are updated from time to time and maintained by Medical Superintendent as per management directions.

NOW, THEREFORE, the Parties hereby record the terms of their understanding as follows:

1. Purpose

The purpose of the MOU is to identify and support economically and socially deprived persons with spinal cord injuries and others with similar illness who need medical support for the treatment related to the post spinal cord injury issues.

2. Responsibilities of the Parties

- a. **SIPA** should identify **SCI** living in Villupuram and neighbouring districts including Puducherry. **SIPA** should verify the socio economic status of the said **SCI**. **SIPA** should ensure the willingness of the said **SCI** to undergo medical treatment. **SIPA** should ensure written consent from family member/relative, in case of absence or unwillingness of attendant to go with the said **SCI** who need medical treatment.
- b. **Department of Community Medicine, SMVMCH** should, except in extraordinary circumstances substantiated in writing, accept the demand of **SIPA** to visit the identified **SCI** at their premises and give all possible ambulatory treatment available in the "basic free medical services" to the **SCI** who is in need medical treatment. If the said **SCI** is requiring referral to tertiary care centre, he or she may make use of the vehicles available for scheduled home visits or daily connecting vehicles from Villupuram and Pondicherry to **SMVMCH** and backwards at stipulated timings as available to reach **SMVMCH** for treatment and from **SMVMCH** to home on discharge. Once the said **SCI** reaches the **SMVMCH** s/he should be given reasonable preference to get early consultation with the concerned doctors/therapists. Based on the examination/consultation with the expert, the said **SCI** may be treated as inpatient or outpatient. In case of being admitted as inpatient, **SMVMCH** should provide cot with at least 4 inches' thick mattress and pillow in a room or ward which has wheelchair accessible toilet and lavatory. Based on availability and need, air-bed or water-bed may have to be provided if the said **SCI** so demand for it. It is mandatory for the **SIPA** to see that **SCI** is accompanied by at least one physically fit bystander/caretaker. If the said **SCI** cannot or face challenges to do bowel care on primary

bystander/care taker to do the removal, cleaning etc.. The said **SCI** may have to go to consultation with different doctors, therapists, scanning and other places; where he may be accompanied by **SMVMCH** staff/attender in the presence of the patients' bystander.

- c. **Reporting:** **SIPA** will maintain a registry with full details such as serial number, referral number, name, father/mother name, contact number, address, taluka, district, **SIPA ID**, etc of the **SCI** referred for medical treatment to **SMVMCH** who in turn keep all medical reports and consultation/therapy details.

3. The Parties expressly agree and acknowledge that **SIPA** shall not be liable for any medical treatment or diagnosis by **SMVMCH** or any claims or consequences arising there from.
4. **Payment Terms:** Only the "basic free medical services" which are available free of cost as decided from time to time by the medical college management and which are provided to the said **SCI** would be free of cost. Any services other than these basic free medical services would be chargeable and will be informed in advance to the **SCI** or their caretakers. The chargeable services if any, should be informed either during the preliminary studies or at least a week in advance so that the **SCI** will be in a position whether to opt the chargeable service(s) or not. They will have the liberty to choose whether to accept such paid services or not. No charges would be demanded from the said **SCI**, under any circumstances for the above said "basic free medical services". Neither party can demand the other to pay for any of these free services included in the "basic free medical services".

5. **Term and Termination**

- a. This MOU is duly authorized by the authorized representatives of the Parties and governing bodies of the Parties.
- b. This MOU shall be effective from the Execution Date and shall remain in full force and effect for a period of three years ("**Term**"). The Term of the MOU may be mutually extended by the Parties. In the absence of mutual consent by the authorized representatives, this MOU shall end on the expiry of the Term.

c. Either Party may terminate this MOU at any time by giving the other Party, a notice of at least 30 (thirty) calendar days in writing, and such notice shall be delivered by hand, to official email address or by certified post.

6. **Amendment:** This MOU may only be amended or modified by mutual agreement of the both Parties in writing.

7. **Confidentiality:** The Parties recognise that sensitive personal information is being handled under this MOU. The information collected, shared or recorded by both Parties should be kept confidential. Without consent of the said person with SCI, no Party has right to disclose or publish any information specific of the said SCI.

8. **Dispute resolution**

a. Any dispute shall be settled amicably through mutual consultation or negotiations between the Parties or between the Parties and the person with SCI, without reference to any third party, failing which the dispute shall be referred to arbitration in accordance with the Indian Arbitration and Conciliation Act 1996 in force on the date on which the notice of arbitration is submitted in accordance with these the applicable Rules. The number of arbitrators shall be one, as may be mutually appointed by the disputing Parties, the seat of the arbitration shall be Chennai, India and the arbitral proceedings shall be conducted in English.

MEMORANDUM OF UNDERSTANDING – Simulation Partnership

This Memorandum of Understanding is made on: Tuesday 17th August 2021

BETWEEN

1. **HULL INSTITUTE OF LEARNING AND SIMULATION (HILS)** of Hull University Teaching Hospitals, Fountain Street, Anlaby Road, Hull, HU3 2JZ, UK
- and
2. **Sri Manakula Vinayagar Medical College and Hospital (SMVMCH)** of Kalitheerthall kuppam, Madagadipet, Puducherry – 605 107

1 PURPOSE

- 1.1 The Parties recognise that each of them is pursuing educational, research, cultural and training activities in areas that are of possible common interest and that there may be mutual benefit in cooperating or collaborating in such activities.
- 1.2 The Parties wish to discuss the possibility of establishing a collaborative relationship between them for educational activities and collaborations to promote the sharing of knowledge, exchange of information and experiences for staff and students.

2 INTENT

- 2.1 The Parties will endeavour to promote cooperation and collaboration between them.
- 2.2 The Parties will, in particular, endeavour to promote collaboration on the following activities:
 - *Develop robust training programmes and projects to produce income generation for both parties*
 - *Assistance in conducting Faculty Development Training online using existing e-learning portals, with a view to some face to face where possible.*
 - *Establishment of programmes that will enable interested and qualified students and University personnel to pursue either short term or extended programmes of study in each other's institution.*
 - *Assistance for visits by authorized officials from each institution for the purpose of studying the other's educational system to develop mechanisms for and expand areas of cooperation.*
 - *Support the development of joint research programmes and projects in the field of mutual interest, especially in the field of research in simulation.*
 - *Identification of other areas of possible interest and collaboration, especially in the field of translating simulation based training to clinicians.*
 - *Awareness in both institutions of the teaching and research programmes, research institutes and the educational resources of each other's institution.*

3 OPERATION

- 3.1 This paragraph is intended to be not legally binding.
- 3.2 The Parties agree that any collaborative relationship will be subject to formal collaboration agreement between the parties.
- 3.3 Once the parties have agreed to collaborate, individual areas of cooperation will be subject to formal agreement.
- 3.4 Any areas of cooperation must first be approved by the Vice-Chancellor/Director of each Party or their authorised delegate.

3.5 The formal agreements described in 3.2 and 3.3 above must be in writing and signed by duly authorised representatives of each Party.

4 GENERAL PRINCIPLES

4.1 Collaboration between the Parties must be subject to mutual consent, be feasible and desirable for both Parties.

4.2 There must be demonstrable mutual benefit to each Party.

4.3 There must be mutual respect between the Parties and any staff or students in any way involved in the collaboration.

4.4 Neither Party shall do or say anything which may bring the name or reputation of the other Party into disrepute.

4.5 There is no obligation on either Party to enter into any further collaboration agreement or to enter into any form of collaboration.

4.6 The activities from the partnership may result in income generation for each organisation, any fees incurred from the activities will be drawn from that income and not from wider budgets. If the partnership is deemed to be a financial risk to Hull University Teaching Hospitals/SRI Manakulavinayagar Medical College and Hospital or any other organisation involved then the contract would be terminated.

4.7 Costs incurred by either party will be payable by the other upon written agreement from both parties.

4.8 Initial fees that **HULL INSTITUTE OF LEARNING AND SIMULATION (HILS)** would charge to **SRI MANAKULAVINAYAGAR MEDICAL COLLEGE & HOSPITAL (SMVMCH)** for programme set up, will be agreed upon at commencement of partnership and are subject to change upon written agreement between both parties.

5 CONFIDENTIALITY

5.1 This paragraph is intended to be legally binding.

5.2 Each Party agrees to treat as confidential and maintain in confidence all information of a confidential, sensitive or proprietary nature which may be disclosed or revealed to it as a result of this Memorandum.

6. INTELLECTUAL PROPERTY

6.1 This paragraph is intended to be legally binding.

6.2 All intellectual property owned by one Party shall remain the exclusive property of that Party and shall not be used by the other Party except as expressly permitted by the owning Party in writing.

7. NO PARTNERSHIP OR AGENCY

7.1 This paragraph is intended to be legally binding.

7.2 Nothing in this Memorandum is intended to, or shall be deemed to, establish any partnership or joint venture between the Parties, constitute any Party the agent of the other, or authorise any Party to make or enter into any commitments for or on behalf of any other party.

8 DURATION

This Memorandum shall take immediate effect and shall continue for 5 years or until either:

**GLOBAL CLASSROOM PROGRAM AGREEMENT BETWEEN
INDIAN UNIVERSITY/CENTER, CITY, INDIA
AND
UNIVERSITY OF SOUTH CAROLINA (USC), DEPARTMENT OF HEALTH
SERVICES POLICY AND MANAGEMENT**

This professional services agreement (hereinafter "Agreement") is made effective as of the First day of January 2018 by and between the Sri Manakula Vinayagar Medical College and Hospital (SMVMC), Pondicherry, India and the University of South Carolina Department of Health Services Policy and Management, Columbia, SC (hereinafter HSPM) for organizing a Global Classroom program in India on health system strengthening and reforms in India.

WITNESSETH

WHEREAS, SMVMC and HSPM desire to enter into an agreement relating to a Study Abroad program for graduate and undergraduate students of USC during Summer semester every year starting from 2018. The exact dates of the India program will vary depending upon the start and end date of Summer semester in a particular year. In 2018, the session will start during one of the three-week summer session with in-country presence of the students for about 12 days. Exact arrival and departure dates will be determined in consultation with all the academic institutions involved.

WHEREAS, SMVMC will develop and will deliver the content on India's Health Care System to USC students, organize two cultural field trips, arrange field visits to private or public hospitals or government public health facility, provide transportation to and from airport on arrival and for departure back to the USA respectively, arrange housing (double occupancy hotel rooms), arrange lunch during the program days, and local transportation for visiting hospitals and to go to the cultural activities, etc.

WHEREAS, HSPM desires to collaborate with SMVMC for the purpose of providing to HSPM specific Study Abroad learning services (hereinafter detailed as "Services") and SMVMC is willing and agrees to perform the requested Services, all under and pursuant to the terms and conditions of this Agreement; and

NOW THEREFORE, SMVMC and HSPM hereby agree as follows:

1. DESCRIPTION OF SERVICES. It is agreed that SMVMC will provide professional services to USC HSPM as detailed below.

Program Development: SMVMC agrees to design, organize, and deliver an educational program to be entitled, "Comparative Health Systems: Focus on Health System of India" and will cover historical development of India's health system, organization and funding of the health system and other specific policy issues related to the system. The agreed upon program will be delivered during the study abroad days, including a Saturday. One of the cultural programs can be arranged either on a Saturday or a Sunday.

Training and Delivery: Classroom sessions related to theoretical aspects of comparative analysis of health systems and evaluation of health systems of selected countries (USA, Canada, UK, Germany, Korea and Singapore) will be offered by the USC faculty member. This will constitute about 30% of the total class hours. Some of the classroom hours may be offered in Columbia, SC, prior to the arrival of the team in India. SMVMC agrees to organize the remaining class hours/training by identifying faculty members and guest lecturers from India in consultation with the program leader from HSPM, USC. Total classroom contact hours will be about 36 hours, including presentations arranged in hospitals or public health organizations. SMVMC faculty and staff will provide the didactic, liaison, and allied services.

Number of students: SMVMC and USC agree to an enrollment of no more than 16 students. The minimum enrollment needed for the program is nine. The program may be cancelled if the enrollment in the program is less than nine.

Meals and Housing: SMVMC will provide lunch during program days (about \$5 per student per lunch). While the students are in India, SMVMC will book hotel rooms for students (double occupancy) and a separate room for the faculty member. Cost of hotel room should not be more than \$70 (double occupancy) per night with taxes and fees. Breakfast and internet access should be included within the hotel room rate.

Lecture and activities space/facilities: SMVMC will provide lecture room and related facilities as needed on-campus and at field sites as required for the activities to be organized for the global classroom program.

Transportation: SMVMC will organize transportation services back and forth to the Airport and for field visits, cultural excursions, etc.

Fee for Services: HSPM agrees to pay SMVMC the expenses incurred. About a month prior to the scheduled arrival in India, HSPM will pre-pay \$460.00 per student to SMVMC for expenses related to airport transfers, lunch, cultural programs, hotel cost of students (hotel room of faculty member will be paid by the faculty member). For classroom teaching of the course by faculty members from India (which includes payments to faculty members and guest lecturers) including field visits to hospitals and other sites, HSPM will pay SMVMC a lump-sum amount of \$1,400. This amount will also be pre-paid by HSPM to SMVMC about a month prior to the start of the classes in India. The monetary values may be adjusted through an amendment in future years, if needed.

Cancellation policy: In the event of cancellation of the program by USC, the cancellation will be communicated to SMVMC at least one month prior to the start date of the India program. If cancellation happens with less than one month notice and after the pre-payment of funds to SMVMC, SMVMC can deduct the expenses already incurred and refund the balance to USC.

Student Code of Conduct: Students will sign a *USC Code of Conduct* in addition to the SMVMC *Code of Conduct*. The codes will include restrictions on alcohol use, taking illicit drugs, or leaving the institution or field trip locations without prior permission from SMVMC coordinator and HSPM faculty. Any student breaking the code may be immediately terminated from the program and sent back to the United States.

Student Over-sight and Supervision: HSPM faculty/staff will be present for the duration of the Global Classroom program. The HSPM faculty will be responsible for supervision of the students. In the event of emergency or unforeseen circumstances that render the HSPM faculty/staff unable provide student oversight, <Person's name in India> of SMVMC will be the contact person and assume charge of student supervision and addressing student concerns.

2. TERM. The term of this agreement shall begin on the date of signing by both parties and shall continue through December 31st 2022. It may be renewed by mutual agreement between SMVMC and HSPM.

3. INDEPENDENT CONTRACTOR. SMVMC's relationship to HSPM in performing Services under this Agreement is that of an independent contractor.

4. REPRESENTATIONS. All Services shall be performed in accordance with sound and generally accepted professional practices and industry standards by professional, Managerial and administrative personnel fully qualified in the respective professional discipline required.

5. ALTERNATIVE DISPUTE RESOLUTION. It is mutually agreed that, in lieu of any judicial remedy which may otherwise be available to either party, any and all disputes and controversies of every kind and nature between the parties arising out of or in connection with this Agreement as to its existence, construction, validity, interpretation or meaning, performance, nonperformance, enforcement, operation, breach, continuance, damages or termination must be submitted to final and binding arbitration, pursuant to and in accordance with the Commercial Arbitration Rules of the American Arbitration Association. Any such dispute arising under this Agreement must be submitted to arbitration by filing and serving upon the other party a written demand for arbitration within ninety (90) days of the date it first learned or should have known of the dispute. The timely submission of a demand for arbitration shall be deemed a condition precedent to proceeding to arbitration. Each party shall bear its own arbitration costs and expenses. The arbitration hearing shall be held in the residing county of the party against whom the demand for arbitration is made. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

6. INSURANCE CERTIFICATE & ADDITIONAL INSURED STATUS. During the term of this Agreement, SMVMC shall maintain and provide proof upon request to USC HSPM of the existence of general commercial liability insurance coverage, together with such further insurance coverages which are satisfactory to USC. USC understands the insurance requirements in India differ from those in the US.

7. NONDISCRIMINATION. The parties agree that they will not discriminate because of sex, race, religion, color, or national origin, and will not discriminate on any basis covered under other applicable laws in any area of their operations under this Agreement. Any violation by either party shall constitute a material breach of this Agreement.

8. **NOTICES.** All notices required or permitted under this Agreement shall be in writing and shall be deemed delivered when delivered in person or deposited in the United States mail, postage prepaid, addressed as follows:

9. **Regulatory Compliance**

Each party represents and warrants that in the performance of its obligations under this agreement, it will comply with all applicable law, rules or regulations. Failure by either party to comply with any applicable law as required shall be considered as a material breach of this agreement. In the event of a determination that this agreement is not in compliance with any applicable law, then the parties shall negotiate in good faith to bring this agreement into compliance.

10. **Termination of the MOU**

- 10.1 Either Party may terminate this agreement by giving one month notice in writing after settling all outstanding dues. However, both parties shall continue to honour the agreement during the notice period.
- 10.2 If any of the parties violates any of the terms and conditions of this agreement, the other party shall first intimate the defaulting party to rectify the same within two weeks from the date of intimation. But even thereafter if the same is not rectified, the other party can terminate the agreement with immediate effect by writing a letter to other party.
- 10.3 This MOU shall be terminated in case of insolvency or bankruptcy of either party.
- 10.4 This agreement can be terminated at any time on mutual agreement between both the parties.

11. **Miscellaneous**

- 11.1 The Party of the Second Part shall not assign any of its rights or obligation under this agreement to any other person/ s without the written consent of the Party of the First Part.
- 11.2 That this Agreement relates only to the activities submitted hereunder and shall not restrict either of the party from carrying on its normal activities or such other activities undertaken by the parties, independently. Subject to the terms of this Agreement, nothing contained herein shall preclude either party from its normal effort in connection with its activities.
- 11.3 That neither party shall have any right, power, or authority to create any obligation, express or implied, on behalf of the other except to the extent provided herein.
- 11.4 The Party of the First Part will communicate all relevant details directly to the Party of the Second Part upon introduction of new diagnostic tests. The Sales and scientific team of the Party of the First Part would also help the Party of the Second Part with the relevant specimen requirement, charges, turnaround times, etc.
- 11.5 Nothing contained in this agreement shall be construed as creating a joint venture, partnership or employment relationship between the parties. Neither party is an agent of the other, and neither party has any authority whatsoever to bind the other party, by contract or otherwise.
- 11.6 In accordance with PCPNDT Act 1994, we declare that we strictly adhere to the directives of the law and do not perform sex determination in any form. Therefore, we do not disclose sex of the foetus.
