Program Schedule

Program	Time	Faculty
Introduction to "Mapping Module for measuring Competency Attainment"	09.00 AM – 10.00 AM	Dr.G.Kalaiselvan/ Dr.K.Soundariya/ Dr.V.Deepika
Experience sharing by Phase I and Phase II Faculty	10.00 AM – 10.15 AM	Dr.S.Asmathulla (Phase I) Dr.S.Nitya (Phase II)
Stages of mapping module and aligning the Graduate attributes, Program specific Objectives and Competencies	10.15 AM – 10.45 AM	Dr.Deepika.V / Dr.K.Soundariya
Tea Break		
Hands on session on "Aligning Graduate attributes, Program Specific objectives and Competencies"	11.00 AM – 12.30 PM	Dr.Deepika.V / Dr.K.Soundariya
Overview of Competency attainment	12.30 PM – 01.00 PM	Dr.Deepika.V / Dr.K.Soundariya
Lunch Break		
Hands on training on "Initial Competency attainment & Final competency attainment"	2.00PM – 03.00PM	Dr.Deepika.V / Dr.K.Soundariya
Demonstration of PSO attainment and Mapping of graduate attributes	03.00 PM – 03.30 PM	Dr.Deepika.V / Dr.K.Soundariya
Feedback & Closure	03.30 PM – 04.00 PM	All Faculty

Pre-requisites for the workshop:

The participants are requested to bring the following for the workshop

1. Laptop
2. CBME MBBS Curriculum document (of their respective discipline)
3. Soft copy of the Competencies with competency numbers and program specific objectives of their respective departments (preferably in excel sheet) (Preferably Phase II, Phase III Part I)
4. Excel sheet of question wise entry of marks of any internal assessment and its question paper, blueprint (If not available a sample copy will be provided)

Quality Enhancement Workshop on Mapping Module
Feedback Analysis

The MEU and IQAC organize a full day “Quality Enhancement Workshop on Mapping Module” with hands on training for the faculty of SMVMCH on 29.03.2022. The Dean and Dean Research inaugurated the session, by highlighting the essentials of mapping module and its implications. Dr.S.Asmathulla and Dr.S.Nitya from Phase I and Phase II respectively, shared their experience in the implementation of the Mapping module for the CBME batches 2019 & 2020. The blueprint, terminologies and the basic requisites for mapping process were explained by Dr.K.Soundariya. Around 19 faculty inclusive of HODs, Unit Chiefs and Registrars of Phase III Part II departments (General Medicine, General Surgery, Obstetrics & Gynaecology and Paediatrics) attended the workshop and showed active participation. The faculty were explained the different stages of mapping module. They started with the mapping of the program specific outcomes with the Indian Medical Graduate attributes. Later Dr.Deepika facilitated the intense hands on training sessions on measuring the competency attainment. The major outcome of the program was the refinement of the program specific outcomes in alignment with the graduate attributes. The Clinical departments made phase wise mapping of competencies with the Program Specific Outcomes and Indian Medical Graduate Attributes. Positive feedback was obtained from the participants and they requested sharing of the essential steps in Mapping Module to all the participants. The workshop was awarded 1 credit hour by the Tamil Nādu Medical Council.

Organizational Aspects

TRUE COPY ATTESTED

DEAN
SRI MANAKULA VINAYAGAR
MEDICAL COLLEGE & HOSPITAL
KALITHEERTHALKUPPAM,
MADAGADIPET, PUDUCHERRY-605 007

Key applications learnt in the workshop

- Significance of mapping technique
- Mapping of the competency with program specific outcome and IMG
- Objective methodology of Teaching
- Total objectivity in qualifying outcomes.

Mention any two positive factors for your learning in this workshop

- Team work
- Way to improve teaching, was simplified and with examples
- The mapping module is very clearly taught and was good
- Need for a blueprint to set questions
- formal assessment workshop and mapping
- Explanation with example, Hands on practice
- Preparation of the Teaching material beforehand and focusing on the essentials.
- Learnt a new concept and objectivity

Areas for improvement

- Excellent session and please continue more sessions
- None (6)
- Interactions with audience
- Time management (2)
- Needs to be a one-day workshop since it requires hands-on experience to learn the concepts and apply them (2)
- Could have explained about blue print preparation (2)

Workshop on “Mapping Module for measuring Competency Attainment” (17.02.2022)

Feedback Analysis

The MEU organized a half day workshop with hands on training on “Mapping Module for measuring competency attainment” for the faculty of SMVMCH on 17.02.2022. The Dean and Dean Research inaugurated the session, by highlighting the essentials of mapping module and its implications. Dr.S.Nitya and Mrs.R.Rajarajeswari, from Phase II and Phase I respectively, shared their experience in the implementation of the Mapping module for the CBME batches 2019 & 2020. The terminologies and the basic requisites were explained by Dr.K.Soundariya. Around 20 Phase II and Phase III Part I faculty along with their HODs, attended the workshop and showed active participation. The faculty were explained the different stages of mapping module. They started with the mapping of the program specific outcomes with the Indian Medical Graduate attributes. Later Dr.Deepika facilitated the intense hands on training sessions on measuring the competency attainment. The major outcome of the program was the refinement of the program specific outcomes in alignment with the graduate attributes. Positive feedback was obtained from the participants and they requested for a full day workshop for an effective hands-on training session. The workshop was been awarded 1 credit hour by the Tamil Nādu Medical Council.

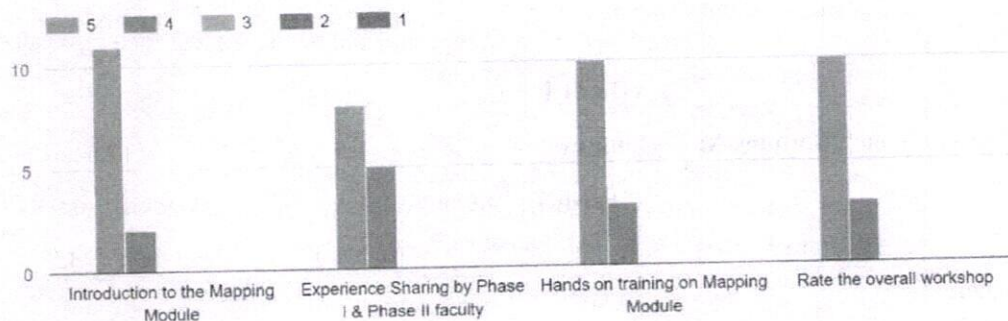

The objectives of the program were met
13 responses

Rate the following sessions. 5-Excellent; 4-Good; 3-Average; 2-Fair; 1-Poor

Organizational Aspects

Key applications learnt in the workshop

- How to improve myself by mapping the performance of the students...
- Helps to improve the program specific outcomes of the concerned department
- Mapping and competency attainment (6)
- Matching competency with PSO
- Blue printing, competency attainment calculation, PSO attainment calculation
- Benefit of CO PO Mapping
- Blue printing, mapping based on students are performance and its documentation (3)
- Yes, how to declare the threshold
- Program outcome, competency attainment

TRUE COPY ATTESTED

MADAGADIPET, PUDUCHERRY

Mention any two positive factors for your learning in this workshop

- To improve my teaching and concentrate on the grey areas where the students are not able to improve or lacking... 2. The overall development of the teaching of my fellow faculties will improve ...
- Helps in assessing the level of knowledge attained by the students and also helps in identifying and targeting the slow learners
- Well explained by the team and guidance given during workshop
- Friendly resource faculties, nature of clarifying all the doubts
- Cool and calm nature of presenters, Hands on training
- Enthusiasm and Experience sharing by the resource persons. Hands-on activities.
- Perfectly explained session, time management
- All the objectives were clearly explained, Hands on training made it still easy

Areas for improvement

Excellent session and please continue more sessions

None (6)

Interactions with audience

Time management (2)

Needs to be a one-day workshop since it requires hands-on experience to learn the concepts and apply them (2)

Could have explained about blue print preparation (2)

“Workshop on Blueprinting in Assessment and Hands on training on Competency mapping” (07.04.2021)

Feedback Analysis

Rate the session

18 responses

What was good about the session?

Explained with examples

Hands on (4)

well presented easy to understand

Crisp and presented in an easy understanding way (2)

Introduction to new concept

Hands on was good. Making us to do gave us confidence (3)

Content

Clear presentation (2)

The session is a good initiation. Practically experiencing the procedures along with the other faculties was good too.

Templates for blue printing

Very Clear dedicated presentation

Each aspect

Suggestions for improvement

One blueprint for clinical or practical exam would have been shown

Nil (7)

Need some more time

More clear instructions

Blueprinting topic could have been emphasized little bit more clearly

Sessions were little fast

Please provide standard format for our requirements. Eg Sample internal assessment question paper. So that there's uniformity when we compare with the example provided and our task

The explanation part was very quick and couldn't catch up with the speed. And the time for practical working out of the procedures was less.

Totally areas were good

Circular

Medical Education Unit in concurrence with IQAC is happy to announce the "Quality Enhancement Workshop on Mapping Module" for the non-teaching staff of SMVMCH.

Date: 23.04.2022

Time: 09.00 AM – 12.00 noon

Venue: Digital lab

In this regard, the clerks of the clinical departments (Medicine, Surgery, OBG, Paediatrics, ENT, Ophthalmology) are instructed to attend the session without fail. The HODs of Anatomy, Physiology, Biochemistry, Pathology, Pharmacology, Microbiology, Forensic Medicine and Community Medicine are requested to nominate a clerk/technician to attend the session. The HODs are requested to relieve the clerks/nominated representative from the departments on 23.04.2022, between 9 AM – 12 noon.

Mr.Rajesh, NAAC Junior Assistant is instructed to assist Dr.K.Soundariya and Dr.V.Deepika during the hands on training.

Pre-requisites for the workshop:

The clerks/nominated representatives are instructed to bring the following for the workshop

1. CBME Curriculum document (of their respective discipline)
2. Soft copy of the Competencies with competency numbers and program specific objectives of their respective departments (preferably in excel sheet)
3. Excel sheet of question wise entry of marks of any internal assessment and its question paper, blueprint
