Special camp - Geriatric general health check-up and mental health screening in Krupalaya Charitable Trust, Villupuram - *22nd September 2018*We celebrated World Alzheimer's day 2018 in Krupalaya Charitable Trust, Villupuram. On this day, we conducted a geriatric general health check up and mental health screening. We screened for chronic diseases like Diabetes, Hypertension and Anaemia. We also screened for Dementia using AD8 questionnaire. A total of about 40 elderly women were screened. This program was organized meticulously by Mr. Jayaraman (Medical Social Worker) and executed by Dr. Nancy. S (PG), Interns, Mrs. Jayanthi (Medical Social Worker) and Mrs. Mangalakshmi (ANM).

2. Special camp – in Villupram junction for Railway workers (30/3/19)

As a part of the activities at our Urban Health Training Center (UHTC), Villupuram, medical health checkup camp was conducted for Railway workers with collaboration of Scope India. For all the workers awareness on TB was given using flip book, and Hb was checked for all the patients (28) among them 10 patients were diagnosed with anemia, it was found most of the workers had habit of tobacco chewing and was advised to stop tobacco chewing and necessary medical advice was given. Free medicines were provided for them. Pamplets were also distributed to the workers

Awareness on De-Addiction followed by exposure visit to Thai's de-addition centre, Villupuram- ***18 December 2018.***

As a part of our UHTC activities, we made an exposure visit to Thai's de-addition centre, Villupuram on 18 December 2018. On this day, we interacted with the Medical social worker, and other staffs working there. We had collected information regarding the structure, staffs, patient's information, counselling and treatment. We interacted with the patients and asked about the treatment compliance and the struggle they face during the treatment course. We also obtained information from the staffs how they handle the patients during the course of the treatment. This exposure visit was arranged by Mr. Jayaraman (MSW). This visit includes Postgraduate and medical interns who interacted with the patients during the visit.

ADOLESCENT HEALTH AWARENESS PROGRAMME

DATE: 22.01.2018 and 23.01.2018

Venue: Government Schools, Villupuram

Team members: medical social workers - Mr. Jayaraman, Mrs. Jayanthi and Mrs. Bhuvaneshwari, Health inspector - Mr. Irusappan, Msc. Nursing students - Mr. Vazhmuni and Miss Dhanalakshmi and Interns

Adolescent health awareness programme for males (on **22-01-18**) and females (on 23-01-18). The "Adolescent general health awareness camp" was held at UHTC intended for Youth and adolescents from four villages in our service area, schools where we conduct health education and screening, and the paramedical colleges which we associate with. Thirty students from 8th and 9th standards from two of the Government Schools which we are associated took part in the event on 22nd January. Fifty eight female paramedical students from two colleges (Balaji paramedical institute and Thara paramedical institute) Villupuram took part in the event on 23rd January. There were stalls exhibiting posters and still models illustrating the risk factors, clinical manifestations and preventive measures for major NCD's (Systemic Hypertension/CVD, CKD, DM), and Flip charts and Pamphlets for HIV/AIDS, TB and Vector Borne Diseases and Vector Control. The program on 23rd January was presided by Mrs. Helen Rani, District Youth Coordinator, Nehru Yuva Kendra who motivated the adolescents about their social responsibility in the community. A quiz program assessing the students for their basic knowledge on diseases, drugs, risk factors, etc. was held for paramedical students on

CULTURAL PROGRAM FOR SENSITIZATION ON PALLIATIVE CARE AT THENNAMADEVI VILLAGE

DATE: 23.02.2018

Venue: Thennamadevi Village, Villupuram

Team members: Dr.E.Suguna and PGs- Dr.Balabaskaran, Dr.Divya, Dr.Pravin, Dr.Sindhuri, Dr.Padmavathy, Dr.Arulmozhi, Dr.Poomathy, Medical interns

Cultural program for sensitization on Palliative care at Thennamadevi village, Villupuram was conducted on 26.2.18 between 6.00pm to 9.00pm in a common place near a temple. This program was planned based on the request from the local people and support from volunteers working in Scope India. Around 150 village members attended the program. We went to Thennmadevi village and conducted cultural program regarding palliative care in collaboration with **Scope India (NGO)**. We started the program by welcome address followed **by Role plays, Mimicry, Dance performance** and motivational performance in that village. Dr.Suguna gave a speech to motivate the village members regarding the importance and need of palliative care program for the village members and how they can help the people in need. Lastly, we concluded with vote of thanks speech by Dr.Pravin. The event was conducted by the team of field workers at UHTC including Mr.Jayaraman (MSW), Miss. Valli (ANM), Mr. Vazhumuni, Miss. Dhanalakshmi (Msc Nursing) and Scope India students. The program was attended by Dr.E.Suguna and PGs- Dr.Balabaskaran, Dr.Divya, Dr.Pravin, Dr.Sindhuri, Dr.Padmavathy, Dr.Arulmozhi, Dr.Poomathy, Medical interns. The next step is to identify people who need palliative care in the village and to start home care services along with volunteer training programs. The village members showed interest and participated actively.

SCREENING PROGRAM FOR DRIVERS (AUTO AND CAR)

DATE: 22.05.2018

Venue: Villupuram Junction

Team members: PG, CRRI and MSW.

Screening program for drivers at Villupuram junction

As a part of UHTC field activities, we organized a screening program for drivers (auto and car) at Villupuram junction in collaboration with Scope India and Railway children project. This program was conducted as a part of observing World No Tobacco Day, 2018. The camp was held on 22.5.2018 at Villupuram Railway Junction. The program was inaugurated and attended by special guests Mr. Johan Pushk (senior program officer – Railway children project), Mr. Ashokan Sub-inspector (Railway police station), Mr.Nedujezhiyan, Director (Scope India), Mr. Sivaraj (President of Autostand). The program was coordinated by Medical Social Worker Mr Jayaraman, Dr Poomathy (Postgraduate), Dr Suguna and Dr Prabhadevi (Medical officer, UHTC). We had Dr Naveen, postgraduate from the Department of Ophthomology to conduct eye screening as many of the drivers had diabetes and hypertension. MrKaviarasan (Medical Social Worker, Thai Deaddiction Centre, Kollianur) gave a briefing and motivation about the services available for deaddiction. Fifty nine drivers attended the camp and 54 of them underwent eye screening of which 16 patients were referred to higher centre. The program was well received by all the attendees.

COMMUNITY BASED MEDICAL EDUCATION PROGRAM (CBME)

DATE: 08/07/2017 – 14.07.2017

Venue: Emapoor

Team members: Faculties, PGs, Interns and Students

Community Based Medical Education program is conducted every year for third and fourth semester MBBS students of our college. This year it is conducted in the village Emapoor, Thiruvennainallur for the period of one week from 19.3.18 to 25.3.18. Till date we have organized six CBME programs. The program was started with self-introduction and briefing with the student about the importance of the program. The students were divided into small groups and each group was guided by the faculty or post graduate or medical social worker. The students were introduced to the allotted family by the guide. The student's collected demographic characteristics, identified the environmental risk factors, carried out personal hygiene and diet survey for the family members of the allotted house using the format. The students also identified the family members suffering from acute and chronic medical problems. Medical camp was organized in the village to treat the acute medical condition. To ensure early clinical exposure, the students were asked to accompany the family members with medical problems to the medical camp and to observe the management by the treating doctor. Feedback in the form of open-ended questions were obtained from the students on the final day.

Health checkup camp for sanitary workers

Topic: Health checkup camp for sanitary workers

Venue: Villupuram Junction (Chief Health Inspector Office)

Date: 18/10/17

Time: 10.00 am – 1.00 pm

Conducted by

A health checkup program was conducted for sanitary workers on 18.10.2017 at Villupuram Junction (Chief Health Inspector Office) between 10:00 am to 1:00 pm in collaboration with Scope India (NGO). Around 98 sanitary workers were screened by a team of doctors (Medical Interns, Post Graduate) and health care workers (Medical Social Workers, ANM, lab technicians). Routine blood investigations were done and consultation given. The sanitary workers found the camp very useful as they hardly sought any medical advice. Lunch and refreshments were provided to all the members of the team.

BREAST CANCER AWARENESS MONTH PROGRAMME 2022

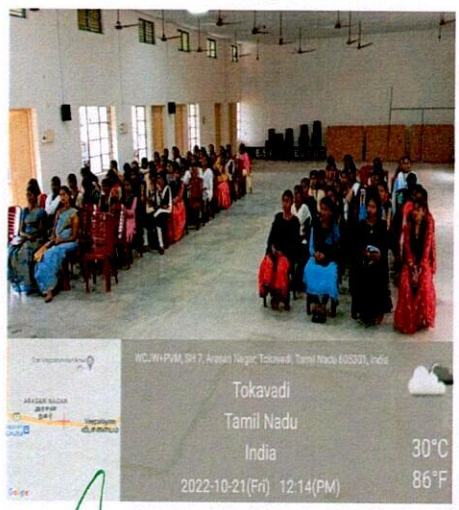

Breast cancer is the most common invasive cancer in women, and the second main cause of cancer death in women, after lung cancer. Each year, breast cancer kills more women in the United States than any other cancer, except for lung cancer. In recognition of Breast Cancer Awareness Month, we are sharing some important information on risk factors, symptoms and breast cancer treatment options. We hope this will help increase your understanding of this disease and encourage you to take steps to reduce your risk or catch it early if it does develop. A programme on breast cancer awareness month was conducted by Department of Community Medicine on 21-10-2022 from 11.30am-01.00 pm. The program was conducted for all the female students of the college. A speech on Introduction was given by Dr. Aishwarya.B(CRRI) . Risk factor was explained by Dr.Aishwarya.R(CRRI) . Clinical features was explained by Dr.Priyanga (PG) with explation of breast self-examination. Treatment was explained by Dr.Amirthiya(CRRI) and speech on prevention was given by Dr. Arthana (CRRI). We concluded the session by distributing biscuits to the students. Feedback given by the students are discussed and action has been taken.
