DEPARTMENT OF DENTISTRY

INTRODUCTION

Basic Oral Surgical Skills Workshop (BOSS)

The department of dentistry successfully organized a two days Hands on Workshop - BOSS (Basic Oral Surgical Skills) every month from June 2019. The workshop was inaugurated by Dr. D. Rajagovindan, Director, Dr. R.N. Kagne, Deputy Director, Dr.K.Karthikeyan, Dean (Academic) and Dr. M. Pragash, Medical Superintendent. The workshop comprises of three levels. So far we have completed 7 workshops. This training program is to shed lights on various aspects of Basic Local Anesthetic techniques, Dental Extractions, Suturing and Dental Wiring techniques. The main objective of this workshop is to re- familiarize General dental practitioners, Dental interns and Dental Postgraduates to basic oral surgery and to ease the difficulties encountered in common situations. The participants are given hands on training in live patients as well as in models under able guidance from the dental faculties.

VENUE: Sri Manakula Vinayagar Medical & Hospital, Kalitheerthalkuppam, Puducherry.

CME Workshop “ANA-OTO-MY 2019”

The department of ENT conducted CME workshop “ANA-OTO-MY 2019” in association with department of Anatomy on 23.08.2019. The aim was to familiarize delegate with Anatomy of all the parts of Ear, thereby forming a solid platform of understanding the intricacies of Ear, so that various surgical procedures performed in Ear can be understood better.

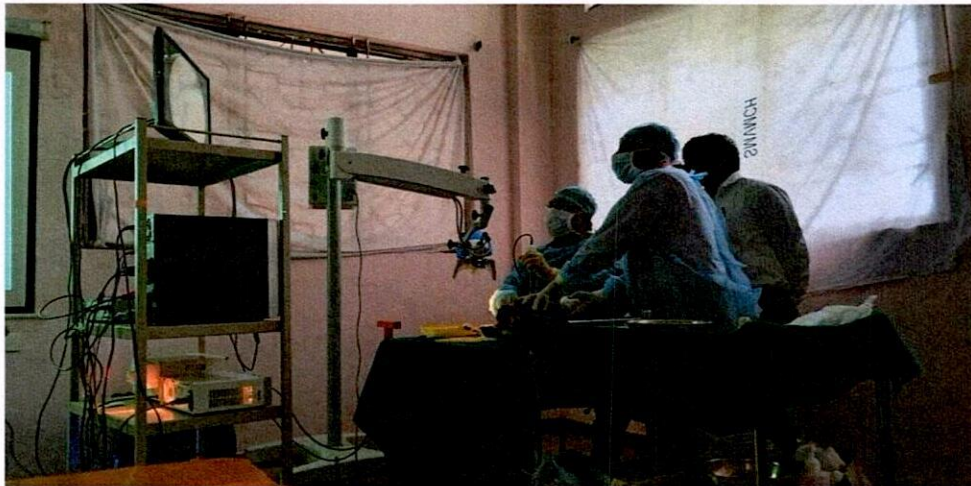

The department of Anatomy graciously offered a cadaver – a head with Neck, upon which dissection was carried out by guest faculty. The case was telecast with CCTV coverage. The interaction with the audience was managed by ENT department faculty.

The procedure (Surgical) demonstrated were

Various types of incision on Ear & EAC, Grommet incision & placement, Tympanotomy,

Various types of mastoidectomy, Stapedotomy, Labyrinthectomy

Approaches & procedures on inner ear like glomus tumour excision, acoustic neuroma excision.
