Circular

It is proposed to organize the much awaited "Revised Basic Course Workshop (RBCW)" in Medical Education at SMVMCH under the observation of JIPMER, between 07.04.2022 to 09.04.22 (subject to approval from regional centre, JIPMER). In this context we are happy to inform that following faculty have been nominated as participants for the 3-day workshop.

Hence, I request all the participants to make themselves available for the workshop between 7th to 9th April, 2022.

Note: The list of participants is attached with the circular. We request the HODs to relieve the participants in the stipulated dates. The program schedule will be shared soon.

K. Soundariya

Coordinator, MEU

Chairperson, MEU

List of ParticipantS

S No.	Name of Participant	Designation & Department
1	Dr. K. Jawahar	Assistant Professor/ Department of General Surgery
2	Dr. Sunil.S. Shivekar	Associate Professor,Department of Microbiology
3	Dr.Srinivasan. R	Assistant Professor, Department of Anaesthesia
4	Dr.Dilip Chandar.D	Associate Professor, Anaesthesiology
5	Dr.Maharaja. P.	Associate Professor, General Surgery
6	Dr.Rajkumar. S.	Assistant Professor, Surgical Oncology
7	Dr.Mohamed Rafi Kathar Hussain	Assistant Professor,Radio Diagnosis
8	Dr.Probin Joseph	Assistant Professor, Orthopaedics
9	Dr.Revathi.G	Assistant Professor, Pathology
10	Dr.Vijayasankar. P	Assistant Professor, Dermatology
11	Dr.Kadhiravan. E	Assistant Professor, Nephrology
12	Dr.Radha.S	Assistant Professor, Microbiology
13	Dr. Vigneswaramoorthi. V.	Assistant Professor, Pathology
14	Dr.Arulmozhi.M	Assistant Professor, Community Medicine
15	Dr.Anand A M	Assistant Professor, Department of Radiodiagnosis
16	Dr.Dinesh Babu.D	Associate Professor, Anaesthesiology
17	Dr. S. Srivani	Professor/ Department of Pathology
18	Dr. R. Gopal	Professor & Head, Department of Microbiology
19	Dr. A. Arul Kumaran	Professor/ Department of Paediatrics
20	Dr. T. Bharath Kumar	Professor and Head, Department of Paediatrics
21	Dr. G.V. Manoharan	Professor/ Department of General Surgery
22	Dr. Erli Amel Ivan	Professor & Head, Department of Pathology
23	Dr. M. Anto	Professor/ Department of General Surgery
24	Dr. Badrinath.A.K	Professor, Department of General Medicine
25	Dr. Nivedita.K	Professor, Department of OBG
26	Dr Arun S	Professor and HOD, Department of Psychiatry
27	Dr.Suneeth P Lazarus	Professor & Head, Department of Anaesthesiology
28	Mrs. Sudha.R	Assistant Professor, Department of Anatomy
29	Mr. Balakrishna Pai.R	Assistant Professor, Department of Biochemistry
30	Pragash. M.	Professor, Department of Orthopaedics

Faculty Development Programs

Workshop on "Learning Management System"

The Medical Education Unit, organized a 4-day workshop on "Learning Management System" for the faculty of SMVMCH. Around 22 faculty participated in the workshop. They were oriented to the uses of "Learning management system" (LMS) and key components of LMS. The participants had an intense hands-on training on uploading the events in the calendar of LMS, creating page, question bank and uploading resources in the LMS. The sessions were highly interactive. Feedback was obtained from all the participants. The participants rated the sessions interactive and demanded future sessions for exploration of other components of LMS. The Workshop has been awarded 1 credit point by the TamilNadu Medical Council.

Orientation cum Sensitization Program to CBME for newly joined faculty

The MEU, organized a 3-day "**Orientation cum sensitization program to CBME"** for the newly joined faculties of SMVMCH on 18th, 19th, 20th January 202, afternoon 1:30 PM – 4:00 PM. Program was targeted for newly joined faculties in 2 different sessions (this being second session with 17 new faculties). First day of the program provided an Orientation to the institution, their duties and responsibilities, overview of various committee proceedings (including medical education unit, Research committee and ethics committee) in our institution. Second and third day of program covered sensitization to CBME, interactive TL methods, lesson plan, assessment and feedback. Participants actively participated in group activities in all these sessions. The sessions were highly interactive and feedback has been obtained from all the participants. This program was awarded 2 credit hours by the Tamil Nadu Medical Council.

Workshop on Mapping Module for measuring Competency Attainment

The MEU organized a half day workshop with hands on training on "Mapping Module for measuring competency attainment" for the faculty of SMVMCH on 17.02.2022. The Dean and Dean Research inaugurated the session, by highlighting the essentials of mapping module and its implications. Dr.S.Nitya and Mrs.R.Rajarajeswari, from Phase II and Phase I respectively, shared their experience in the implementation of the Mapping module for the CBME batches 2019 & 2020. The terminologies and the basic requisites were explained by Dr.K.Soundariya. Around 20 Phase II and Phase III Part I faculty along with their HODs, attended the workshop and showed active participation. The faculty were explained the different stages of mapping module. They started with the mapping of the program specific outcomes with the Indian Medical Graduate attributes. Later Dr.Deepika facilitated the intense hands on training sessions on measuring the competency attainment. The major outcome of the program was the refinement of the program specific outcomes in alignment with the graduate attributes. Positive feedback was obtained from the participants and they requested for a full day workshop for an effective hands-on training session. The workshop was been awarded 1 credit hour by the Tamil Nādu Medical Council.

Quality Enhancement Workshop on Mapping Module

The MEU and IQAC organized a full day "Quality Enhancement Workshop on Mapping Module" with hands on training for the faculty of SMVMCH on 29.03.2022. The Dean and Dean Research inaugurated the session, by highlighting the essentials of mapping module and its implications. Dr.S.Asmathulla and Dr.S.Nitya from Phase I and Phase II respectively, shared their experience in the implementation of the Mapping module for the CBME batches 2019 & 2020. The blueprint, terminologies and the basic requisites for mapping process were explained by Dr.K.Soundariya. Around 19 faculty inclusive of HODs, Unit Chiefs and Registrars of Phase III Part II departments (General Medicine, General Surgery, Obstetrics & Gynaecology and Paediatrics) attended the workshop and showed active participation. The faculty were explained the different stages of mapping module. They started with the mapping of the program specific outcomes with the Indian Medical Graduate attributes. Later Dr.Deepika facilitated the intense hands on training sessions on measuring the competency attainment. The major outcome of the program was the refinement of the program specific outcomes in alignment with the graduate attributes. The Clinical departments made phase wise mapping of competencies with the Program Specific Outcomes and Indian Medical Graduate Attributes. Positive feedback was obtained from the participants and they requested sharing of the essential steps in Mapping Module to all the participants. The workshop was awarded 1 credit hour by the Tamil Nādu Medical Council.

Faculty Development Program

Simulation Based Medical Education

Faculty Development Program on 'Simulation based Medical Education' was held on 2nd February, 2021, at the basement Lecture Hall, Hospital for the inhouse faculty of SMVMCH and was facilitated by Dr. Dinker Pai, Professor of Surgery and Director, Simulation Centre, Mahatma Gandhi Medical College and Research Institute. He highlighted on the essentials of simulation in medical education.

Workshop on 'Learning Management System'

The workshop on "Learning Management System"was held on15th February, 2021, at the MEU hall for the Faculty of SMVMCH. There were 27 participants, with at least 2 representatives from each department, who got oriented to the LMS and had a hands-on experience on "Creating the events in Calendar of LMS" and "Creation of Question Bank", at the Digital Lab. Mr.Raja, IT Manager, Dr.N.Suresh and Dr.R.Udhayasankar facilitated the sessions. The participants were requested to update the details in the LMS. At the end of the session the feedback was obtained from all the participants.

Workshop on "Blueprinting in Assessment" and "Hand on training on Competency Mapping"

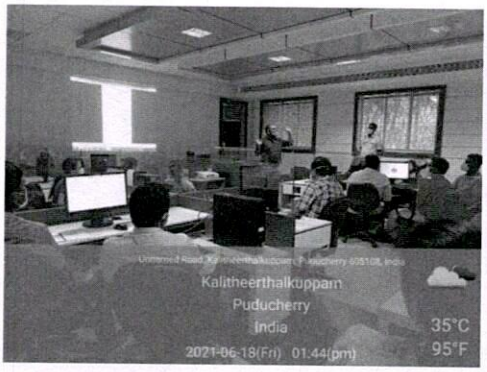

This workshop was organized on 7th April 2021, at MEU meeting Hall, College Block for the faculty of SMVMCH. The sessions were facilitated byDr.Soundariya K, Professor of Physiology, Dr.Deepika , Assistant Professor of Physiology, Dr.Suresh.N, Associate Professor, Department of Anatomy and Dr.G.Kalaiselvan, Professor of Community Medicine, SMVMCH. Around 25 faculty participated in the workshop, and had a hands on experience in framing Blueprint and measuring competency attainment. Blueprint templates were shared with all the participants. Feedback was obtained from all the participants.

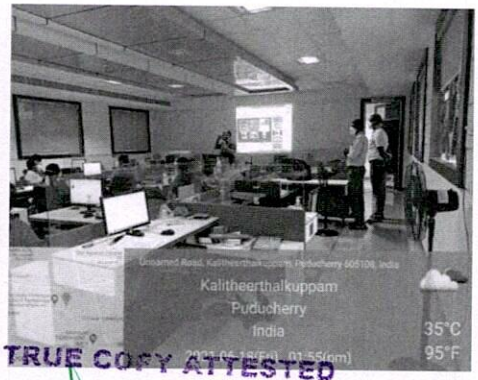

Workshop on "How to open a youtube channel"

A workshop was held on "How to open a you tube channel" on 18.06.21 to the inhouse faculty of SMVMCH, by MEU. Mr.Balakrishna Pai, Assistant Professor, Department of Biochemistry, facilitated the session. Around 29 faculty participated in the workshop and had hands on training on "Creating a YouTube channel" in the digital lab. The session was interactive and feedback was obtained from all the participants.

Workshop on Mentoring

An online workshop on "Mentoring" was organized for the coordinators of Student Support System, and the mentors of Phase II & III on 28.06.21 and 25.08.21 in two slots. Mr.Anand.K.M , Senior Grade Lecturer of Melaka Manipal Medical College, was the invited faculty for the session. The program was carried on for 3 hours in online mode, with 2 group activities enlightening the challenges faced during the mentorship. It was conducted using Great Learning Platform and breakout rooms were utilized for the group activities. The sessions were highly interactive and feedback was obtained from all the participants. The program was awarded 1 credit hour by the TN Medical Council.

Workshop on "Developing Tool Box for Formative Assessment"

The MEU, organized a half-day workshop on "Developing tool box for formative assessment" for the faculty of SMVMCH on 22nd September, 2021. The program was organized with the intention of developing an assessment tool box for the institute, as per the recommendation of the National Medical Commission. Around 22 faculty (1 representative from each department including emergency medicine and dentistry), participated in the workshop. The participants were divided into 4 groups with at least 5 members in each group. The sessions were conducted in the form of group interview, with probing questions put forth by the facilitator. The faculty shared the details of different teaching learning and assessment methods adopted in their respective departments. A data has been extracted from the presentation of the participants, which will be further developed in the process of development of assessment tool box. The sessions were highly interactive and feedback has

been obtained from all the participants. The workshop was awarded with 1 credit hour by the TamilNadu Medical Council.

Workshop on "E-Content and E-Course Development"

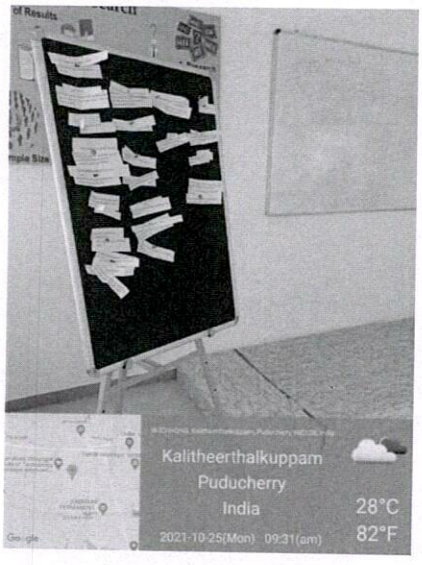

The MEU, organized a 2-day workshop on "E-Content and E-Course Development" for the faculty of SMVMCH on 25th& 26th October, 2021. The program was organized to provide an intensive hands-on training on the various ICT enabled tools that can be effectively utilized for effective teaching, learning and assessment. Around 30 faculty were oriented to the different ICT enabled tools and the multimedia principles. The participants enthusiastically participated in the hands-on training sessions on development of interactive images, creating animations, creating interactive PowerPoint presentations, essentials in opening a you tube channel and uploading contents into it, creating concept maps, conducting interactive online quizzes for large group, conducting interactive small group sessions with Nearpod, essentials of podcasting and screen recording. An afternoon session was exclusively dedicated in sensitizing the participants towards "Instructional Design Models" involved in E-Course development and hands on experience was given on developing a template for E-course. The sessions were highly interactive and feedback has been obtained from all the participants. The workshop has been awarded 4 credit hours by the Tamil Nadu Medical Council.

(including medical education unit, Research committee and ethics committee) in our institution. Second and third day of program covered sensitization to CBME, interactive TL methods, lesson plan, assessment and feedback. Participants actively participated in group activities in all these sessions. The sessions were highly interactive and feedback has been obtained from all the participants. This program was awarded 2 credit hours by the Tamil Nadu Medical Council.

Feedback analysis

The mean pre-test score was 6 and the post test score was 7.2. The participants found the sessions motivating to improve their TL and assessment methods. They learnt the importance of interactive teaching and methods of providing feedback for the learners. They also mentioned that making appropriate lesson plan is very important after this session. They got an overview about CBME. Overall, they gave positive feedback on the program except for session timing in post lunch.
