## Workshop on basic surgical skills

### Learning objectives:

This workshop aims to teach safe and sound surgical techniques that are common to all forms of surgery. The participants will practice their skills on bench top simulators and animal tissues. At the end of this workshop, participants should be able to:

- Explain the principles of universal precautions
- Demonstrate safe and proper procedures for hand washing, gowning and gloving
- Demonstrate handling of surgical instruments
- Demonstrate effective technique of laying secure surgical knots
- Demonstrate technique of basic surgical suturing with instruments
- Demonstrate basic splinting techniques

| Time            | Topic  | T-L method     | Faculty       |
|-----------------|--|----------------|---------------|
| 9.00-9.07 a.m   | Pretest                                      |                |               |
| 9.07-9.20 a.m   | Ice breaking exercise                        |                |               |
| 9.20-09.45 a.m  | Introduction and aseptic technique           | Video          | Dr.M.Jayasree |
| 9.45-10.00 a.m  | Scrubbing                                    | Practice       | All faculties |
| 10.00-10.15 a.m | Gowning                                      | Practice       |               |
| 10.15-10.30 a.m | Gloving                                      | Practice       |               |
| 10.30-11.00 a.m | Tea break                                    |                |               |
| 11.00-11.20 a.m | Two hand square knot                         | Skills session | All faculties |
| 11.20-11.40 a.m | One hand square knot                         |                |               |
| 11.40-12.00 p.m | Two hand surgeon knot                        |                |               |
| 12.00-12.20 p.m | Instrumental square knot                     |                |               |
| 12.20-12.40 p.m | Instrumental surgeon knot                    |                |               |
| 12.40-1.00 p.m  | Handling of basic surgical instruments       | PPT            | Dr.R.Ganesh   |
| 1.00-2.00 p.m   | Lunch break                                  |                |               |
| 2.00-2.20 p.m   | Basic splinting technique                    | PPT            | Dr.M.Pragash  |
| 2.20-2.35 p.m   | Simple interrupted suture                    | Skills session | All faculties |
| 2.35-2.50 p.m   | Simple continuous suture                     |                |               |
| 2.50-3.05 p.m   | Vertical mattress suture                     |                |               |
| 3.05-3.20 p.m   | Horizontal mattress suture                   |                |               |
| 3.20-3.35 p.m   | Subcuticular suture                          |                |               |
| 3.35-4.00 p.m   | Tea break                                    |                |               |
| 4.00-4.45 p.m   | OSCE, Feedback and post test. Dr. KAGNE. R N |                |               |

## Workshop on basic surgical skills

### Learning objectives:

This workshop aims to teach safe and sound surgical techniques that are common to all forms of surgery. The participants will practice their skills on bench top simulators and animal tissues. At the end of this workshop, participants should be able to:

- Explain the principles of universal precautions
- Demonstrate safe and proper procedures for hand washing, gowning and gloving
- Demonstrate handling of surgical instruments
- Demonstrate effective technique of laying secure surgical knots
- Demonstrate technique of basic surgical suturing with instruments
- Demonstrate basic splinting techniques

| Time            | Topic                                  | T-L method     | Faculty       |
|-----------------|--|----------------|---------------|
| 9.00-9.07 a.m   | Pretest                                |                |               |
| 9.07-9.20 a.m   | Ice breaking exercise                  |                |               |
| 9.20-09.45 a.m  | Introduction and aseptic technique     | Video          | Dr.M.Jayasree |
| 9.45-10.00 a.m  | Scrubbing                              | Practice       | All faculties |
| 10.00-10.15 a.m | Gowning                                | Practice       |               |
| 10.15-10.30 a.m | Gloving                                | Practice       |               |
| 10.30-11.00 a.m | Tea break                              |                |               |
| 11.00-11.20 a.m | Two hand square knot                   | Skills session | All faculties |
| 11.20-11.40 a.m | One hand square knot                   |                |               |
| 11.40-12.00 p.m | Two hand surgeon knot                  |                |               |
| 12.00-12.20 p.m | Instrumental square knot               |                |               |
| 12.20-12.40 p.m | Instrumental surgeon knot              |                |               |
| 12.40-1.00 p.m  | Handling of basic surgical instruments | PPT            | Dr.R.Ganesh   |
| 1.00-2.00 p.m   | Lunch break                            |                |               |
| 2.00-2.20 p.m   | Basic splinting technique              | PPT            | Dr.M.Pragash  |
| 2.20-2.35 p.m   | Simple interrupted suture              | Skills session | All faculties |
| 2.35-2.50 p.m   | Simple continuous suture               |                |               |
| 2.50-3.05 p.m   | Vertical mattress suture               |                |               |
| 3.05-3.20 p.m   | Horizontal mattress suture             |                |               |
| 3.20-3.35 p.m   | Subcuticular suture                    |                |               |
| 3.35-4.00 p.m   | Tea break                              |                |               |
| 4.00-4.45 p.m   | OSCE, Feedback and post test.          |                |               |

Research committee and Epidemiological Unit

Date: 15.04.2018

| Time         | Sessions   | Resource persons             |
|--------------|--|------------------------------|
| <b>DAY 1</b> |  |                              |
| 8.30-9.30    | Welcome and software installation  | All                          |
| 9.30-10.00   | Course overview and introduction to Epi_Info software package                | Dr Amol / Dr Kalaiselvan     |
| 10.00-10.15  | <b>Tea break</b>   |                              |
| 10.15-11.00  | Data Documentation Sheet – Exercise  | Dr.Vinayagmoorthy            |
| 11.00-12.00  | Introduction to Epi info key functions for questionnaire development         | Dr.Kalaiselvan               |
| 12.00-1.00   | Make view / Creating Check codes/data entry                                  | Dr. Thiru / Dr Muruganandham |
| 1.00-2.00    | <b>Lunch</b>   |                              |
| 2.00-4.30    | Hands-on: Development of (sample) questionnaire, Demonstration of data entry | All                          |
| <b>DAY 2</b> |  |                              |
| 8.30-9.15    | Recap  | All                          |
| 9.15-10.00   | Descriptive statistics - interpretation                                      | Dr.Vinayagmoorthy            |
| 10.00-10.15  | <b>Tea break</b>   |                              |
| 10.15-11.15  | Inferential statistics – p value and CI                                      | Dr.Vinayagmoorthy            |
| 11.15-11.30  | Importing and exporting data   | Dr Muruganandham             |
| 10.15-11.00  | Analysis commands: Epi_Info software package                                 | Dr.Kalaiselvan               |
| 11.00-1.00   | Hands-on: data analysis (sample data)  | All                          |
| 1.00-2.00    | <b>Lunch</b>   |                              |
| 2.00-4.30    | Participants: develop thesis questionnaire and enter data                    | All                          |
| <b>DAY 3</b> |  |                              |
| 9.00-12.00   | Reference management with Zotero   | Dr.Vinayagmoorthy / Dr Thiru |
| 12.00-1.00   | Feedback   |                              |

**Instructions:**

# No registration fee

# Participants – All **2 year post-graduates** of SMVMCH to attend

# Lunch will not be provided

# Participants have to bring their hard copy of **thesis questionnaire**

# Participants have to bring their **own laptops**

**Training program on Communication skills**

14.01.2017

| Time        | Topic of session   | Faculty              |
|-------------|--|----------------------|
| Day 1       |  |                      |
| 9.00-9.30   | A Game   | Dr Suguna E          |
| 9.30-9.40   | Baseline assessment of medical interns' (questionnaire)  |                      |
| 9.40-10.00  | Group work on basics of Communication  |                      |
| 10.00-10.15 | Definition of Communication, Communication cycle   |                      |
| 10.15-10.30 | Group work on Communication cycle  |                      |
| 10.30-10.45 | Consequences of poor communication & Video   |                      |
| 10.45-11.05 | Group work on communication  |                      |
| 11.05-11.15 | Guidelines to effective communication  |                      |
| 11.15-11.30 | TEA BREAK  |                      |
| 11.30-12.00 | Group work on behaviour change   |                      |
| 12.00-12.15 | Stages of behaviour change   |                      |
| 12.15-12.35 | Group work on Counseling   |                      |
| 12.35-1.00  | Counseling microskills & Video   |                      |
| 1.00-2.00   | LUNCH BREAK  |                      |
| 2.00-2.30   | Group work on Communication within a team  | Dr Jayasree M        |
| 2.30-4.30   | Communication within a team  |                      |
| Day 2       |  |                      |
| 8.30-4.00   | Hands on activities for medical interns at UHTC/RHTC under the supervision of faculty Incharge | Faculty incharge, PG |
| 4.00-4.30   | Feedback   |                      |
