

Annual report (2021-2022)

Respected Chairman and Managing Director Shri. M. Dhanasekaran, Respected vice Chariman Shri S.V. Sugumaran, Beloved Secretary Dr.Narayanasamy Kesavan, Deputy Director and Dean Dr.R.N.Kagne, Dean Academic Dr.K.Karthikeyan, Dean Research Dr.G.Kalaiselvan, Medical Superintendent Dr.M.Pragash, Deputy Medical Superintendent Dr.S.Girija & Dr.M.Jayashree, Respected Director & Principals of the Sister Concern Institutions, Respected Registrar Shri.T.Dharchinamoorthy, Dear Colleagues, Parents and students. Pleasant Good Morning to all of you.

I am honored and consider myself extraordinarily fortunate to be here among you on this joyous inaugural ceremony of 16th batch of MBBS Students. At the outset I would like to welcome you all to the SMVMCH family.

By the grace of Almighty, You are graced to enter this prestigious institution to chase your dreams of becoming a doctor amidst many still fighting for a chance to get in. Let me extend my hearty congratulation and best wishes to all of you. We congratulate you for having chosen this profession. I would like to congratulate your parents and schoolteachers for shaping you so well and making you successful. It is the noblest of all professions. On behalf of the management, faculty, staff and your seniors, I welcome you with open arms, whole heartedly.

To this distinguished audience of colleagues, parents and students, I am proud to say that our institution has a strong foundation of illustrious men like our Chairman and Managing Director, Vice-Chairman and Secretary whose intelligence, perseverance and dedication to serve has built up this institution to become one of excellent health care provider in this region within a short span.

SMVMCH is a premier centre that has aimed to provide the perfect resources on medical education for disseminating knowledge and skills among students. SMVMCH is a far-sighted Endeavour to bring excellence in the realm of health education with a firm determination and commitment to foster a holistic approach towards the development of professional Education.

DR. RAGNE. R.N
DEAN
SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
KALITHEERTHALKUPPAM,
PUDUCHERRY-605107.

SMVMCH's 15 years journey is an acknowledgement of the untiring efforts of our teaching, non-teaching staff, Management and students, who have dedicatedly, serve this institution over these years. Our determination to go ahead despite the challenges, our loyalty to the organization and commitment to its values together with the visionary leadership provided by many have shaped the SMVMCH of today, leaving an inspiring example for tomorrow.

Generally the thought of all parents joining a kid in any institution is all about few questions like Academics, Safety, Food, and Health concerns. I am here in front of you to assure regarding all the queries.

In concern with the Academics and infrastructure, we have a fully equipped college with dedicated teachers willing to help round the clock. Our hospital is ultra modern, with multi specialty tertiary care with medical research centre. The hospital has an inpatient capacity of 750 beds inclusive of 50 critical care beds in different specialties, a well established Emergency medicine department with 25 beds catering the best life saving emergency needs and super-specialties like Nephrology, Cardiology and CTVS, Neurology, Neurosurgery, medical and Surgical Gastroenterology, Medical & Surgical Oncology services. The institution is planning to start a Liver care clinic (Hepatology Unit) very soon. The services offered here are comprehensive covering investigation and diagnosis to therapy, surgery and post operative care. The inpatient services are complemented with a day care centre, outpatient facilities and an exclusive center for health check up for all. Our hospital has adequate number of patients with a variety of diseases giving you a wide range of exposure from simple to the most complicating diseases for the welfare of our student's knowledge. The students are allowed to access the services at any time.

"Reading is to the mind what exercise is to the body".

Dr. KAGNE. R.N
DEAN

The institution has an excellent library which has around 17000 books and 150 journals also has an e-library and manned by caring and trained staff to help and guide you and it is also run in a student friendly time schedule. Students have a separate own book reading room which is available till 10 pm on normal days and 24 hours during the university exam days. It is a big challenge before you to build competence and professionalism with appropriate confidence in you and to make in you a capable, competent, safe and compassionate doctor.

SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
KALITHEERTHA KURPAM,
PUDUCHERRY-605107.

We have conducted Conferences / CMEs/ Workshop / Training Programs in recent trends for internal and external faculty, organized by all the departments including the Medical Education Unit and Research Committee under guidance of IQAC. We have also organized gender awareness programs during International Womens' day and special sports events for women. Seminars were conducted on 'Stress Management' on 8th February 2022, 'Violence against Women' on March 21st 2022, and on Women Empowerment on April 4th 2022. A talk was organized on 'Women safety' on August 27, 2021 and on 'Women entrepreneurship skill, attitude & behavioural development' on December 24th, 2021. The institution also organised World breast feeding awareness week, well women health checkup, female's senior citizen health checkup, Breast cancer screening and cervical Pap smear screening programs to promote women welfare.

In the past fourteen years journey, SMVMCH has won many medals, topped the university ranks in all the subjects and we are proud that we still continuing holding the honour of wining the highest number of medals each year.

In the immediate past year, Our first year students have 32 *distinction* in Anatomy, 37 *distinctions* in Physiology, 54 *distinctions* in Biochemistry and 98 % pass in I year.

Our second year students have got 67 *distinctions* in Pharmacology, 14 *distinctions* in Pathology, 61 *distinctions* in Microbiology, 68 *distinctions* in Forensic Medicine and 93 % Pass in II year.

Our third year students have got 17 *distinctions* in Community Medicine, 21 *distinctions* in ENT, 56 *distinctions* in ophthalmology and 98 % Pass in III year.

Our Final year students have got 4 *distinctions* in General Medicine, 6 *distinction* in General Surgery, 9 *distinctions* in OBG, 18 *distinctions* in Pediatrics and 85 % Pass in IV year. The overall pass percentage of undergraduates was 89% and of the postgraduates was 90%.

"When your desires are strong enough, you will appear to possess superhuman powers to achieve."
Napolean Hill

Dr. KAGNE. R.N
DEAN

Our student's desires are strong and we are proud to say our alumni's are placed in various institutes across India and a few abroad. Last year, 45 of our students (Around 50%) cleared NEET exams and 5 have placed themselves in AIIMS, Delhi, 2 in Jipmer, and others in various prestigious institutes and 4 have joined Post Graduation in Armenia and U.K.

My only wish and request to this 16th batch is I want to see that this batch brings the honor of winning all top ten ranks in each subject by creating a record in the history of SMVMCH.

"Talent wins games, but teamwork and intelligence win championships." – Michael Jordan

We have hostel accommodation for the students. "A home away from home". Separate fully furnished hostel rooms are available for both boys and girls. Both vegetarian and Non-vegetarian foods are available in the hostel mess. I would like to assure you that you can expect a safe and comfortable stay in the campus. You will receive all necessary help and support from your seniors, hostel staff and faculty members to acclimatize yourself at the earliest.

According to Samuel Johnson, "all intellectual improvement arises from leisure." So, the leisure time of the students are also well taken care of. We have facilities for indoor and outdoor games.

You have every freedom to enjoy yourself making the best use of the time; environment and facilities provided here provided if you live responsibly. You are all adults now. I am sure you would like to be treated as one and we expect you to behave as one. All things here are ours- the furniture, books, hostels, etc- so take care of them as if they were your own. All things that we do here are for ourselves, so participate in them actively and whole heartedly.

At present we operate buses and vans from Pondicherry and Villupuram covering almost all areas for the benefit of our staff and students.

I would also request the parents to have frequent visits at least monthly once to enquire about your wards progress in spite of our regular message updates. Kindly avoid encouraging to kids to take leaves frequently, until the purpose is necessary and valid. As the responsibility is shared, we request you to contribute equally. We will be happy if your wards are provided with basic model mobile handset rather than costly, modern gadgets which are used for entertainment. We would also request you to get them a postpaid mobile connection to have a track on where things are going wrong or mislead.

We expect throughout the MBBS course you follow certain guidelines and tips: Here they are:

Attend classes regularly: Missing the classes means missing several important points, experiences and tips that teachers share in their lectures. They are seldom found in any books.

Know the lesson plan: Go through the topic beforehand to have a rough idea. This will help you to pick up what the teacher is mentioning in his lectures easily. You can do this only when you know the lesson plan.

Be keen to learn: You must have a keen interest to go through a medical dictionary whenever you find a new medical terminology. This will help you a lot in understanding different topics.

Dr. KAGNE, R N
DEAN

SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
KALITHEERTHALKUPPAM,
PONDICHERRY-605107.

Regular studies: Study regularly 4-6 hours a day, even when there are no exams. At this time, you should concentrate on making notes, highlighting important texts in the book, creating mnemonics and every other thing that can be done to make studying easier for the future. Increase your study speed and writing speed.

Revise frequently: First time when you read a topic, it may take you an hour. The second reading may take you 45 minutes and you'll notice that the third reading won't take you more than half an hour.

Discuss subject matter and questions with your friends and recall.

As per Pondicherry University norms we will conduct 8 internal assessment examinations and one Model examination during the academic year. We will take the average of the scores obtained in all 9 examinations and convert it for 40. The Minimum requirement to appear for the University examination is 50% Marks in internal assessment examination and 85% attendance in theory, practical and tutorials. Failing which the student will not be eligible to appear for the University examination. We will send the progress report periodically and I urge the parents to get involved in your children's education right from the beginning. We expect the parents to interact with the faculty as and when required to see that the minimum requirements of your wards are met with.

One of the goals of SMVMCH's educational program is to encourage independence and responsibility that are characteristic of a mature young adult. Since an orderly atmosphere is necessary for learning to take place, a discipline code that provides for the personal welfare of all the students, as well as for the common good of the entire college, is essential. A list of misbehavior and misconduct and attendance consequences is available in the college office. I request all the students to be familiar with these rules. Here I would like to make a special emphasis that ragging of any kind is prohibited in this campus and the list of anti ragging committee with the mobile numbers is made available in the college and Hostel Sign- Boards and any assistance needed in this regard will be provided immediately.

We believe that the learning environment is affected by the overall appearance of the student community. However true it may be that one's appearance is a personal choice; it is nevertheless the responsibility of the college to maintain reasonable control of dress code to encourage that which is appropriate and discourage which is inappropriate. We advise students to wear formal shirt and pants tucked in with black or brown leather shoes for boys and for girls, Churidars or sarees with shoes. Casual dresses/ Leggings/ T - Shirts/ Tight dresses are not allowed inside the campus during working hours.

Communication devices are not permitted during regular college hours. Students who bring these items to college must place them in their locker or bag before the start of the 1st period of the day. Even in the hostels use of cell phones is prohibited after 10.00 pm. Usage of cell phone after 10.00 pm

Dr. KAGNE. R.N
DEAN

SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
KADITHURTHALAYUPPAM,
PUDUCHERRY-605107.

and usage of the devices during working hours will result in the seizure of the instrument without any consideration.

SMVMCH is deeply rooted in the principles of Teaching, learning, serving and inventing. All of us who have had the privilege of serving SMVMCH are inspired by the working cause of nurturing medical students and its commitment to create ever growing value for our Indian society. All of our staff is dedicated to this super-ordinate goal. Personally for me, it is an honor to be at the helm at this defining moment in SMVMCH's history. I deem it a special privilege. I believe that our background and circumstances may have influenced who we are, but we are responsible for who we become.

Here I conclude with the quote by Sushruta

“Having studied the science, having grasped the meaning, having acquired the skills, having operated on dummies, And with ability to teach the science, a physician should enter the profession.”

On this occasion, I welcome you all once again and I wish you all a successful career.

Thank you.

Our Final year students have won **Gold medal** in General Medicine, OBG, Pediatrics and **Silver medal** in General Surgery, Pediatrics, OBG, **Bronze medal** in Pediatrics. Our Students have scored University 1st, 2nd, 4th, 6th, 8th, 9th & 10th ranks in General Medicine, 2nd, 4th, 5th, 6th, 7th, 10th ranks in General Surgery, 1st, 2nd, 4th, 5th, 8th, 9th, 10th Rank in OBG and **all Ranks from 1st to 10th in Pediatrics**. Also they have secured 7 distinctions in General Medicine, 1 distinction in General Surgery, 6 distinctions in OBG, 11 distinctions in Pediatrics.

Our postgraduate student's results were 100% in the departments of Biochemistry, Pharmacology, and Pathology, Community medicine, and TB & Respiratory medicine, Psychiatry, Gen. Surgery, Ophthalmology, Orthopedics, ENT, OBG and Radio-diagnosis. **The overall pass percentage of UG students was 76% and that of PG was 90%.**

"When your desires are strong enough, you will appear to possess superhuman powers to achieve."- Napoleon Hill

Our student's desires are strong and we are proud to say our **Students are placed in various institutes across India and a few abroad. Last year, 45 of our students (around 50%) have cleared NEET exams and 5 have placed themselves in AIIMS, Delhi, 2 in Jipmer, and others in various prestigious institutes and 4 have joined Post Graduation in Armenia and U.K.**

My only wish and request to this 14th batch is I want to see that this batch brings the honor of winning all top ten ranks in each subject by creating a record in the history of SMVMCH.

“Talent wins games, but teamwork and intelligence win championships.” – Michael Jordan

Our students also excel in sports. In Adwaita – 2019 – Conducted by IGMC, our Badminton team (Women) holds the position winner and in Cricket, Badminton (Men), Basket Ball (Women), Volley Ball (Women), Table Tennis team (Men) holds the position runner.

Various Conferences / CMEs/ Workshop / Training Programs for internal and external faculty by the departments of SMVMCH including the Medical Education Unit and Research Committee under guidance of IQAC. We have also organized programs during International Womens’ day and special sports events for women to promote gender equity among the students. The institution also ensures welfare of women by organizing World breast feeding awareness week, well women health checkup, female’s senior citizen health checkup, Breast cancer screening and Cervical pap smear screening programs.

We have hostel accommodation for the students. **“A home away from home”**. Separate fully furnished hostel rooms are available for both boys and girls. Both vegetarian and Non-vegetarian foods are available in the hostel mess. I would like to assure you that you can expect a safe and comfortable stay in the campus. You will receive all necessary help and support from your seniors, hostel staff and faculty members to acclimatize yourself at the earliest.

According to Samuel Johnson, **“all intellectual improvement arises from leisure.”** So, the leisure time of the students are also well taken care of. We have facilities for indoor and outdoor games.

You have every freedom to enjoy yourself making the best use of the time; environment and facilities provided here provided if you live responsibly. You are all adults now. I am sure you would like to be treated as one and we expect you to behave as one. All things here are ours- the furniture, books, hostels, etc- so take care of them as if they were your own. All things that we do here are for ourselves, so participate in them actively and whole heartedly.

At present we operate buses and vans from Pondicherry and Villupuram covering almost all areas for the benefit of our staff and students.

I would also request the parents to have frequent visits at least monthly, once to enquire about your wards progress in spite of our regular message updates. Kindly avoid encouraging to kids to take leaves frequently, until the purpose is necessary and valid. As the responsibility is shared, we request you to contribute equally. **We will be happy if your wards are provided**

Dr. KAGNE. R.N

with basic model mobile handset rather than costly, modern gadgets which are used for entertainment. We would also request you to get them a postpaid mobile connection to have a track on where things are going wrong or mislead.

We expect throughout the MBBS course you follow certain guidelines and tips: Here they are:

Attend classes regularly: Missing the classes means missing several important points, experiences and tips that teachers share in their lectures. They are seldom found in any books.

Know the lesson plan: Go through the topic beforehand to have a rough idea. This will help you to pick up what the teacher is mentioning in his lectures easily. You can do this only when you know the lesson plan.

Be keen to learn: You must have a keen interest to go through a medical dictionary whenever you find a new medical terminology. This will help you a lot in understanding different topics.

Regular studies: Study regularly 4-6 hours a day, even when there are no exams. At this time, you should concentrate on making notes, highlighting important texts in the book, creating mnemonics and every other thing that can be done to make studying easier for the future. Increase your study speed and writing speed.

Revise frequently: First time when you read a topic, it may take you an hour. The second reading may take you 45 minutes and you'll notice that the third reading won't take you more than half an hour.

Discuss subject matter and questions with your friends and recall.

As per Pondicherry University norms we will conduct 8 internal assessment examinations and one Model examination during the academic year. We will take the average of the scores obtained in all 9 examinations and convert it for 40. The Minimum requirement to appear for the University examination is 50% Marks in internal assessment examination and 85% attendance in theory, practical and tutorials. Failing which the student will not be eligible to appear for the University examination. We will send the progress report periodically and I urge the parents to get involved in your children's education right from the beginning. We expect the parents to interact with the faculty as and when required to see that the minimum requirements of your wards are met with.

One of the goals of SMVMCH's educational program is to encourage independence and responsibility that are characteristic of a mature young adult. Since an orderly atmosphere is necessary for learning to take place, a discipline code that provides for the personal welfare of

Dr. KAGNE. R.N
DEAN

SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
KALITHEERTHALKUPPAM,
PONDICHERRY-605107.

all the students, as well as for the common good of the entire college, is essential. **A list of misbehavior and misconduct and attendance consequences is available in the college office. I request all the students to be familiar with these rules.** Here I would like to make a special emphasis that ragging of any kind is prohibited in this campus and the list of anti ragging committee with the mobile numbers is made available in the college and Hostel Sign-Boards and any assistance needed in this regard will be provided immediately.

We believe that the learning environment is affected by the overall appearance of the student community. However true it may be that one's appearance is a personal choice; it is nevertheless the responsibility of the college to maintain reasonable control of dress code to encourage that which is appropriate and discourage which is inappropriate. We advise students to wear formal shirt and pants tucked in with black or brown leather shoes for boys and for girls, Chudidhars or sarees with shoes. Casual dresses/ Leggings/ T - Shirts/ Tight dresses are not allowed inside the campus during working hours.

Communication devices are not permitted during regular college hours. Students who bring these items to college must place them in their locker or bag before the start of the 1st period of the day. Even in the hostels use of cell phones is prohibited after 10.00 pm. Usage of cell phone after 10.00 pm and usage of the devices during working hours will result in the seizure of the instrument without any consideration.

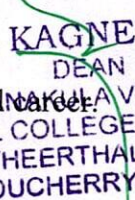

SMVMCH is deeply rooted in the principles of Teaching, learning, serving and inventing. All of us who have had the privilege of serving SMVMCH are inspired by the working cause of nurturing medical students and its commitment to create ever growing value for our Indian society. All of our staff is dedicated to this super-ordinate goal. Personally for me, it is an honor to be at the helm at this defining moment in SMVMCH's history. I deem it a special privilege. I believe that our background and circumstances may have influenced who we are, but we are responsible for who we become.

Here I conclude with the quote by Sushruta

“Having studied the science, having grasped the meaning. Having acquired the skills, having operated on dummies, And with ability to teach the science, a physician should enter the profession.”

On this occasion, I welcome you all once again and I wish you all a successful career.

Thank you.

Annual Report 2018-19

Distinguished Chief Guest, Mr.Shakthi, Founder and CEO OF Healer Foundation, Our Dynamic Chairman and Managing Director, Shri M. Dhanasekaran who is the visionary and architect of this SMVMCH, Dignified Vice Chairman, Shri S.V. Sugumaran ,our political icon, Estimable Secretary Dr. Narayanasamy Kesavan, young and energetic asset of our institution, Beloved Deputy Director & Dean Dr. R.N.Kagne, Laudable Dean Academic Dr. K. Karthikeyan, Excellent and Innovative Dean Research Dr. Amol Dongre, Clever and Proactive Medical Superintendent Dr.M.Pragash, Beloved Dr.V.S.K.Venkatachalapathy, Director, SMVEC, Beloved Dr.S.Malarkkan, Principal, MIT, Respected Principals of Our sister Institutions, Our most cherished Registrar Mr.T.Dhatchinamurthy, Dear colleagues, Faculties , Parents, Media persons and my dear Students, a pleasant Good Evening to all of you.

It gives me immense pleasure and pride in presenting the Annual report for the year 2018-2019 of our institute, Sri Manakula Vinayagar Medical College and Hospital.

“Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations.”

With triad approach we are able to achieve sustainable results year after year, and I stand in front of you, proud to sum up our academic achievements for the academic year of 2018-19.

As Dr.Abdul Kalam states “Excellence is a continuous process and not an accident.”

I feel elated to announce the excellent performance of our beloved students who have bagged ranks at university level and college level in the recently held University examinations. **The overall pass percentage of the undergraduate students passed out in 2018-2019 was 83%.**

Our First year students have secured 1st , 3rd , 4th , 5th , 7th , 9th University ranks, 63 distinctions and at our departmental level Ms. Nisha.M secured the 1st rank, Mr. Arunachalam.K secured the 2nd rank and Ms.Divya.C secured the 3rd rank in Anatomy.

In Physiology our students have secured 1st , 2nd , 3rd , 4th , 6th , 7th , 8th , 10th ranks 43 distinctions at the university level and at Department Level, Ms. Nisha.M secured the 1st rank, **Dr.KAGNE, R.N** and Mr.Lokesh.K shares the 2nd rank and Ms.Gopiga.I secured the 3rd rank.

Medical College and Hospital

In Biochemistry our students have secured 3rd, 4th, 5th, 6th, 8th, 9th, 10th ranks at the university level, 63 distinctions and at Department Level, Mr.Arunachalam.K and Ms. Nisha. M shared the 1st rank, Ms.Gopiga.I secured the 2nd rank and Ms.Archana.R secured the 3rd rank.

Overall of Pre-Clinical batch, Ms. Nisha.M secured the 1st rank, Ms.Gopiga. I secured the 2nd rank and Ms.Divya.C secured the 3rd rank at our college level.

Our Second Year students have secured the 1st, 2nd, 5th, 7th, 8th & 10th ranks,53 distinctions at the university level and at Department Level, Ms. Preethi.R secured the 1st rank, Ms. Kiruthika.M secured the 2nd rank and Ms.Aparna Aishwarya Devi.K secured the 3rd rank in Pharmacology.

In Pathology our students have secured 1st, 3rd, 6th, 7th, 8th, 10th ranks17 distinctions at the university level and at Department Level, Ms. Preethi.R secured the 1st rank Ms.Vasumathi.R secured the 2nd rank and Ms.Jayasti.P secured the 3rd rank

In Microbiology our students have secured 1st, 3rd, 5th, 7th ranks 6 distinctions at the university level and at Department Level, Ms. Preethi.R secured the 1st rank, Ms. Vinodhini.U secured the 2nd rank and Ms.Aparna Aishwarya Devi.K, Ms. Karthika Devi D.S, Ms.Nithiyasree.S, Ms.Reshma.P shares the 3rd rank

In Forensic Medicine our students have secured 6th, 7th, 9th ranks 38 distinctions at the university level and at Department Level, Ms.Aparna Aishwarya Devi.K secured the 1st rank, Ms.Bhuvana.J secured the 2nd rank and Ms. Gayathri.K and Ms.Kiruthika.M shares the 3rd rank

In Para Clinical, Ms. Preethi.R secured the 1st rank, Ms. Kiruthika.M secured the 2nd rank and Ms.Reshma.P secured the 3rd rank at College Level.

Our Pre-Final students have secured 1st,2nd,3rd, 5th,6th,7th, 9th ranks,14 distinctions at the university level and at Department Level, Mr. Jaswanth Kumar.J secured the 1st rank, Ms. Ishwarya.P secured the 2nd rank and Ms. Meena .N secured the 3rd rank In Community Medicine

In Ophthalmology our students have secured 3rd,4th,8th,9th,10th ranks 20 distinctions at the university level and at Department Level, Ms. Meena .N and Ms.Rajmeena.A shares the 1st rank, Mr. Jaswanth Kumar.J secured the 2nd rank and Ms. Ishwarya.P and Ms. Sahaana. S shares the 3rd rank

Dr. KAGNE. R.N
DEAN
SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
KALITHEERTHALKUPPAM,
PUDUCHERRY-605107.

In ENT, our students have secured 1st, 2nd, 3rd, 4th, 7th, 8th, 9th, 10th ranks 15 distinctions at the university level and at Department Level, Ms. AnandhaEswari .P secured the 1st rank, Mr. Jaswanth Kumar.J secured the 2nd rank and Ms.Rajmeena.A secured the 3rd rank

In Pre-Final at College Level, Mr. Jaswanth Kumar.J secured the 1st, Ms. Meena .N secured the 2nd rank and Ms. Ishwarya.P secured the 3rd rank

Our Final Year students have secured the 1st, 2nd, 4th, 6th, 8th, 9th, 10th ranks 7 distinctions at the university level and at Department Level, Ms. M.S.Anugraha secured 1st rank, Ms. Shanmathy .S and Ms. Shreya Biswal shared 2nd rank and Ms. Nourin. N and Ms. Shanmuga Priya .A shares 3rd rank in General Medicine

In General Surgery our students have secured 2nd, 4th, 5th, 6th, 7th, 10th ranks, 1 distinctions at the university level and at Department Level, Ms. Shreya Biswal secured the 1st rank, Ms. M.S.Anugraha and Ms. ViswaNandhini.B shares the 2nd rank and Ms. Kavi priya .K secured the 3rd rank

In OBG our students have secured 1st, 2nd, 4th, 5th, 8th, 9th, 10th ranks 6 distinctions at the university level and at Department Level, Mr. Anandh Balaji .S secured the 1st rank, Ms. ViswaNandhini.B secured the 2nd rank and Ms. M.S.Anugraha and Ms. Shanmathy .S shares the 3rd rank

In Paediatrics our students have secured 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th ranks 11 distinctions at the university level and at Department Level, Ms. Soundarya Devi secured the 1st rank, Ms. Jeevitha S secured the 2nd rank and Ms Shreya Biswal secured the 3rd rank

In Final Year at College Level, Ms. Shreya Biswal secured the 1st rank, Ms. M.S.Anugraha secured the 2nd rank and Ms. Shanmathy.S secured the 3rd rank.

Our Post graduate results were 100% in Physiology, Biochemistry, Pathology, Microbiology, Forensic Medicine, Respiratory medicine, Dermatology, Paediatrics, General surgery, Orthopedics, ENT, OBG, Anaesthesiology and Radio diagnosis. The overall pass percentage of the Post graduate batch was 90%.

Apart from the routine curriculum and achievements in academics, our students are also equipped when it comes to Co-curricular activities. I mean *"Facing challenges with determination and confidence is what matters"* and our students have proved it by taking part in various co-curricular activities like quiz competitions, seminars, paper presentations and conferences. We take pride in congratulating their efforts. 30 of our students won prizes in various Quiz competitions

and paper presentations held during the academic year 2018-2019. "Only those who dare to fail greatly can ever achieve greatly." A famous quote by Robert.F.Kennedy , and many of our students who completed their course have achieved Post-Graduates seats by clearing NEET PG and have been placed in prestigious Institutes like AIIMS, JIPMER , PGI Chandigarh and many more. Few of them are in defence services. I feel proud personally to see my children reach greater and greater heights. On behalf of all I wish all of them a great start and success.

"A good teacher is a good student first. By repeating his lessons, he acquires excellence." Few of our faculty have tried to acquire excellence by taking state level, national and international courses and developed their expertise through various fellowships and scholarships. I feel proud to list out the names of the faculty achievements and their accomplishments.

1. Dr. Amol R Dongre, Professor of Community Medicine completed Masters in Health Professions Education from Keele University, UK.
2. Dr. Kalaiselvan G, Professor of Community Medicine was selected as Chairman of State Task Force RNTCP of Puducherry State.
3. Dr Suguna E, Associate Professor of Community Medicine was selected for a Commonwealth Distance Learning Scholarship offered by Cardiff University. This Commonwealth Scholarship is funded by the UK Department for International Development (DFID).
4. Dr. Suguna E, Dr. Vinayagamoorthy V, and Dr. Thirunavukarasu MR, Associate Professors of Community Medicine holds the position of Honorary Consultants for World Health Organization Collaborating Centre (WHOCC) for Community Participation in Palliative Care and Long Term Care.
5. Dr. Singaravelu M, Professor of Pediatrics has awarded as "Best doctor" award by IMA - Tanjore branch and "Senior Pediatrician" award by IAP – Tamilnadu state branch in the year 2018.
6. Dr.Kumar.R, Prof. and Head of Psychiatry was awarded "Life time achievement award" by Tamilnadu State branch in the year 2018.
7. Dr. Shivayogappa S. Teli, Professor & Head of Physiology was awarded Medical Researcher of the year 2018 by Med world Asia Internal Publication 2018, Pune.

Dr. KAGNE R.N
DEAN

SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
KALITHEERTHALKUPPAM,
PUDUCHERRY-605107.

8. Dr. M. Jayasree, Professor Dept. of Obstetrics & Gynecology has obtained Fellowship and Additional qualification on MRCOG, Royal college of Obstetrician and Gynaecologist, London in 2015
9. Dr. K.S. Veena, Assoc. Professor Dept. of Obstetrics & Gynecology has obtained Fellowship and Additional qualification on MRCOG, Royal college of Obstetrician and Gynaecologist, London in 2018.
10. Dr. A.K. Badrinath Prof and Head, Dept. of. Medicine holds the position of Associate fellow AFISC in Indian society of cardiology. He is also awarded FRCP with a distinction and fellow physician by the Royal College of Physicians and Surgeons Glasgow on 25th January 2019.

“No research is ever quite complete. It is the glory of a good bit of work that it opens the way for something still better, and this repeatedly leads to its own eclipse.” And it’s a great honour to state that our faculties have published 150 research papers in various National and International journals during last academic year which is a fruitful result of Dr.Amol R Dongre Dean Research’s consistent perseverance.

Various departments of SMVMCH including Medical Education Unit and Research Committee under guidance of IQAC, organized Conferences / Workshop / Training Programs for internal and external faculty. We have organized 144 such programs during the last Academic year. A debate entitled ‘Prioritising women then and now’ and a seminar on ‘Awareness of gender harassment at work place’ were organised in lieu of International Womens’ day and special sports events were also conducted for women. World breast feeding awareness week, well women health checkup, female’s senior citizen health checkup, Adolescent girls program, Breast cancer screening and Cervical pap smear screening programs were also organised to promote the welfare of women.

Our faculty and PG students attended various National & International conferences and presented 50 papers during the academic year of 2018-19. Here at SMVMCH, we don’t only encourage academics but also encourage students to participate in Extra-curricular activities and they excelled in such areas too. Here I would like to highlight a few of the extra-curricular activities, achievements in the last academic year,

Our sports team secured various position in the sports events. In the event of PPGASUS - 2018 (Conducted by Christian Medical College), our Cricket team is the Winner, In Athletics P.S.R. Raju

Dr. KAGNE. R N
DEAN

SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
WILHELMSTRASSE, P.S.R. RAJU
PUDUCHERRY-605107.

of 2016 Batch has secured 2nd place in shot put, Ram prasath of 2014 Batch has secured 1st place in shot put and 3rd place in Discus throw

AURO-2018 (conducted by Pondicherry Institute of Medical Sciences) in Athletics P.S.R.Ragul got the 1st place in Shot put, 2nd place in Discus throw and 3rd place in Javlin throw. Rajanisha has secured the 1st place in Discus throw, 2nd place in Shot Put and 3rd place in Javlin throw.

In Adwaita – 2018, (conducted by IGMC), our cricket team is the winner.

The stated accomplishments by our colleagues and students were possible only by the constant support and encouragement of our management. We are thankful for the opportunities paved for our development and invincible growth.

We send the progress report periodically and I urge the parents to get involved in your children's education right from the beginning. We expect the parents to interact with the faculty as and when required to see that the minimum requirements of your wards are met with. I would also request the parents to have frequent visits at least monthly once to enquire about your wards progress in spite of our regular message updates. Kindly avoid encouraging to kids to take leaves frequently, until the purpose is necessary and valid. As the responsibility is shared, we request you to contribute equally. We will be happy if your wards are provided with basic model mobile handset rather than costly, modern gadgets which are used for entertainment. We would also request you to get them a post-paid mobile connection to have a track on where things are going wrong or mislead. We expect throughout the MBBS course you abide by the following guidelines and tips:

Attend classes regularly: Missing the classes means missing several important points, experiences and tips that teachers share in their lectures. They are seldom found in any books.

Know the lesson plan: Go through the topic beforehand to have a rough idea. This will help you to pick up what the teacher is mentioning in his lectures easily. You can do this only when you know the lesson plan.

Be keen to learn: You must have a keen interest to go through a medical dictionary whenever you find a new medical terminology. This will help you a lot in understanding different topics.

Regular studies: Study regularly 4-6 hours a day, even when there are no exams. At this time, you should concentrate on making notes, highlighting important texts in the book, creating mnemonics and every other thing that can be done to make studying easier for the future. Increase your study speed and writing speed.

Dr. KAGNE. R.N

DEAN

Discuss subject matter and questions with your friends and recall. We believe that the learning environment is affected by the overall appearance of the student community. The responsibility of the college is to maintain reasonable control of dress code to encourage that which is appropriate and discourage which is inappropriate. Students are advised to wear formal shirt and pants tucked in with black or brown leather shoes for boys and for girls, Churidars or sarees with shoes. Casual dresses/ Leggings/ T - Shirts/ Tight dresses are strictly not allowed inside the campus during working hours.

Communication devices are not permitted during regular college hours. Students who bring these items to college must place them in their locker or bag before the start of the 1st period of the day. Even in the hostels use of cell phones is prohibited after 10.00 pm. Usage of cell phone after 10.00 pm and usage of the devices during working hours will result in the seizure of the instrument without any consideration.

MEDICAL COLLEGE & HOSPITAL
KALITHEERTHALKUPPAM,
PUDUCHERRY-605 006

Sir, I assure, by our tireless toil and enthusiasm we would break the earlier records and make our Institution to reach the highest with the cooperation of colleagues and students.

Thank You All.
