# GUEST LECTURE ON NUTRITION AND CRITICAL CARE

Dr. Senthil Nathan, Associate Professor from JIPMER delivered a compelling lecture on Nutrition and Critical Care in our hospital on June 23, 2023. His insightful discourse shed light on the challenges and best practices in managing nutrition in critical care settings.

Dr. Nathan's expertise not only enriched our academic environment but also left a lasting impact, providing valuable insights for the field of anaesthesiology and critical care. Such collaborative initiatives are vital for advancing medical education and fostering excellence in healthcare.

# WORLD LUPUS DAY

Interdepartmental Program  
(Dermatology & Paediatrics) conducted  
on May 10th, 2023 for World Lupus Day.

The post graduates and faculties of both  
department participated in the event.

A case of paediatrics lupus  
erythematosus was also presented and  
the unique features & differences in  
managing a paediatric case was  
enlightened by the department of  
paediatrics. At the end of the program,  
question and answer session was held  
wherein queries raised by PG's and  
faculties were clarified.

# WORLD VITILIGO DAY

World Vitiligo day was celebrated on 23.06.23 by the department of DVL, SMVMCH. Banners were put up and pamphlets were given to the patients attending OPD to create awareness, educate others and also highlighted some of the challenges they often face, such as feelings of isolation & associated social implications.

Dr. Kaviarasan. P.K.  
Professor and HOD, Department of Dermatology, Cuddalore Medical College delivered a lecture and Prof. Dr. K. Karthikeyan presided the event.

## CME ON ANA DIAGNOSTICS HELD ON 30TH JUNE & 1ST JULY 2023

The Microbiology Department of SMVMCH organized a two-day CME - hands-on workshop on ANA in association with IIFA & Immunoblot on June 30th and July 1st, 2023, under the IAMM, Pondicherry chapter. Dr. Rakesh Singh from JIPMER inaugurated the event and Dr. Sheela Devi C from PIMS addressed the delegates. Resource persons included professionals from JIPMER, AIIMS New Delhi, CPC Diagnostics Chennai and SMVMCH-Puducherry. The CME was attended by 25 delegates and received 4 credit hours from the Tamil Nadu Medical Council.

# WORLD AUTISM DAY

The Department of Paediatrics, in collaboration with the IAP Puducherry chapter organized “World Autism Day” on April 3, 2023. Dr. Kanimozhi.T, Associate Professor in the Department of Paediatrics delivered a Health Awareness talk for the public, highlighting common symptoms for detecting autism and the crucial need for early intervention. The session, supported by informative posters on autism, was followed by an engaging MCQ competition for parents. Questions focused on clinical clues for autism detection and dispelling common myths about autism spectrum disorders. Dr. T. Bharath Kumar, Professor & HOD of the Department of Paediatrics awarded prizes to the competition winners among the 75 participating parents and grandparents. Pamphlets on autism were distributed and in the afternoon, a guest talk on the diagnosis and early intervention of autism was delivered to 120 nursing students and 20 faculty members of Sri Manakula Vinayagar Nursing College. Additionally, a podcast in Tamil by Dr. A. Arulkumaran, Professor of Paediatrics, emphasizing the importance of early autism diagnosis and various treatment modalities was released on the SMVMCH website "Manakural," which received a lot of positive feedback.
