An interactive session in the hospital courtyard followed, highlighting the theme "Obesity - Everybody must Act," with talks by Dr. K. Kuppusamy and Dr. K. Nithya. The event included an MCQ competition, a physical exercise competition for children and the distribution of prizes. As part of the World Obesity Day celebration, an outreach activity at Annai Vidhya Mandir School emphasized the importance of avoiding junk foods and promoting healthy snacks. Pamphlets on the causes and prevention of obesity in children were distributed in the local language to attending women.
