Dear Colleagues,

On behalf of ISA Puducherry Chapter, we are pleased to invite you for the "10th ANNUAL STATE CONFERENCE OF ISA PUDUCHERRY" which will be held on 11th to 13th October 2019, at Hotel Sunway Manor, Puducherry, India.

Indian Society of Anaesthesiologists (ISA) Puducherry State Chapter and The Department of Anaesthesiology & Critical Care, Sri Manakula Vinayagar Medical College & Hospital (SMVMCH) have come together to conduct this conference with the theme: "Current Concepts & New Frontiers in Academia of Anaesthesia". To make this convention unique we have invited Pioneers and Eminent Speakers in the field of Anaesthesiology from different parts of India - Mumbai, Tamil Nadu, Andhra Pradesh, Karnataka & Puducherry to disseminate the knowledge.

The Conference is designed to benefit the Faculties, Post Graduates and Practicing Anaesthesiologists. Various Workshops will be held on 11th October-2019 at different academic institutes of Puducherry. The topics of the conference include; Lectures, Orations, Pro-con session, Panel Discussion, Poster and Free Paper Presentations & Post Graduate Quiz.

We eagerly look forward for your participation in the upcoming "10th ANNUAL STATE CONFERENCE OF ISA PUDUCHERRY" this October. Once again we welcome you all for this grand event.

# tuberculosis – “The present and future Scenario”

venue: MIT-AUDITORIUM

date: 29.03.2018

time: 09.00 am -04: 30 pm

for Doctors,

With immense pleasure the departments of Pharmacology and Respiratory Medicine of SMVMCH invite all to attend this *CME on Tuberculosis The present and future Scenario*. The incidence of tuberculosis is increasing at an alarming rate, despite introduction of many drugs and efforts to control its spread. However there is widespread prevalence of drug resistant cases which pose health care challenges in its management.

Thus the government of India has introduced many changes in the DOTS regimen for the management of tuberculosis. With this background, this CME has been planned to cover various important topics in tuberculosis to be delivered by eminent speakers.

### Tuberculosis – “The present and future Scenario”

Venue: MIT-AUDITORIUM

Date: 31.03.2018

Time: 09.00 am -04: 30 pm

Dear Doctors,

With immense pleasure the Departments of Pharmacology and Respiratory Medicine invite you all to attend this *CME on Tuberculosis – The present and future Scenario*. The incidence of tuberculosis is increasing at an alarming rate, despite introduction of many new drugs and efforts to control its spread. Moreover there is widespread prevalence of drug resistant cases which pose health care challenges in its management.

Thus the government of India has introduced many changes in the DOTS regimen for the management of tuberculosis to curb this public health problem. With this background, this CME has been planned to cover various important topics in tuberculosis to be delivered by eminent speakers.
