7TH GRADUATION DAY CELEBRATION

06 AUGUST 2022

SPORTS DAY

22 SEPTEMBER 2022

PERI OPERATIVE RULES PROTOCOLS RAPID ULTRASOUND IN SHOCK AND HYPERTENSION

Department of Anaesthesiology organized a guest lecture programme in the month of July 2022 on “Peri Operative Rules Protocols Rapid Ultrasound in shock and Hypertension”. The lecture was delivered by Dr.Arunsundar, Associate Professor, Department of Anaesthesiology, Government Villupuram Medical College, Villupuram.

WORLD HEART DAY 2022

The Cardiology and General Medicine departments celebrated "World Heart Day 2022" with various impactful events. On 22.09.2022, Dr. Ashida T.S, Associate Professor of Cardiology, conducted a health awareness program in Thiruvannainallur RHTC, benefitting around 50 NCD patients.

From 26.09.2022 to 30.09.2022, a heart disease screening campaign at SMVMCH, led by Dr. Ashida, offered subsidized tests to patients and staff benefitting 45 individuals.

Additionally, a health awareness program on Coronary Artery Disease, a guest lecture by Dr. M. Chenniappan on 29.09.2022 and a poster competition for AHS students enriched the celebration, making it a comprehensive and educational experience for all involved.

37TH NATIONAL EYE DONATION FORTNIGHT CELEBRATION – 2022

During the 37th National Eye Donation Fortnight Celebration from August 25th to September 8th, Department of Ophthalmology conducted a series of impactful awareness programs. An Eye Donation awareness exhibition, featuring a Poster Competition, ran from August 25th to September 8th. Dr. K. Karthikeyan, Dean (Academic), and Dr. P. Nallamuthu, Professor, Department of Ophthalmology, appreciated the best posters.

Dr. P. Nallamuthu also delivered a lecture at K.G. Pharma College on 29.08.2022. A Guest Lecture for Allied Health Science Students took place on 01.09.2022 and an Awareness Programme at the Rural Health Training Centre featured a lecture by Dr. Jayalakshmi on the same day.

On 04.09.2022, a CME on Dry Eye Disease was inaugurated by Dr. D. Rajagovindan and Dr.R. N. Kagne, with notable speakers like Dr. Ramesh Babu, Dr. Geetha Behera, Dr. Jayanthan and Dr. Josephine Christy. An Awareness Programme in the Nursing College occurred on 06.09.2022 and a Symposium on 08.09.2022 engaged medical students.

Throughout the fortnight, 210 individuals pledged their eyes, contributing to the success of the initiative.

WORLD BREAST FEEDING WEEK 2022

The Department of Pediatrics at Sri Manakula Vinayagar Medical College and Hospital celebrated World Breastfeeding Week 2022 with enthusiasm and a series of events.

Commencing on Day 1 with an exhibition and poster presentation competition, the week included quiz competitions, health talks, community outreach programs, elocution and poetry competitions, breastfeeding awareness talks and a well baby contest. Notably, Dr. Bharath Kumar conducted a health education program via Suryan FM.

The Valedictory function on Day 8 featured Dr. S. Ramesh as Chief Guest, who addressed common breastfeeding FAQs. Nursing students presented a skit and prizes were distributed to competition winners, concluding the successful week.

SMVMCH'S ANTIBIOTIC AWARENESS INITIATIVE: Fostering Responsible Practices in Paediatrics

On 27.09.2022, the Department of Paediatrics at SMVMCH, in collaboration with the Antibiotic Policy and Monitory Committee SMVMCH and IAP, Puducherry chapter, organized the IAP Rational Antibiotic Day. Dr. Preethi.T, Associate Professor of Paediatrics, coordinated a quiz for VIII Semester MBBS students via QUIZZ App on clinical case scenarios and antibiotic usage. Dr. A.Arulkumaran, Professor of Paediatrics, led an interactive discussion on antibiotic stewardship.

A postgraduate quiz and a slogan writing competition on preventing antibiotic resistance followed on the same day. Dr. A.Arulkumaran later conducted an awareness talk for the public on antibiotic overuse, emphasizing correct usage and storage. Prizes were distributed by Dean Dr.R.N.Kagne, Dean Academic Dr. Karthikeyan, and Medical Superintendent Dr. M.Pragash. The events culminated in promoting responsible antibiotic practices.

HAEM FEST 2022

The Department of Pathology at SMVMCH extends heartfelt appreciation to all participants of Haem Fest 2022, hosted at the prestigious SMVMCH Auditorium on August 27.

Distinguished speakers, including Dr. Debdatta Basu from JIPMER, Puducherry, and Dr. C.N. Srinivas from SRL Diagnostics & Fortis Hospital, Chennai, enriched the scientific program. Dr. Basu inaugurated the event with a captivating presentation on "Morphology and beyond in blood and marrow - a case-based approach," while Dr. Srinivas provided valuable insights on "Surviving with the flow - case-based learning in hematology."

Dr. Febe Renjitha Suman from SRMC&RC, Chennai, led an engaging discussion on "Basics and new concepts in coagulation - a Case-based discussion," delving into fundamental principles. The event concluded with an enlightening session by Dr. Moses Ambroise from PIMS, Puducherry, emphasizing "Quality assurance in hematology."

We express gratitude to our esteemed speakers and participants, contributing to the success of Haem Fest 2022.

WORLD SUICIDE PREVENTION DAY - 2022

On 16th September, 2022, Department of psychiatry of Sri Manakula Vinayagar Medical College and Hospital conducted “Suicide Prevention Day- Creating Hope Through Action”. It was a half day event held from 9.30am to 1 pm at the auditorium. The event started off with a prayer song followed by the Welcome Address given by Dr.S.Arun, Professor and HOD of Department of Psychiatry at SMVMCH. Dr.S.Perarul, Senior Resident, SMVMCH introduced the guest speakers and unfolded the theme. Dr.Asok Kumar delivered speech on ‘Suicide-Epidemiology and etiology’.

He enriched our knowledge by talking about the statistics of suicides in each state of India. And he also spoke about the warning signs to be noted. Dr.R.Arul Saravanan delivered a speech on ‘Psychiatric Perspective of Suicide’. It was an eye-opening. He spoke about the prevalence of suicide in Indian doctors and emphasized that suicide is indeed preventable.

The event ended with a vote of thanks by Dr.K.Vasanth, Final year

Hands on Workshop on Image Guided Interventions

Hands on workshop on image guided interventions was organized by the Department of Radio-Diagnosis, Sri Manakula Vinayagar Medical College and Hospital on 04.09.2022, along with TNPY-Puducherry subchapter of IRIA. Dr.D.Rajagovindan Director, SMVMCH, Dr. Nadarajan, President TNPY-Puducherry subchapter and Dr.A.Umamageswari, Professor and HOD, Department of Radiodiagnosis inaugurated the workshop by lighting the ceremonial lamp.

Dr. Elamparidhi, Associate Professor, SMVMCH delivered a lecture on Introduction to Image guided Interventions. Dr. Franklin Irwin, Assistant Professor, and Dr.Jagadeesh Kumar. CH, Assistant Professor, CMC Vellore delivered lecture on complete overview of imaged guided interventions. Dr. Jayavelu Hariramprasad, Assistant Professor CMC Vellore also shared his experience.

The lectures were followed by hands on workshop in 4 stations which included CT guided interventions USG guided biopsy, FNAC and Bone biopsy. Total participants were 61. The event was sponsored by BARD Medical Equipments.

MEU EVENTS

The MEU organized a half day “Workshop on Reflective Practices in Teaching, Learning” for the faculty of SMVMCH on 27.07.2022. The Dean Academic inaugurated the session, by highlighting the importance of “Reflective Writing” in CBME Curriculum. Dr.G.Sivaraman, Additional Professor, Department of ENT, JIPMER and Dr.P.Pasupathy, Assistant Professor, Department of Orthopaedics, JIPMER facilitated the sessions of the workshop. There were totally 36 participants in the workshop, representing around 20 departments. The resource faculty highlighted the essentials of Reflective Writing. The participants were divided into groups and they were asked to reflect on different articles (Reflections by different authors). The facilitators discussed about “Gibb’s Reflective Cycle” in detail along with the discussion over different templates.

Faculty Development Program on “Interactive Teaching learning Methods - An Update”

The MEU organized a half day Faculty Development Program on “Interactive Teaching Learning Methods – An Update” for the faculty of SMVMCH on 30.09.2022. The Dean inaugurated the session, by highlighting the importance of “Interactive Teaching Learning Methods” in promoting active learning among students. There were totally 36 participants in the workshop, representing around 20 departments. The first was the “Ice breaking session” led by Dr.K.Soundariya, where the faculty were exposed to different Teaching Learning Methods and resources through “Connexions” game and “Dumb sharades”. This was followed by an interactive session on “Flipped Classroom” by Dr.Nishanthi. Dr.Nishanthi shared her experience on “Flipped Classroom” conducted on a topic in Pharmacology. Later, Dr.Kalaiselvan enlightened the participants with the “Self-Directed Learning” Module, designed for “National Health Programs” in Community Medicine. Overall, it was an interactive session and good feedback was obtained from the participants. The workshop was awarded 1 credit hour by the Tamil Nadu Medical Council.

SCIENTIFIC SOCIETY EVENTS

The Scientific Society recent event on July 19, 2022, featured insightful presentations at the Basement Auditorium. Dr. Subhasri. S, a Second-Year Post Graduate in OBG, discussed "Urosepsis in puerperium." Dr. Padmapriya. S, a First-Year Post Graduate, presented on "Conservative management of placenta accrete." Dr. Ashachandran. R, a Second-Year Post Graduate, shared a case series on "Mullerian anomalies."

JUL 2022

The recent Scientific Society event on August 9, 2022, at the Basement Auditorium showcased impactful presentations. Dr. K. Manikandan, Assistant Professor in Orthopaedics, discussed "Defect Management in total knee replacement." Dr. K. Naveenkumar, also an Assistant Professor in Orthopaedics, presented a case series on "Bone block procedures in recurrent anterior glenohumeral instability." Additionally, Dr. Antonious Maria Selvam. S., Assistant Professor in Respiratory Medicine, highlighted a rare case of "Invasive pulmonary mucormycosis with central bronchopleural fistula."
