ONLINE FEEDBACK FOR GALAXY 23'

- Improve new sports and league matches for sports.
- Involve dayscholars.
- Don't limit the events for an individual in Final Day.
- Plan early before August to avoid rain.
- Better ground facilities for football and futsal is required.
- Galaxy can be a bit more slow than rushing with all the events.
- Information should be shared Sooner and all Matches should be conduct in week ends.
- Provide more refreshments.
- Conduct them without any delay in between.
- Little bit time for practice.
- Include new players as well.
- Give special Mention award for each game.
- Provide Proper guidelines and Prior intimation.
- Need to do sufficient seating arrangement.
- Proper water arrangements and glass disposal dustbin.
- Be more enthusiastic.
- Provide proper guidelines.
- Prior intimation on event time.
- Audience support is must.
- More sports can be included like kabaddi.
- Referee from outside can be called for the match.
- Some form of entertainment for students not participating in events.
- Timely service of refreshments.
- More people in ground would be more enthusiastic.
- Setup a committee.
- Complete it within 1 week.
- Conduct of games must be in a transparent way.
- Final day can be conducted at a stretch with many audiences...(like 3 days).
- Require more practice for match past.

I would like to thank our management, Sports committe members, teaching and non-teaching staff for this amazing opportunity to conduct a major event- GALAXY 22' .

Before , the beginning of planning of GALAXY 22' , I had an impression that organising an event is a piece of cake, but later I had understood that organising an event requires a lot of team work, effort, dedication and consistency .

Conducting GALAXY 22' helped me to improve my communication skills by interacting with various people. It helped me learn to think and look into every little work an event had. Conducting also helped me to learn how to tackle problems that come our way in an event.

GALAXY 22' has been a whole new experience for me. It has shown me that there is more to sports that just participating. It has helped me to learn how to work as a team, and as a whole improved my leadership qualities.

Finally , I would like to thank my co-organisers Guruprakash K and Sanjeeve Kumar R for being a wonderful team to have worked with. I would also like to thank our volunteers who had also immensely and tirelessly worked to make this event a grand success.

Thank you

The overall experience about GALAXY '22 is great and I would like you thank my management, Director , Deputy Director , Dean , Sports committee chairperson and members for giving me the opportunity to organize the event - GALAXY'22

I personally thank my co-organisers Sanjeeve kumar K and Deepa Shri R and it's a great pleasure to work along side with you.

GALAXY '22 is a great journey to travel along with my friends and colleagues and I personally understood that organising and conducting an event requires team work and smart work. I am glad that my colleagues with great effort made the event happened smoothly and successfully without any issues and queries.

I congratulate & thank all the participants and the winners of GALAXY'22. I also thank all the audience, teaching and non- teaching staffs, workers and each of every person who helped in achieving the GALAXY'22 a great success.

On behalf of the organising batch , I would recommend the management and sports committee to conduct 16th Annual Sports Meet GALAXY'23 in the month of June-July 2023 to avoid weather issues.

Finally , I thank everyone for giving me this opportunity and I think that I worked whole - heartedly with dedication and enthusiasm and it's a great pleasure.

Ideally, sport teaches discipline and commitment. They challenge you and shape the character of everything you do in life.

One need three things to win: discipline, hard work and above all perhaps commitment. No one can do it without these three things. Sports teach you to excel in all the domains.

I want to express my gratitude to our administration, the members of the sports committee, the teaching staff, and the rest of the staff for giving us this incredible opportunity to host Galaxy 22.

I've had a completely fresh experience with Galaxy 22. I've learned from it that sports are more than just competing. It has aided me in learning how to collaborate with others and generally enhanced my leadership abilities.

I would scream out loud that this organisation would not have achieved its immense success without your support and solidarity, which served as a pillar.

Finally I would thank Guru Prakash and Deepashri who has been pillar for me in this successful conducting.

2021

The events were well organised by our seniors with their great efforts and plans were perfectly executed. It all started up with March-past; as usual as in every sports day. All varieties of events were planned to show each one's talent. Many events were not even known to many ; but each one brought their skills out.

On spot events were very enthusiastic for both participants and non participants.Events conducted prior; as; badminton, throw ball, volley ball and cricket were with perfect outcome.

Conducting year (seniors) gave us the full freedom and opportunity to show off our interest without any restrictions.

Judgements were loyal and gave us a belief with them conducting the events.Need of each and every student was taken care with their full effort; inclusive of refreshments and support.Juniors were given equal importance as participants; there was no partiality.

Seniors set a great example and a way of conducting events; which could help the future years to follow up with same power up.

Facilitating the winners (each of the participants of the group event) cheers up and brings more participants in the upcoming years.

Most motivational, enjoyable and better way- the Galaxy 2022 ended.

The event was exciting, full of fun and a breath of fresh air. Finally a break from the monotonous academic life.

All sorts of sports were held, we could participate without any problem.

Though we were a bit hesitant in giving the names, seniors were very supportive and understanding. Seniors encouraged us to participate in all types of sports.

The competitions were fair, No partiality.

There was no discrimination between seniors and juniors, It was a memorable day.

Refreshment after the games were very satisfying.

A perfect way to interact and finally get to know our seniors. A very comfortable feeling when getting to know them.

The conducting batch had given their best which can be seen through the satisfying outcome of GALAXY 2022.

2020

As exciting as it gets, GALAXY was well organised and couldn't have been better. It did justice to the expectations of our batchmates and wish to do the same as the conducting batch next year.

The trophy were given and organised in a systematic manner and our batch enjoyed the day to bits. On a suggestive note, could have given refreshments to the participants as it was a scorching hot day. The lemon juice was kind of contaminated. Other than that, we got no downside in the arrangements and the organising part.

Our batch is very happy that GALAXY has taken place this year as it is our first GALAXY. It was conducted very well. Every aspect of this GALAXY from the way it was conducted to the way the fixtures were made was fair and square. We saw all of you put in hard work , and work day and night. All the games were conducted in the right time. The only negative we saw this time is the cancellation of medley relay. Every thing else was done as per time. The main thing I personally noticed was the sportsmanship shown by the conducting batch. We hope we can do justice next time . Thank you.

Congratulations for making GALAXY '22 a great success. It was well organised and the effort taken by you all needs a special appreciation. Especially to Sanjeeve Kumar, GuruPrakash and Deepa shri.

We are satisfied with the way you conducted it. We are timely provided with the refreshments after every matches.Galaxy can be conducted in such a manner that it should not interfere with rain.

The matches were conducted in scheduled dates in fair and transparent way and we are satisfied with the hospitality and medical kits provided by the organising batch.

Our suggestion is not to limit the events in the final GALAXY day .

Overall GALAXY '22 provides enthusiasm and energy to our batch and we enjoyed it.

Congrats !!

INVESTITURE CEREMONY

Date: January 9th, 2020

Time: 5PM

Venue: MIT Auditorium

Report of the investiture ceremony

The Investiture ceremony for the 6th Student Council of our college, Sri Manakula Vinayagar Medical College was conducted on January 9th, 2020. The evening started with welcoming of the dignitaries, our director Dr. D Rajagovindan and our deputy director Dr. R.N. Kagne followed by a recital of the prayer song by Ms. Keerthi Laxmi of the 2016 batch.

After the prayer, the president of the 5th Student Council body, Ms. Snehapreethi, on behalf of her council and her batch, delivered a memorable speech thanking our director, dean, our staff, their seniors and juniors for helping them conduct various events smoothly.

This was then followed by the treasurer, Mr. Arun, delivering the annual report on the money collected by the student council and the expenditure of each event and the amount that was to be handed over to the following student council for their term. The General Secretary, Mr. Dilip, then delivered the vote of thanks on behalf of their council and officially signed off.

Our director, Dr. D. Rajagovindan, then distributed certificates to each member of the 5th Student Council body as a token of appreciation for their efforts over the past one year.

Next was the handing over ceremony where the old members of the council handed over their badges and to the newly appointed student council members forming the 6th governing body.

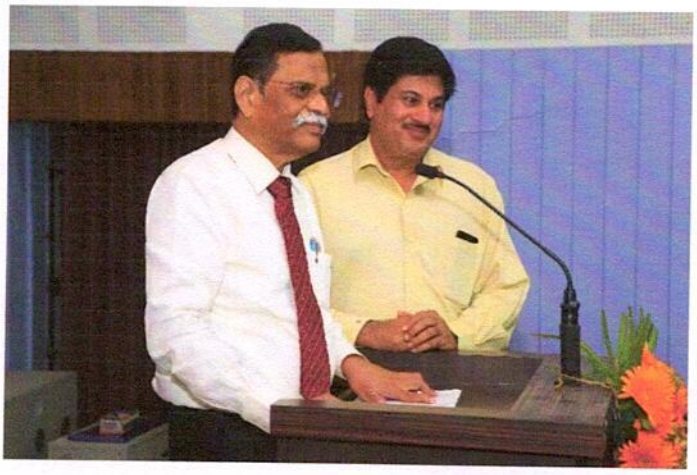

Dr. KAGNE. R.N

HAI KUPPAM,

Our new president, Ms. K.A.V. Nekaa Nithya Sre, then delivered a remarkable speech that would mark the beginning of the term of the 6th student council. Her speech promised a fulfilling year to our students and a disciplined year to our staff.

Followed by her speech, our beloved director Dr. D Rajagovindan gave a lovely and very encouraging speech to the members of the 6th Student Council of Sri Manakula Vinayagar Medical College. His speech truly inspired each and every badge-holder to do better in academics and other extra-curricular activities.

To conclude the event, the new General Secretary, Mr. Naveen Iyappan, gave his vote of thanks thanking the dignitaries on gracing the occasion with their presence, our staff members for being supportive, seniors, juniors and batchmates for attending the occasion.

In conclusion, the evening marked the beginning of a new success story. The Investiture ceremony of the year 2020 was a success and as much as the 5th Student Council will be missed, the 6th Student Council committee can be expected to fill in their shoes to the satisfaction of all members of the college body.

All work and no play make Jack a dull boy. Every year the students and the staff from our college celebrate sports, games and fun as a testament to this statement. Galaxy'20, our annual college sports meet, a grand display of athletic events and skills showcased by the students of SMVMCH, is always a much-awaited event among staff and students.

For 2 weeks, various games and tournaments, both indoor (chess, carrom, etc.) and outdoor (cricket, football, etc.) were conducted as matches between 2 different batches. All the events were coordinated by the students of the council batch in a very efficient manner. Winners and runner ups were then decided and points were awarded to each batch accordingly. Games like cricket, football, kho-kho, badminton were also arranged

between batches, for both girls and boys alike. It truly was heartwarming to see the team spirit each batch carried when one of their own were on the ground.

Various games were also conducted between staffs, who had a lot of fun competing against fellow staff members.

On February 19th, Sports Day was celebrated. All track and field events like 100M, 200M, 400M, 100M relay, were all conducted on the same day as well.

Sports day began with the March Past, followed by lighting of the Olympic Torch by Dr. R.N. Kagne, Dean, SMVMCH and Hoisting of the Flag, by Dr. D. Rajagovindan, Director, SMVMCH.

From then on, girls and boys played for their batch on the field with their friends and classmates there to cheer for them. At the end of the day, prizes were distributed to all the winners of all the events conducted over the previous two weeks by our Director and Dean, Dr. D. Rajagovindan and Dr. R. N. Kagne. Prizes were also awarded to staffs who participated and won in different games.

MANTRA the Annual College Culturals, a 3 day extravaganza. A funfilled, colourful event that is a great platform for the display of the cultural talents of the students, this Intracollege cultural event stands tall as the most awaited and most enthusiastic event of the year. Mantra has been conducted since the initiation of the college for the prosperity of the students. Since the initiation of the Student's Council, the event has been brought under the leadership of the Council. The entire show runs from the funds collected for the Student's Council at the starting of the event along with a hefty contribution from the management. This paves the way to maintain originality and decorum of the event in addition to giving a sense responsibility for the students to effectively manage funds. A major highlight of MANTRA is the Proshow. Held at the outdoor, it transports

STUDENTS' DISCUSSION FORUM '20

A good discussion increases the dimensions of everyone who takes part. Our Students' Discussion Forum aims to expand the realms of learning by engaging the participants in an interactive session on a chosen topic. These forums stimulate an interest in new topics and develop a thirst for medical knowledge.

This year, these sessions were organized and conducted by Our Student Council'20 team.Topics were chosen with the help of faculty and members of the student council. The first session was conducted on 26th February 2020. More than 60 members participated and the session was lively with the inflow of facts and the animated discussion ensuing them.

Henceforth, a total of four sessions were conducted on Tuesdays after class hours. All the 4 were a success and the students enjoyed themselves whilst learning a little more from the experts leading the discussion.

DOCERE'20

A teacher affects eternity, he can never tell where his influence stops. It is a known fact that the teachers or the professors are the backbone for any institution. Our college is no exception. Although, every day is Teachers' Day, September 5th is even more special as the day is dedicated solely to our professors.

Various events were organized for our faculty including Dumb Charades, Cooking without fire, Treasure Hunt, etc. It was heartening to see our teachers participate in these events with their colleagues and enjoy them.

In the evening, an official ceremony was organized for awarding the prizes for the events conducted during the whole day. It was filled with cultural programs performed by undergraduate students, postgraduate students and even some of the staff! All faculty members were also presented with a memento which was inscribed with their name, funded by members of the Student Council. It was an unforgettable day, for staff and students.

SAYONARA'20

The relationship between seniors and juniors of any college is always an experience neither party can forget. We look up at our seniors and thank them for guiding us through confusing times. We look at our juniors and take them under our wing to guide them through the same confusions. It is a strong bond, an early one and the departure of our beloved seniors from our college is always heartbreaking. However, like any friendship formed during our college life, we are sure that even this friendship shall remain strong and will last a long time.

This year, we conducted Sayonara' 20, the Farewell Day for the batch of 2016 on January 3rd, 2021. It was filled with laughter, giggles and some tears from both batches. The place was filled with happy faces, engraving their last day of togetherness with pictures and videos.

We also made a special video dedicated to our seniors, which managed to elicit more than few drops of tears as they took a trip down the memory lane. In addition to this, various events including the ramp walk, games, dancing, etc. were conducted. As a special and unique bonus, our seniors were given personal titles after conducting a poll which added zing to the event. As a sign of love, we gifted a memento to our seniors and the day was concluded with an exquisite banquet dinner for both batches. As much as we would miss our dear seniors, we wish them all the very best in their future endeavors.

NEXUS'20

Every year, the students of our college put together an issue of our magazine, Nexus. This year, our editor Ms. Kaviya Madhura and the Joint Editor Ms. Subhiksha took the responsibility of putting together the 6th issue. The editing committee came up with new ideas to include in the magazine. They also collected drawings, writings and other creative input from our students. They also conducted many interviews of various professors and put it together for the reading pleasure of staff and students. The committee also worked on fun puzzles, riddles, jokes and memes – all medical related! Our editor and her team had completely envisioned a very exciting issue from cover page till the last pages, containing batch photograph and gave us a remarkable magazine to read. As icing to the cake, this issue was released during the Republic Day, 2021 celebrations by our chairman, Shri M. Dhanasekaran. It was well received and the editing committee was appreciated for their creativity and organizing skills.

Every year, the students of Sri Manakula Vinayagar Medical College take pride in felicitating our teachers with fun, games and other prizes on September 5th, Teacher's Day as a thanks for all the hard work and effort they put into our education and lives. 2021 was no exception.

The event get started with welcome address by our President, Ms. Nekaa Nithya Sre, After a difficult pandemic and a year, it was heartwarming to welcome our teachers to a day meant to celebrate them. Dr.D. Rajagovindan (Director), Dr.R.N.Kagne (Deputy Director and Dean), Dr.K.Karthikeyan(Dean Academic) and Dr.M.Pragash (Medical Superintendent) graciously attended the event as our Chief Guests.

The day began with a few informal games organized by our student council members for all our staffs. It was rewarding to see them have fun with games like Connexions, Dumb Charades and Bingo. As an additional treat to them and ourselves as well, our teachers also performed on the stage and showed us that they are so much more than just lectures and slides. For the games played, the winners were congratulated and awarded small mementos by our honorable chief guests. It was concluded by a heartfelt expression of gratitude from our General Secretary, Mr. I.Naveen to all our staffs for their commitment, sincerity and dedication in teaching us more than just textbook.

FIESTA'21

It is always a pleasure to welcome someone into a family. It is no different when a new batch of students join a college and add more value and insight to an age-old institution. Zephyrus, the new batch of 2020, was welcomed into the Manakula family with much ado and celebration. On October 1st, Fiesta 2021 was conducted by the student council members' of 2020.

The evening was filled with performances by the Freshers batch, who took no hesitation in show-casing their talents in singing, dancing, acting and even mimicry to an entire auditorium which had students from all the other batches. The hall was filled with so much positive energy and vibration. On stage and off-stage dancing was in full swing and the energy only increased with every performance. The evening ended with a special performance by 2 members of the 2017 batch dedicated to the juniors in the form of a crowd sourced concert, which was enjoyed by all the students. It was gratifying to have an evening filled with such fun and pomp after a trying pandemic. Fiesta 2021 was an event that shall not be forgotten, hopefully, by any upcoming batches.

MANTRA'19 - INTRACOLLEGE CULTURALS

Dates of Pre Mantra Events: From Feb 21st to March 2nd, 2019

Events: General Quiz, Dumb Charades, Cini Quiz ,Mehandi, Face painting

MANTRA the Annual College Culturals, a 3 day extravaganza. A funfilled, colourful event that is a great platform for the display of the cultural talents of the students, this Intracollege cultural event stands tall as the most awaited and most enthusiastic event of the year. Mantra has been conducted since the initiation of the college for the prosperity of the students. Since the initiation of the Student's Council, the event has been brought under the leadership of the Council. The entire show runs from the funds collected for the Student's Council at the starting of the event along with a hefty contribution from the management. This paves the way to maintain originality and decorum of the event in addition to giving a sense responsibility for the students to effectively manage funds. A major highlight of MANTRA is the Proshow. Held at the outdoor, it transports you straight to the feeling of experiencing a grand music concert right here at our college premises. With celebrity singers gracing the stage year after year, the Proshow is a dazzling experience for the students. The

SIMSCON'19

SIMSCON abbreviated as "South Indian Medical Students' Conference" is an annual academic event organized by SMVMCH for the welfare of its students. Though the name abbreviated to South India the event attained the status of National Level Conference where students all over the Country actively participates in this event. SIMSCON has its roots to have been founded as early as 2009.This event which was functioning under the faculty was brought under the roof of The Student Council which was warmly embraced by the Council as the major event.

The Student Council has two designated posts for SIMSCON as "Secretary for SIMSCON- Pre Conference works" who heads the Workshop day and the post "Secretary for SIMSCON- Conference" who heads the Conference days of the event.

No sponsors are sought for this event too. The entire event runs from the fund collected from the Student registration as the registration fee at the beginning of the year along with colossal contribution from the management. This gives the students the liberty to grace the event for only a minimal registration fee without compromising the quality of the event.

The Conference event for the year 2019 was ostentatiously held between the Dates of July 4, 5 & 6. A core committee was formed as the first endeavor which was guided by the Staff in charges who gave their inputs whenever and wherever necessary.

members were given mementos which were funded by the students inscribed with their name.

SAYONORA'19

We conducted Sayonora'19, the Farewell day for the Batch 2015 along with batch of 2016. It was conducted on Evening of September 23rd 2019 which turned out to be a remarkable event filled with the essence of serenity, love and sentiments for both batches. The place was filled with happy faces who engraved their last day of togetherness with snapping selfies and pictures. We dedicated videos to the batch of 2015 which were heart melting and them ramp walk, fun games, music and impassioned speech followed. Our seniors were given unique titles after conducting a poll which added zing to the event. As a sign of love, we gifted a memento to our seniors and the day settled with exquisite banquet dinner for both batches.

ORIENTATION DAY

Orientation program for the freshers were conducted along with cultural and sports which were conducted for one full day.
